contain tabulated information about these doctors information about the early schools medical institutions and hospitals at the time This book is a resource guide on the early Malay doctors based on present research findings More research efforts need to be channelled to find the remaining 12 early Malay doctors Mahathir's Islam Sven Schottmann,2018-09-30

Mahathir Mohamad s legacy as Malaysia s longest serving prime minister 1981 2003 is deeply controversial His engagement with Islam the religion of just over half Malaysia s population has often been dismissed as partisan maneuvering Yet his willingness to countenance a more prominent place for Islam in government and society is what distinguished him from other modernist politicians and his instinct to set Malaysian politics against the backdrop of the wider Muslim world was politically astute Author Sven Schottmann argues that Mahathir s transformative effect on Malaysia can only be fully appreciated if we also take him seriously as one of the postcolonial Muslim world s most significant political thought leaders Schottmann sees Mahathir s representations of Islam as a relatively coherent discourse that can legitimately be described as Mahathir s Islam This discourse contains Mahathir s assessment of the economic political and sociocultural problems facing the contemporary Muslim world and the range of solutions and corrective measures that he proposed Muslims should adopt His ideas are fraught with flaws and contradictions On the one hand he emphasized the individualistic egalitarian pluralistic democratic and dynamic qualities of Islam On the other his government enacted legislation and acquiesced in the activities of religious bodies that curtailed religious freedoms of both Muslims and non Muslims His ideas contributed to Malaysia s worsening state of interethnic relations yet his insistence that every Muslim had the right to speak for Islam may have paradoxically prepared the ground for a future democratization of Malaysian politics Mahathir s Islam is based on rigorous analysis of Mahathir s speeches interviews and writings which the author is able to link to parallel processes elsewhere in the Muslim world Indonesia the Middle East Pakistan Turkey and diaspora communities in the West Mahathir s Islamic discourse Schottmann suggests must be read against the wider late twentieth century resurgence of religion in general and the post 1970s Islamic revival in particular Balanced in approach and engagingly written this book will be of interest to scholars and students of political science religious studies and others interested in Malaysia Southeast Asia or Mahathir himself LAW, POLITICS & SOCIETY: The Unravelling of Malaysia and Indonesia Potentiality Dr. Suyatno Ladiqi,Dr. Suparto Wijoyo, S.H., M.Hum.a,Aminuddin Mustaffa,DR. Prawitra Thalib, S.H.,M.H.,ACI Arb,2021-11-09 Penerbit Airlangga University Press ISBN 9786024737740 This book is the fourth compilation as a regular joint publishing effort since 2017 between Sultan Zainal Abidin University UniSZA Terengganu Malaysia and Airlangga University UNAIR Surabaya Indonesia Filled by lecturers and students this book is expected to strengthen the relationship between the two universities and further strengthen the Malaysia Indonesia relationship Biography of the Early Malay Doctors 1900-1957 Malaya and Singapore Faridah Abdul Rashid,2012-11-21 I really applaud your efforts It s really difficult to do a book like that WAZIRThanks again for your immense work my family and I are indeed extremely grateful AZLANYour effort in writing about the early Muslim doctors is

very commendable and would be good for present and future generations to read about TAHIR You are doing valuable work by filling in the gaps in our history I wish more of our retirees would impart their memories to repositories of knowledge such as the USM TAWFIK
