Sales Management That

Works Frank V. Cespedes, 2021-02-23 Named to the longlist for the 2021 Outstanding Works of Literature OWL Award in the Sales Marketing category In this smart practical and research based guide Harvard Business School professor Frank Cespedes offers essential sales strategies for a world that never stops changing The rise of e commerce Big data AI Given these trends and many others there s no doubt that sales is changing But much of the current conventional wisdom is misleading and not supported by empirical data If you as a manager fail to separate fact from hype you will make decisions based on faulty assumptions and in a competitive market eventually fall behind those with a keener grasp of the current selling environment In this no nonsense book sales expert and Harvard Business School professor Frank Cespedes provides sales managers and executives with the tools they need to separate the signal from the noise These include how to Hire and deploy the right talent Pay and incentivize your sales force Improve ROI from your training programs Create a comprehensive sales model Set and test the right prices Build and manage a multichannel approach Brimming with fascinating examples insightful research and helpful diagnostics **Sales Management That Works** will help sales managers build a great sales team create an optimal strategy and steer clear of hype and fads Salespeople will be better equipped to respond to changes executives will be able to track and accelerate ROI and readers will understand why improving selling is a social as well as an economic responsibility of business The Tao of Sales John Fabiano, 2017-03-14 Sales is not a battle a war or an athletic competition Sales is a simple process with altruistic overtones and shading and needs not be complicated In The Tao of Sales author John Fabiano offers a unique and refreshing look at sales methods that are simple as well as elegant emphasizing considerations and processes meant to strip away clichés and lead to a mutually successful and agreeable process for sales people and buyers Different from traditional sales doctrine Fabiano presents an eclectic conversation about effective methods for success in sales based on simplicity questioning ownership ethics and working smart The Tao of Sales gives a plethora of how to tips regarding a simple organic sales process that is a collaboration between sales person and prospect rather than a competition Fabiano uses his personal experiences to underscore many of the methods principles and points Because sales advice and training takes many forms shapes and colors he encourages practitioners make educated choices and to apply what resonates from within The Tao of Sales is geared for the novice the beginner those needing to make choices or changes and those looking for a better way Praise for The Tao of Sales As one who has toiled successfully on both sides of the office door sales consulting and sales management reading this book felt like a great affirmation of all of the best things I ve learned from my mentors over the decades minus all the bad stuff Patrick Cuccaro Managing Director Affairs to Remember Caterers Small Business Advisory Council Alum Yelp Past Chairman of the Board Georgia Restaurant Association Advisory Board Special Events Magazine Are good sales people born or are they

nurtured and developed from observation experience training curiosity and imitation The question remains unanswered The high achievers I met owned every piece of what they were doing to bring in the business Basics fundamentals always won out and it was hard to get away from that Those who had turned their sales process into a Zen like state were top performers Those who knew the product and the competition backwards and forwards were top performers Those who took the time to get to know their prospects inside and out were top performers These were people who didn't compete with their clothes grooming and delivery These were people who could deliver their presentations with their eyes closed never having to look directly at the slide and who never read the slide but talked from it Simple fundamentals allowed them to be elegant with all they did
