Desert Christians An Introduction To The Literature Of Early Monasticism:

Desert Christians William Harmless, 2004-06-17 In the fourth century the deserts of Egypt became the nerve center of a radical new movement what we now call monasticism Groups of Christians from illiterate peasants to learned intellectuals moved out to the wastelands beyond the Nile Valley and in the famous words of Saint Athanasius made the desert a city In so doing they captured the imagination of the ancient world They forged techniques of prayer and asceticism of discipleship and spiritual direction that have remained central to Christianity ever since Seeking to map the soul's long journey to God and plot out the subtle vagaries of the human heart they created and inspired texts that became classics of Western spirituality These Desert Christians were also brilliant storytellers some of Christianity's finest This book introduces the literature of early monasticism It examines all the best known works including Athanasius Life of Antony the Lives of Pachomius and the so called Sayings of the Desert Fathers Later chapters focus on two pioneers of monastic theology Evagrius Ponticus the first great theoretician of Christian mysticism and John Cassian who brought Egyptian monasticism to the Latin West Along the way readers are introduced to path breaking discoveries to new texts and recent archeological finds that have revolutionized contemporary scholarship on monastic origins Included are fascinating snippets from papyri and from little known Coptic Syriac and Ethiopic texts Interspersed in each chapter are illustrations maps and diagrams that help readers sort through the key texts and the richly textured world of early monasticism Geared to a wide audience and written in clear jargon free prose *Desert Christians* offers the most comprehensive and accessible introduction to early monasticism

Early Christian Monastic Literature and the Babylonian Talmud Michal Bar-Asher Siegal, 2013-12-23 This book examines literary analogies in Christian and Jewish sources culminating in an in depth analysis of connections between Christian monastic texts and Babylonian Talmudic traditions

The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski, 2020-09-30 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where

there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely

Medieval Monasticism C.H. Lawrence, Janet Burton, 2023-09-28 Medieval Monasticism traces the Western Monastic tradition from its fourth century origins in the deserts of Egypt and Syria through the many and varied forms of religious life it assumed during the Middle Ages It explores the relationship between monasteries and the secular world around them For a thousand years the great monastic houses and religious orders were a prominent feature of the social landscape of the West and their leaders figured as much in the political as on the spiritual map of the medieval world In this book many of them together with their supporters and critics are presented to us and speak their minds to us We are shown for instance the controversy between the Benedictines and the reformed monasticism of the twelfth century and the problems that confronted women in religious life A detailed glossary offers readers a helpful vocabulary of the subject This fifth edition has been revised by Janet Burton to include an updated bibliography and an introduction which discusses recent trends in monastic studies including reinterpretations of issues of reform and renewal new scholarship on religious women and interdisciplinary and multidisciplinary approaches This book is essential reading for both students and scholars of the medieval world

Selected Essays, Volume I Andrew Louth, 2023 These two volumes contain selected essays written over forty years by Andrew Louth a major scholar in the fields of Theology and Patristics early Christian thought The essays in the first volume concern key figures and themes in early Christian theology especially Maximus the Confessor and John of Damascus

The Monastic World Andrew Jotischky, 2025-01-14 A major new history of medieval monasticism from the fourth to the sixteenth century From the late Roman Empire onwards monasteries and convents were a common sight throughout Europe But who were monasteries for What kind of people founded and maintained them And how did monasticism change over the thousand years or so of the Middle Ages Andrew Jotischky traces the history of monastic life from its origins in the fourth century to the sixteenth He shows how religious houses sheltered the poor and elderly cared for the sick and educated the young They were centres of intellectual life that owned property and exercised power but also gave rise to new developments in theology music and art This book brings together the Orthodox and western stories as well as the experiences of women to show the full picture of medieval monasticism for the first time It is a fascinating wide ranging account that broadens our understanding of life in holy orders as never before

The Cambridge History of Medieval Monasticism in the Latin West Alison I. Beach, Isabelle Cochelin, 2020-01-09 Monasticism in all of its variations was a feature of almost every landscape in the medieval West So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds While there is enormous interest in medieval monasticism among Anglophone scholars language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe The Cambridge History of Medieval Monasticism in the Latin West offers a

comprehensive treatment of medieval monasticism from Late Antiquity to the end of the Middle Ages The essays specially commissioned for this volume and written by an international team of scholars with contributors from Australia Belgium Canada England France Germany Italy the Netherlands Spain Switzerland and the United States cover a range of topics and themes and represent the most up to date discoveries on this topic *The Encyclopedia of Christian Literature* George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles

Clothes and Monasticism in Ancient Christian Egypt Ingvald Sælid Gilhus,2021-03-08 This book is an exploration of the ideals and values of the ascetic and monastic life as expressed through clothes Clothes are often seen as an extension of us as humans a determinant of who we are and how we experience and interact with the world In this way they can play a significant role in the embodied and material aspects of religious practice The focus of this book is on clothing and garments among ancient monastics and ascetics in Egypt but with a broader outlook to the general meaning and function of clothes in religion The garments of the Egyptian ascetics and monastics are important because they belong to a period of transition in the history of Christianity and very much represent this way of living This study combines a cognitive perspective on clothes with an attempt to grasp the embodied experiences of being clothed as well as viewing clothes as potential actors Using sources such as travelogues biographies letters contracts images and garments from monastic burials the role of clothes is brought into conversation with material religion more generally This unique study builds links between ancient and contemporary uses of religious clothing It will therefore be of interest to any scholar of religious studies religious history religion in antiquity and material religion

Religious Diversity in Late Antiquity David Morton Gwynn, Susanne Bangert, 2010 This volume in the ongoing Late Antique Archaeology series draws on material and textual evidence to explore the diverse religious world of Late Antiquity Subjects include Jews and Samaritans orthodoxy and heresy pilgrimage stylites magic the sacred and the secular A Brief History of Spirituality Philip Sheldrake, 2009-02-09 A Brief History of Spirituality tells the story of Christian spirituality from its origins in the New Testament to the present day Charts the main figures ideas images and historical periods showing how and why spirituality has changed and developed over the centuries Draws out the distinctive themes of Christian spirituality exploring the historical and cultural events and experiences that changed people's attitudes and practices Coverage extends right up to the modern day exploring the huge changes in spirituality in recent years and the way it is nowadays often contrasted with religion Written by a leading commentator on spirituality and published in the popular Brief Histories of Religion series The Library of Paradise David Allen Michelson, 2023-01-13 Contemplative reading is a spiritual practice developed by Christian monks in sixth and seventh century Mesopotamia The Library of Paradise tells the story of this Syriac tradition in three phases its establishment as an ascetic practice the articulation of its theology and its maturation and spread **Exploring the Future of Christian Monasticisms** Greg Peters, 2020-01-15 The institution of monasticism in the Christian Church is in general decline at least in so called first world nations Though there are many reasons for this monastic leaders are confronted by the reality of fewer communities monks and nuns nonetheless At the same time many younger Christians are rediscovering the rich heritage of the monastic tradition Though they themselves might not be called to join a traditional monastery they are eager to appropriate monastic practices in their own lives This had led to a movement known as the new monasticism or secular monasticism Despite lacking a unified vision and any central organization these new secular monastics are attempting in their own ways to carry on the tradition and practices of Christian monasticism As well there is a movement within historical Christian monasteries to pour new wine into old wineskins Traditional forms of monasticism are also generally flourishing in developing nations breathing new life into monasticism This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future leading not only to a renewed Christian monasticism but to new monasticisms *Thought, Culture, and Historiography in Christian Egypt, 284-641 AD* Tarek M. Muhammad, Cornelia Römer, 2021-03-01 This book contains 15 papers which were presented by specialists from Europe and Egypt at two conferences held at Ain Shams University Egypt in 2014 and 2015 Eight of the articles deal with the history of Late Antique Egypt in its manifold aspects from monasticism and Coptic manuscripts to the organization of the Arab conquest The other seven contributions provide new writings from that historical period published here for the first time or give new readings of texts earlier known as inscriptions papyri and ostraca and offer a close up look at the historical setting outlined in the first part of this book The Rowman & Littlefield Handbook of Christianity in the Middle East Mitri Raheb, Mark A. Lamport, 2020-12-15 This work represents the current and most relevant

content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region A Monastic Anabaptist Manifesto Jerry Truex, Mennonite Church of the Servant (Wichita, Kan.), 2011

Theology and the Star Wars Universe Benjamin D. Espinoza, 2022-07-11 Scholars have been arguing for years that Star Wars is more than light sabers Wookies Millennium Falcons and troubling familial relationships Star Wars is an exciting space fantasy that we can explore from multiple academic perspectives such as philosophy and psychology This volume adds to that conversation by asking what would it look like if we analyzed the Star Wars universe theologically In Theology and the Star Wars Universe contributors from various theological traditions take on this task by exploring the nature of the Force the spiritual role of the Jedi nonviolent and liberationist readings of the Franchise and the enduring power of hope Written for the restless curious academic but accessible to diehard fans Theology and the Star Wars Universe is an exciting foray into the study of theology and popular culture A Hermit's Cookbook Andrew Jotischky, 2011-06-02 How did medieval hermits survive on their self denying diet What did they eat and how did unethical monks get around the rules The Egyptian hermit Onuphrios was said to have lived entirely on dates and perhaps the most famous of all hermits John the Baptist on locusts and wild honey Was it really possible to sustain life on so little food The history of monasticism is defined by the fierce and passionate abandonment of the ordinary comforts of life the most striking being food and drink A Hermit's Cookbook opens with stories and pen portraits of the Desert Fathers of early Christianity and their followers who were ascetic solitaries hermits and pillar dwellers It proceeds to explore how the ideals of the desert fathers were revived in both the Byzantine and western traditions looking at the cultivation of food in monasteries eating and cooking and why hunting animals was rejected by any self respecting hermit Full of rich anecdotes and including recipes for basic monk's stew and bread soup and many others this is a fascinating story of hermits monks food and fasting in the Middle Ages *The Origins of the Christian Mystical Tradition* Andrew Louth, 2007-01-25 Andrew Louth traces the Christian mystic tradition from Plato through figures such as Origen Gregory of Nyssa and Augustine and explores the diverse and conflicting influences to be found in Christian spirituality
