Life Stories of Soviet Women Melanie Ilic, 2013-08-15 This book provides a rich picture of what everyday life was like for women in Soviet times by presenting the life stories of eight women who were born in the interwar period. The life stories are told through interviews with the women who were well educated and well placed in Soviet society, often in elite positions and therefore well able to observe and articulate the wider conditions for Soviet women besides their own personal circumstances. The interviews, which are edited and preceded by a full introduction setting the context, touch on a wide variety of issues: key events in Soviet history, religion and nationalities policies, and women's everyday experiences of life in the Soviet Union, growing up and going to school, education, falling in love and getting married, giving birth and starting a family, housework and paid employment, travel, leisure and culture, and remembering the past.

Non-Western Identity Byron G. Adams, Fons J. R. van de Vijver, 2022-02-02 Identity is a construct strongly rooted and still predominantly studied in Western or WEIRD (Western educated industrialized rich and democratic) contexts, e.g. North American and Western European. Only recently has there been more of a conscious effort to study identity in non-Western or non-WEIRD contexts. This edited volume investigates identity from primarily a non-Western perspective by studying non-Western contexts and non-Western minority or immigrant groups living in Western contexts. The contributions examine different aspects of identity, e.g. personal identity, social identity, online identity, as either independent or interrelated constructs; b) consider the associations of these constructs with aspects of intergroup relations, acculturative processes, and/or psychological well-being; c) document the advancement in research on identity in underrepresented groups, contexts, and regions such as Africa, Asia, Eastern Europe, the Middle East, and South America; and d) evaluate different approaches to the study of identity and the implications thereof. This book is intended for cultural or cross-cultural academics, practitioners, educators, social workers, postgraduate students, undergraduate students, and scholars interested in studying identity. It provides insight into how identity in non-Western groups and contexts may both be informed by and may inform Western theoretical perspectives.

In the Shadow of Revolution Sheila Fitzpatrick, Yuri Slezkine, 2018-06-26. Asked shortly after the revolution about how she viewed the new government, Tatiana Varsher replied, "With the wide open eyes of a historian." Her countrywoman Zinaida Zhemchuzhnaia expressed a similar need to take note: "I want to write about the way those events were perceived and reflected in the humble and distant corner of Russia that was the Cossack town of Korenovskaia." What these women witnessed and experienced, and what they were moved to describe, is part of the extraordinary portrait of life in revolutionary Russia presented in this book. A collection of life stories of Russian women in the first half of the twentieth century, *In the Shadow of Revolution* brings together the testimony of Soviet citizens and migrants, intellectuals of aristocratic birth and Soviet milkmaids, housewives and engineers, Bolshevik activists and dedicated opponents of the Soviet regime. In literary memoirs, oral interviews, personal dossiers, public speeches and letters to the editor, these women document their diverse experience of the upheavals that reshaped Russia in the first

half of this century As is characteristic of twentieth century Russian women s autobiographies these life stories take their structure not so much from private events like childbirth or marriage as from great public events Accordingly the collection is structured around the events these women see as touchstones the Revolution of 1917 and the Civil War of 1918 20 the switch to the New Economic Policy in the 1920s and collectivization and the Stalinist society of the 1930s including the Great Terror Edited by two preeminent historians of Russia and the Soviet Union the volume includes introductions that investigate the social historical context of these women s lives as well as the structure of their autobiographical narratives *Front Line Heroines. Stories of Ten Soviet Women* SOVIET WOMEN.,1945 *A Revolution Of Their Own* Barbara Engel,1997-11-28 The stories of these eight Russian women offer an extremely rare perspective into personal life in the Soviet era Some were from the poor peasantry and working class groups in whose name the revolution was carried out and who sometimes gained unprecedented opportunities after the revolution Others born to misfortune as the daughters of nobles parish priests or those peasants termed well to do suffered bitterly as enemies to a new government The women interviewed here speak candidly about family life work sexual relations marriage and divorce childbirth and childbearing and legalized abortion and the underground pursuit of such services after abortion was outlawed in 1936 As no previous book has done *A Revolution of Their Own* illuminates the harsh reality of women s daily lives in the Soviet Union as well as reveals the accomplishments made possible by the expanded opportunities that the new Soviet government provided for women Their stories show why many Russian women continue to take pride in the public achievements of the Soviet period despite or perhaps because of the painful price each was made to pay *A Revolution Of Their Own* Barbara Engel,2019-05-20 The stories of these eight Russian women offer an extremely rare perspective into personal life in the Soviet era Some were from the poor peasantry and working class groups in whose name the revolution was carried out and who sometimes gained unprecedented opportunities after the revolution Others born to misfortune as the daughters of nobles *Soviet Women - Everyday Lives* Melanie Ilic,2020-02-18 Based on an extensive reading of a broad range of women s accounts of their lives in the Soviet Union this book focuses on many hidden aspects of Soviet women s everyday lives thereby revealing a great deal about how the Soviet Union operated on a day to day basis and about the place of the individual within it Including testimony from both celebrated literary and cultural figures and from many ordinary people and from both enthusiastic supporters of the regime and dissidents the book considers women s daily routines attitudes and behaviours It highlights some of the hidden inequalities of an ostensibly egalitarian society and considers many wider questions including how extensive was the reach of the Soviet regime how modern was it how far were there continuities after 1917 between the new Bolshevik regime and Russia s imperial past and how homogenous and how mobile was Soviet society *Family and Social Life of Soviet Women.* ,1981 **The Life Course of Soviet Women Born 1905-1960** Barbara A. Anderson,1986 *Ordinary Life in the USSR* Paul Richards, PhD,Alice Richards,2022-05-28 *Ordinary Life in the USSR* 1961 tells the story of Harvey and Alice

Richards amazing trip to the Soviet Union in the summer of 1961 in 200 pages with over 300 photos I accompanied them on this five week journey as a 17 year old fresh out of high school Their goal was to document the social safety network that existed in the Soviet Union for women and children in a socialist society Alice Richards script tells the story of our journey as she narrated the films A Visit to the Soviet Union Part 1 Women of Russia and A Visit to the Soviet Union Part 2 Far from Moscow Her script is presented here as the text of the book along with Harvey Richards photography of the USSR during the Cold War I added subheadings and captions in italics to the photos as needed The book follows the films as closely as possible adding many previously unpublished still images taken during the filming and many screen grabs from the films The resulting book reveals the achievements of the USSR in creating a social safety network for women and children Alice led our efforts in meeting and filming in a variety of settings including work places maternity wards schools universities homes and child care institutions and even a fashion show We spent most of our time in Moscow but also visited Sochi on the Black Sea coast Tashkent Uzbekistan and Irkutsk in Siberia

American Girls in Red Russia Julia L. Mickenberg, 2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in *American Girls in Red Russia* there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg s collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities *American Girls in Red Russia* recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments
