Barker, 2025-02-10 Focusing on England the German speaking territories and the Italian peninsula this book examines how Saint George s image crossed boundaries and was disseminated Alison Barker attempts to dissolve the boundary of the Alps through examination of images of Saint George the travelling saint She argues that George s status as chivalric hero and Christian martyr made him uniquely qualified to cross boundaries in this way especially through the networks of courts and court culture Her research demonstrates how the highly recognisable iconography of Saint George s image meant something different depending on where he was represented and who was looking at him Through four case studies that examine how he was depicted and viewed across boundaries of space and media this book charts a multi layered cultural network linking different artists and audiences from three regions Each case study makes a claim about Saint George and how he acts and is used by four sections of society rulers artists corporate groups and the broad masses The book will be of interest to scholars working in art history religious history and Renaissance studies **George and the Dragon** Chris Wormell, 2002 A vividly illustrated picture book with an unexpected twist Far far away in the high high mountains in a deep deep valley in a dark dark cave a there lived a mighty dragon He was an awesome and frightening creature terrorising whole armies destroying castles demolishing forests and kidnapping princesses But this mighty dragon had a deep dark secret a **PEACHY PRINCESSES and DRAGONS TALES FOR BOYS ONLY - a 2 Bookset at WHOLESALE rates 50% OFF!** Anon E Mouse, 2016-11-17 A GREAT READ FOR YOUNG PRINCES AND PRINCESSES PEACHY PRINCESSES AND DRAGONS TALES 54 Illustrated tales and fables at WHOLESALE RATES DISCOUNTED by 50% Ideal for young princes and princesses Full of the adventure and romance from days of old and suitable for ages 6 to 15 Can also be read to younger audiences Both books exquisitely

DRAGONS TALES - 28 tales of dragons and knights in shining armour Various, 2018-10-06 Is this book really for Boys Only No way We know girls can also be dragon slayers or whatever they want to be In this book boys will find 28 tales of dragons and serpents drawn from the mists of time Some are friendly dragons which provide wisdom and direction to the heroes of our stories Others are downright wicked oozing malice and evil leaving the hero of the story no option but to destroy the spiteful fire breathing beast Our heroes always sally forth wilfully but cautiously engaging these ancient creatures to save a damsel in distress or their families from sure destruction and banishment to oblivion Herein you will find the tails Oops Sorry That was a Freudian slip tales of The Deluded Dragon The Gypsy And The Dragon The Two Princes The Dragon Of GhenT The Magic Egg The Great Battle The Sword Gram And The Dragon Fafnir and many many more These tales have been drawn from eighteen old and forgotten books and the thirty three illustrations are by different artists bringing styles that are as different as the stories themselves But why a book for boys only you may ask Some have said we are courting controversy And we do agree However what better way to get boys to read than to offer them stories of battles and heroes who save the day It seems that nowadays we are not allowed to use simple English adjectives to describe obvious situations Why Because the PC Police say so and no one dare disobey them Anyway who put them in charge This is in itself a well disguised form of tyranny This is the type of tyranny my father and maybe your grandfather s fought against in WWII They fought for our right to go where we want when we want and to have free speech This is also the type of restrictive tyranny that the dragons in this book sought to impose on people too scared to challenge them Tyranny that existed until a hero stepped forward challenged and defeated the dragon It is our hope that the boys who read this book will grow up to be the kind of heroes who aren t afraid of challenging the status quo

St George Giles Morgan, 2017-03-23 At the heart of the myths and legends surrounding St George lies the story of an early Christian martyr persecuted by the Roman Empire around the third century AD But England is only one country to have adopted this soldier saint as their patron Others including Germany Hungary and Portugal claim him as their own The cult of St George is astonishingly widespread with churches dedicated to him in Ethiopia Egypt and Greece His heroic struggle and victory against the dragon can be interpreted as representing the bravery of an individual Christian or the eternal battle between good and evil There are however clear parallels between his battle and those of pre-Christian heroes such as Perseus and Beowulf St George is also identified with the Islamic hero Al Khidr who is said to have discovered the fountain of youth Associated with the coming of spring and functioning as a fertility symbol has been closely linked to the Green Man of Pre-Christian Myth St George has also acted as a symbol of chastity and served as a healing saint His flag has been appropriated by the far right but in recent times come to identify a multicultural England
