Downtime Helping Teenagers Pray:

Downtime Mark Yaconelli, 2009-05-26 You know the reality teens don't have much downtime in their lives. Between school, extra-curricular activities, jobs, friends, and youth group, students these days barely have enough time to do all the things they need to do in a day. It's no wonder that quiet, reflective time in prayer with God is not high on their priority list. With years of experience helping teens encounter God in quiet, contemplative ways, Mark Yaconelli will give you the tools and insights needed to help teens understand why and how to pray and to guide them towards a life of prayer. You'll find several prayer exercises in this book based on the praying tradition of the Christian church along with instructions to help you introduce the prayers to students. Not only are there explorations of classical methods of prayer that involve silence, solitude, and scripture, but you'll also discover more recent forms of prayer that use creative media, music, writing, movement, and acts of compassion. As you help teens bring prayer into their everyday lives, your students will find that they long for those times when they can step away from it all and find rest and comfort in God. *Wonder, Fear, and Longing* Mark Yaconelli, 2009. In our hectic lives, it's easy to forget that prayer is more about a conversation and experience with God than it is a request line. This book is an invitation to meaningful prayer. Through stories, images, contemplative exercises, poetry, classical prayers, and creative meditations on prayer, you'll explore ten human experiences where prayer originates: love, desire, fear, suffering, compassion, brokenness, rest, reflection, wonder, and gratitude.

And once you have a person in place, there are several key things you can do to help develop a healthy student ministry that includes encouraging your youth pastor, engaging teens, and involving parents. In this practical book for church leaders, you'll: Set goals for your student ministry that inform your search for a youth pastor. Facilitate communication with your entire church ministry staff by using the included discussion guide. Discover how to implement a ministry that supports families and their involvement in the youth ministry. Tending the Fire That Burns at the Center of the World David F. White, 2022-07-29 Tending the Fire That Burns at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church s most native theological way of knowing and being which participates with God s own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church s teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ s body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God s gifts and inviting our worship

Building a Youth Ministry that Builds Disciples Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group, the reality is that the most important thing they are doing won't actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a wholehearted devotion to God that lasts far beyond their years in the youth room. Unfortunately, much of youth ministry seems to be designed on the model of setting teenagers up for a date with God: a delightful evening that involves music, laughter, food, and light conversation. But what scripture calls us to is not a one-night stand with God, but a lifelong love of God that endures. Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers. In this concise book, ideal for busy youth workers, they'll be equipped to build a youth ministry that instills that lasting faith in its students.

The Beautiful Disciplines Martin Saunders, 2012-07-18 Packed with practical activities, engaging stories, and relevant explanation, this photocopiable resource will be a powerful tool to help young people develop a deep, rooted, and lasting faith. Martin believes that many young believers today practise a dangerously brittle faith. They need to be led deeper to a faith rooted not in the personalities of their leaders or the hype of big events, but in a disciplined, direct relationship with God. This book will provide practical tools to help youth leaders teach their teenagers to pray, study the Bible, live more simply, and discover the value in other ancient disciplines such as confession, fasting, solitude, study, and worship. There will be 12 short chapters, each suitable for one session. Each will begin with background information for the leader, then provide a photocopiable study section with practical exercises. Each will conclude with questions suitable for discussion in small groups.
