Shadow Work Book 2: Facing & Embracing the Dark Side of Your Soul Kelly Wallace, 2021-10-20 Where there's light there are shadows Turning your back on your shadow doesn't make it disappear It's still there and always will be because it's part of you It's far better to face it and embrace it In doing so you'll find the happiness power and success you've been searching for This is my second book on shadow work and within these pages we'll dig in deeper cover more ground and do more work that leads to ultimate healing and freedom I'll show you how to view your shadow traits differently integrate them and use them as a powerful force that can help you in life rather than holding you back It's not about fixing what's broken but shedding light on those dark parts and understanding every aspect of who you truly are Eventually by accepting those less than perfect aspects of your personality you'll be living life as your authentic self And let me tell you it feels amazing I'll be honest shadow work is not easy nor is it an overnight fix Many people give up far too soon After all it can be overwhelming when faced with all of your demons and dirty laundry so to speak That's why I wrote these books I don't want you to go down this road alone I've been doing my own shadow work for a long time now and have helped many clients through their journey as well Let me walk with you as you face and embrace your shadows
