Today's Prayer Stephen Kyeyune, 2019-05-30 This book is written to all kinds of people because all of us need to pray Praying means asking None of us is exempted from praying because we are all dependants in one way or another Everything that is not God depends on God We are inadequate because there is no time we don t have expectations to meet We have shared human desires For example everyone needs to be loved We are all exclusively dependants on God because the desires of the human heart can only be found in the Lord Trying to fix things apart from God is the recipe of failure Praying is the greatest fellowship with God We pray to the all sufficient God because we are insufficient by ourselves Humanity with all human resources cannot save or fulfill itself Our desires are endless and are constantly changing For example our eyes are never satisfied with seeing we always want to see something new Our ears are never satisfied with hearing we always want to hear the current news Likewise the soul is never tired of yearning for the transcendent People take different avenues when seeking for fulfillment but only those who have discovered the power of prayer experience true fulfillment We are called to pray unceasingly because there is constantly a feeling of emptiness when we do not communicate with God Emptiness is the reality of the void that colonized the heart which was once a sacred space occupied by the Divine Praying is to be intimate with God it is having God s ear and eye in order to see the earthly things from the heavenly perspective
