Dpss Riversdie Coutny Test Guide:

Public Welfare ,1993 Not Working Alejandra Marchevsky,Jeanne Theoharis,2006-04-10 Not Working chronicles the devastating effects of the 1996 welfare reform legislation that ended welfare as we know it For those who now receive public assistance work means pleading with supervisors for full time hours juggling ever changing work schedules and shuffling between dead end jobs that leave one physically and psychically exhausted Through vivid story telling and pointed analysis Not Working profiles the day to day struggles of Mexican immigrant women in the Los Angeles area showing the increased vulnerability they face in the welfare office and labor market The new work first policies now enacted impose time limits and mandate work requirements for those receiving public assistance yet fail to offer real job training or needed childcare options ultimately causing many families to fall deeper below the poverty line Not Working shows that the new welfare to work regime has produced tremendous instability and insecurity for these women and their children Moreover the authors argue that the new politics of welfare enable greater infringements of rights and liberty for many of America s most vulnerable and constitute a crucial component of the broader assault on American citizenship In short the new welfare is not working *The Los Angeles Jobs-first GAIN Evaluation* Stephen Freedman,1999 California Vocational Education Accountability Report California.
