The Riddle of Dmitri Sergei O. Prokofieff, 2022-09-26 In a private conversation on his deathbed Rudolf Steiner informed his friend Count Polzer Hoditz of three spiritual problems that would need to be resolved in the coming years Firstly the question of the two Johns John the Baptist and John the Evangelist Secondly Who was Dmitri Thirdly Where did Caspar Hauser come from Tackling these issues said Steiner would be of critical importance for humanity's future He added In all three problems it is important that one's gaze is directed not towards death but towards birth Where did they come from and with what tasks In Dmitri's case Steiner emphasized that the most important thing was to discover what was to have been achieved through him Utilizing the significant clues left by Rudolf Steiner Sergei O. Prokofieff takes on the second of these tasks the great unsolved mystery of Russian history Tsarevich Dmitri the son of Tsar Ivan the Terrible was tragically murdered as a young boy Later he was impersonated by a series of rogues and pretenders Prokofieff's wide-ranging study integrates historical psychological and spiritual scientific perspectives to work towards the truth behind Dmitri's brief life his mission and the distortions created by the false Dmitris He also examines the significance of Friedrich Schiller's unfinished play *Demetrius*
