Captain Hook and the Mermaid Lidiya Foxglove,2021-05-28 Be careful sweet he said with a flash of a grin that made me realize just how handsome he could be It s dangerous to feel too much in Never Land When I took Peter s hand and flew with him to Never Land escaping the fate of my overworked peasant mother I thought it was a dream but all I found was a cursed land Peter expected me to tell stories and mend clothes all day like I was his mother and at night he cried out with nightmares In Never Land no one really grows up At least not on land With my first womanly thought I turned into a mermaid and Peter forgot my name Yearning to escape I was caught by the most dangerous man on the island the very grown up cruel pirate Captain Hook I m trapped in his chambers and he makes me a very naughty bargain but how long before that bargain becomes something more Something that might destroy the secret that holds Never Land together and frees two lonely hearts Captain Hook and the Mermaid is a fairy tale retelling for those who like an adorable happily ever after with a side of serious steaminess

Silent Mermaid Fichter,2017-03-07 How does a silent mermaid win a war of song How does she break the siren song of the witch holding her beloved captive After being touched by the sun at birth Princess Arianna has grown up imprisoned between two worlds neither fully mermaid nor fully human Her life is one of solitude and dreams But when she loses her family and her kingdom in a war between man and merfolk she s forced to flee into the arms of the enemy Her only hope of protection lies in the penniless prince that she once saved and his two boisterous nieces Prince Michael is at his wit s end After the great maritime war he must clean up the pieces of neglect folly and evil that his grandfather has left behind With his people starving and his treasury nearly empty the familiar girl from the past that falls piteously at his feet cannot be afforded his attention He has only the resources and time for the barest of good deeds to pay back that which she gave him But the more Michael begins to hear the girl beneath her silence the more he realizes she just might be the distraction he cannot survive without All the while a dangerous darkness is beginning to poison the ocean and an evil

foreseen by neither Arianna nor Michael threatens the very existence of both peoples. If they wish to restore their kingdoms, Arianna and Michael will need to reassess their alliances, their beliefs, and an ancient prophecy that's been all but forgotten. Most importantly, however, they must decide whether they can move past their personal pain and trust one another. Because if they can't, everything and everyone they love will fall. If you want the magic of Narnia and the romance of fairy tales, read this clean fantasy retelling of *The Little Mermaid* today to escape into the Classical Kingdoms Collection, a series of clean fantasy fairy tale retellings with magical mystery, clean passionate romance, and heroic happily ever afters. Author's Note: *Silent Mermaid* is fifth in the Classical Kingdoms Collection but can be read as a stand-alone. *Kiss & Tell Tail* Timea

Tokes, 2020-08-14 I have three days to kiss the guy but I don't remember why. Actually, that's not the only thing I don't recall. I have no idea what happened or how I got to where I am now. All I know is that I'm going mad. Literally. Like there is a voice in my head urging me to do something before it's too late. And then there are those dreams. Oh yes, those dreams. They make me blush and pant with desire, longing for a life under the sea. A life I believe is a fairy tale, an illusion created by my mind. And so is Sebastian, the handsome merman who I'm fooling around with in those dreams. Or he is real, and the handsome stranger that's trying to help me get back on my feet, literally, is the one that's fake. Time is running out, and without my memories, all I can rely on is my instincts. And they are saying that something fishy is going on here, excuse the pun. And they are urging me to run as fast and as far from both men as I can. So what do I do? Yep, the exact opposite. I run towards one and swim towards the other, attempting to figure this out. Note from the Author: This is a slow burn Reverse Harem. Why Choose Fairy Tale Romance Retelling of *The Little Mermaid* in 5800 words. It being a short story, expect insta romance as well as a cliffhanger. Part 2 is coming shortly. This is Book 1 in the Reverse Harem Fairy Tales Series, with more stories to come every week. Some characters will stay with us for the duration of several books, while there will be standalones in the series too, and every book can be read on its own. It's highly recommended though that books in the same fantasy niche fairy tale are read in their order of publication. Includes mature scenes and dark humour. You have been warned.
