The context is today's situation where educated youngsters are unable to get jobs since they are pretty poor in soft skills. During the hundreds of campus interviews that take place in engineering colleges and arts and science colleges, the actual recruitment is very low and the HR managers say that our boys are poor in confidence, positive attitude, communication skills, and English skills. Unless the four skills are specially and aggressively attended to, the job situation in Kerala will continue to be bad. This book is an attempt to give our boys and girls a simple and practical module which they can read, exercise, and practice these simple skills individually and in groups. If these are done seriously, they are sure to benefit, especially since chapters are covering GD skills and interview skills.

In the Grand Scheme of Things - The Making of Inspiration Through Dog Behaviour Jay R Marchant, 2012-12. There is something much more fundamental to our social interactions today than just simple hello's and goodbye's. What if I said that levels of mental illness, obesity, mistrust, inequality, and rates of imprisonment in the human populous have a significant effect on our relationships with not only each other but our dogs as well? If you look at epidemiology, which literally means the study of what is upon the people, we have no choice but to include our dogs. It is a highly significant symbiotic relationship we share. Though there are many social differences in this age, we still thrive in social compacts. As I explore this wondrous world dealing with dogs, I can't help but stop and question why we seem to be so impatient. Impatient about the weather, inflation, food, dogs, and ourselves. Evolution occurs so slowly yet too fast for us humans to understand it. The answer to this paradox is to simply slow down our

thinking When I spend time working with dogs whether my own dogs or clients it s all about equality of the senses It s about truthful importance This applies to everything positive or negative everyday every moment **DBT Skills Training**
