Stephen Hawking: An Unfettered Mind Kitty Ferguson,2012 **Concussion in Professional Team Sports: Time**

for a Harmonised Approach? Alexandra Veuthey,2021-02-16 The risk of athletes sustaining concussion while participating in professional team sports raises two serious concerns both nationally and internationally First concussion in sport carries a public health risk given that injured athletes may have to deal with significant long term medical complications with some of the worst cases resulting in Chronic Traumatic Encephalopathy CTE Secondly sports governing bodies are now exposed to the risk of financial and reputational damage as a consequence of legal proceedings being filed against them A good example of this among many other recent examples is the case of the United States of America s National Football League NFL the governing body for American football which in 2015 committed to pay US 1 billion to settle the class action filed by its former professional players This book examines how to most efficiently reduce these public health and legal risks and proposes a harmonised solution across sports and legal systems
