**Dr Arnold G Fruchtenbaum:**

*Chosen Fruit* L. Jesse Grace, 2015      **Interpreting The Bible Literally** Fred DeRuvo, 2009-04-02 Those who understand the Bible in literal terms are constantly accused of not understanding the Bible in literal terms Someone will point to the word all or this or that and charge that the Literalist does not take those words literally therefore they are not truly understanding the Bible in literal terms Is there any truth to this Does the Literalist strive to understand the literal meaning of the Bible and by doing so is he required to understand every word in its most literal sense The author sets out to show that within language while not all words phrases and verbiage are to be taken literally all meaning derived from those same words phrases and verbiage is to be taken literally It is the actual meaning that matters What s the difference Is the Literalist simply pulling the wool over everyone else s eyes in order to make the Bible say what they want it to say      **Fighting for My Destiny How I Learned to Pray to Get What I Need** Maurine McFarlane, 2020-08-27 This book is about my personal journey of rediscovering my faith and belief in God my willingness to let go of all my preconcieved ideas about God that was preventing me from fullfilling my destiny and my willingness to transform my mind to the mind of Christ      **Evangelical Bible Doctrine** Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come      **The Anti-Supernatural Bias of Ex-Christians** Fred Deruvo, 2009-05 A phenomenon is happening today at an alarming rate More and more people are boldly proclaiming that they are no longer Christians but ex Christians Many are now in fact atheists Can this be true If they are non Christians now were they truly Christians to begin with They will state without equivocation that they were in fact committed Christians but no longer What is the deal The author investigates this and other areas related to the biblical salvation even dedicating a number of chapters in which he reviews and critiques the book *Why I Became an Atheist* by John W Loftus The Christian turned atheist s line of thinking and resultant statements merely creates more questions questions that deserve to be answered Join Fred as he works his way through the conundrum of statements and questions posed by the ex Christian      [The Books of Jeremiah and Lamentations](#) Arnold G. Fruchtenbaum, 2023-08-15      *Satan's Strategy to Curse Christ's Congregation* Andy Woods, Keith A. Sherlin, 2010-10-01 Dr

Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem **The Complete**

Moore, 2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable

threads that tie together history's greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work *His Name Is Yeshua* Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo

*The Truth About Judaism & Judeo-Christianity* CROSSFIRE, 2017-01-05 In this book learn the difference between Judaism Judeo Christianity and Christianity Find out just what each is and how they compare to each other A lot of information packed into this one short book It is a treasure of information for those who seek and love truth *For Zion's Sake* Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology *The Charismatic Movement and Gifts of the Spirit Under a Microscope* Don Polson, 2017-03-02 There have been many books written on this topic but this book is sure to be different than any you have read before All who have read the manuscript said they gained new insights into these spiritualities The author takes a look at the modern charismatic movement from its start at Azusa Street and follows it to what it has grown into today His point is that to be a truth seeker you can't be afraid to take these issues head on He discusses the baptism in

the Holy Spirit a totally different view on gifts true biblical empowerment strength through weakness the Paul model and thirty three things we receive the instant we become Christians The last and hardest chapter to write was the topic of the modern day tongues movement Is it biblical Is there a real and a counterfeit and how can it be tested based on the Bible

**The Great Disappearance** Dr. David Jeremiah, 2023-10-03 An Instant Wall Street Journal USA Today and Publishers Weekly Bestseller The rapture is the central event in biblical prophecy But what does it mean for us today How can this crucial end times event draw us nearer to God in a world that is seemingly on the brink of chaos Political turmoil economic uncertainty an ideological divide that feels increasingly impassable the signs of the times point us toward the end and that can be disconcerting But the greatest truth about the rapture is not its timing but its reality for blessed are all who long for His appearing The Great Disappearance is a culmination of decades of Dr Jeremiah studying end times throughout the Bible In this definitive volume he will explain the meaning of the word rapture the difference between the rapture and the second coming and the joy of expecting our Savior to come at any given moment Dr Jeremiah will also explore key questions such as Who will be raptured When will it happen What will happen to those left behind What will believers experience when they are taken away to heaven Will non believers still have time to repent and be saved Dr Jeremiah seeks to answer all of those questions and many more not with sensationalism or stories ripped from the headlines but with solid biblical truth Because God has laid out His plan for us in His Word so that we might not be caught unaware We may not know the exact date that the rapture will happen but we do know it will happen Are you ready for it Interested in learning more Don t miss out on The Great Disappearance Study Guide and be sure to check out other books by Dr David Jeremiah The Book of Signs Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture The Great Disappearance Study Guide

**From Now Until Then** Dr. Billy Lindsey, 2016-03-14 This book is definitely a book on prophecy It starts with the church age and ends with an understanding of the millennium It is not intended to be an in depth study of any of the topics covered However the writer believes the reader will come away with his appetite for more in depth study of many of the topics topics that are not often dealt with to the satisfaction of the reader Topics such as the resurrected body dress transformation of the saints seven years in heaven I cant wait the throne worship and fellowship The chapter on the seventy five days is so exciting Have you ever thought about ruling and reigning with King Jesus There are some things that have to happen between now and the Rapture Perhaps both the Psalm 83 and Ezekiel 38 and 39 wars will take place It is so interesting to try to place these wars with all thats taking place in the world today Then there is the millennium when the saints will rule and reign with King Jesus for one thousand years Hallelujah I cant wait

*A Book of Evidence* Nancy L. Kuehl, 2013-03-08 Jesus was a Jew living in a Jewish culture and under Jewish laws laws that governed the people of Israel at a time of conflict with their Roman overlords A Book of Evidence takes into consideration the history of first century Jerusalem and is a unique presentation of the passion event written from a Jewish legal standpoint Find out why and how

Jesus came to trial how the politics of the age and a corrupt government played a role in bringing him to death An examination of the numerous crimes of which Jesus was accused results in a reasonable explanation of the real blasphemy that caused him to be executed and an investigation into crucifixion as it was known during first century Jewish law Was the Jewish trial legal Was it a trial at all Was there a Roman trial or a simple hearing Where was the real execution site and burial tomb All these questions are answered in this gripping book Follow step by step along the path of Jesus during the Passover from the Garden of Gethsemane through the trials to the brutality of the execution and on to the garden tomb at Bethphage from which he was resurrected From Creation to Chaos! , **The Kingdom of God** Austin R.

Dayal,2018-11-20 After proclaiming that God s Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship between the Kingdom of God and his death Jesus said flesh and blood can t inherit the Kingdom of God but only those who are born of the Sprit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter s bold preaching of the gospel was in fact more than that It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God s Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn t left their own families and possession to join the new community of God s people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the

important aspect the Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God s Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God s redeemed people who follow the principles of his Kingdom This is the true life and witness of the church

*The New Covenant Prophecy* Grant Berry, 2012-10-16 Absorbing the Old with the New The time is coming declares the L rd when I will make a New Covenant with the house of Israel I will put my laws in their minds and write it on their hearts Jeremiah 31 31 33 The New Covenant Prophecy tells the very personal real life story of a Jewish believer who believes that Yeshua Jesus is the Jewish Messiah His fascinating background includes being born in London into a wealthy Jewish family parental divorce anti Semitism and a supernatural spiritual experience when a Voice told him that he was loved and would be used to minister to God s people Jews Messianic Jews Christians and nonbelievers alike will be enthralled with the intriguing details of his life in England and the United States not only what was going on spiritually but also his keen mind for business building and entrepreneurship Written from a Messianic perspective the author shares his spiritual discoveries in sensitive yet exciting ways that reveal the Good News of Yeshua so Jewish people can better understand the New Covenant and Gentile believers can better understand the Church s reconnection to Israel in the last days
