**Prisoners of the American Dream** Mike Davis, 2018-07-24 This comprehensive study of class struggle in America asks Why has there never been a mass working class party in the U S One of the most uncompromising books about American political economy ever written brilliant provocative and exhaustively researched Village Voice Prisoners of the American Dream is Mike Davis s brilliant exegesis of a persistent and major analytical problem for Marxist historians and political economists Why has the world s most industrially advanced nation never spawned a mass party of the working class This series of essays surveys the history of the American bourgeois democratic revolution from its Jacksonian beginnings to the rise of the New Right and the re election of Ronald Reagan concluding with some bracing thoughts on the prospects for progressive politics in the United States

**Colonel Albert Pope and His American Dream Machines** Stephen B. Goddard, 2000-11-11 In the 1890s Colonel Albert A Pope was hailed as a leading American automaker That his name is not a household word today is the very essence of his story Pope s production methods as the world s largest manufacturer of bicycles led to the building of automobiles with lightweight metals rubber tires precision machining interchangeable parts and vertical integration The founder of the Good Roads Movement Pope entered automobile manufacturing while steam electricity and gasoline power were still vying for supremacy The story of his failed dream of dominating U S automobile production is an engrossing view into America s industrial history

Murphy,2008-12-17 Once a week six women living in Los Angeles meet to read from the Tao te Ching and reflect on their lives One subject arises over and over the dream of owning a home One by one they take on the real estate market They discover among themselves great reservoirs of expertise and experience that keep them sane and laughing along the way Now the Tao Girls want to share that expertise and experience with women who find themselves similarly confused frustrated or disappointed The Tao Girl s Guide to Real Estate offers a way to keep your head through it all to eliminate that sense of helplessness overwhelming tension and emotional fatigue so often a part of finding a home In telling their lively and often amusing personal stories the Tao Girls also deliver a terrific dose of practical advice for buying any house from the smallest condo to a suburban family dream house

**Top Down** Karen Ferguson,2013-06-13 At first glance the Ford Foundation and the black power movement would make an unlikely partnership After the Second World War the renowned Foundation was the largest philanthropic organization in the United States and was dedicated to projects of liberal reform Black power ideology which promoted self determination over color blind assimilation was often characterized as radical and divisive But Foundation president McGeorge Bundy chose to engage rather than confront black power s challenge to racial liberalism through an ambitious long term strategy to foster the social development of racial minorities The Ford Foundation not only bankrolled but originated many of the black power era s hallmark legacies community control of public schools ghetto based economic development initiatives and race specific arts and cultural organizations In Top Down Karen Ferguson explores the consequences of this counterintuitive and unequal relationship between the liberal establishment and black activists and their ideas In essence the white liberal effort to reforge a national consensus on race had the effect of remaking racial liberalism from the top down a domestication of black power ideology that still flourishes in current racial politics Ultimately this new racial liberalism would help foster a black leadership class including Barack Obama while accommodating the intractable inequality that first drew the Ford Foundation to address the race problem

Can't Pay, Won't Pay Collective Debt,2020-06-23 Debtors have been mocked scolded and lied to for decades We have been told that it is perfectly normal to go into debt to get medical care to go to school or even to pay for our own incarceration We ve been told there is no way to change an economy that pushes the majority of people into debt while a small minority hoard wealth and power The coronavirus pandemic has revealed that mass indebtedness and extreme inequality are a political choice In the early days of the crisis elected officials drew up plans to spend trillions of dollars The only question was where would the money go and who would benefit from the bailout The truth is that there has never been a lack of money for things like housing education and health care Millions of people never needed to be forced into debt for those things in the first place Armed with this knowledge a militant debtors movement has the potential to rewrite the contract and assure that no one has to mortgage their future to survive Debtors of the World Must Unite As isolated individuals debtors have little influence But as a bloc we can leverage our debts and devise new tactics to challenge the corporate creditor class and help win reparative

universal public goods Individually our debts overwhelm us But together our debts can make us powerful      **The Philistine Gamble** Denis O'Rourke,2015-09-03 With The Philistine Gamble O'Rourke adds mystery and a noir style to his mantra of Murder Menace and Merriment Compost happens Discount private eye Nick Gamble says that a lot usually when he opens the mail but today its worse Our flawed and philandering PI finds his friend and mentor Bishop Francis Xavier Augustini dead in the church office It doesnt help when one of LAPDs not so finest Lieutenant Hardcastle catches Nick at the murder scene and takes him in for questioning When Hardcastle asks for the thousandth time why Gamble killed his friend Nick finally confesses It was Amway The Bishop said I had to hold meetings invite my friends I only wanted to sell the soap We argued Nick wants to know who really killed his friend but the Russian Mafia the Vatican Police too many bad cops and a three thousand year old muscle bound geezer keep getting in the way Theyre all after the same thingan ancient manuscript worth millions Nicks going to need a lot of help and he gets it Theres Leo the massive mailman a mini fridge with a bum leg and a trick door a secret underwear gun and Vera Foxxe Nicks able assistant and long time bride to be the sexiest woman on earth If you dont believe it ask the Dalai Lama This double feature will keep you guessingand laughinguntil the last page Twice Sorry youll have to bring your own popcorn Includes a preview of Toxicity Attorney Riley Scofield returns in Denis O'Rourkes exciting prequel to Proposition Read inside Acclaim for Denis O'Rourkes stories      The American Dream Cal

Jillson,2016-11-18 Life liberty and the pursuit of happiness these words have long represented the promise of America a shimmering vision of a fruitful country open to all who come learn work save invest and play by the rules In 2004 Cal Jillson took stock of this vision and showed how the nation s politicians deployed the American Dream both in campaigns and governance to hold the American people to their program Full of startling ideas that make sense NPR s senior correspondent Juan Williams remarked Jillson s book offered the fullest exploration yet of the origins and evolution of the ideal that serves as the foundation of our national ethos and collective self image Nonetheless in the dozen years since Pursuing the American Dream was published the American Dream has fared poorly The decline of social mobility and the rise of income inequality to say nothing of the extraordinary social political and economic developments of the Bush and Obama presidencies have convinced many that the American Dream is no more This is the concern that Jillson addresses in his new book The American Dream In History Politics and Fiction which juxtaposes the claims of political social and economic elite against the view of American life consistently offered in our national literature Our great novelists from Nathaniel Hawthorne and Herman Melville to John Updike Philip Roth Toni Morrison and beyond highlight the limits and challenges of life the difficulty if not impossibility of the dream especially for racial ethnic and religious minorities as well as women His book takes us through the changing meaning and reality of the American Dream from the seventeenth century to the present day revealing a distinct sustained separation between literary and political elite The American Dream Jillson suggests took shape early in our national experience and defined the nation throughout its growth and development yet it has always been challenged even

rejected in our most celebrated literature This is no different in our day when what we believe about the American Dream reveals as much about its limits as its possibilities **Public Papers of the Presidents of the United States** United States.
