

DEPRESSION IN THE CHURCH

The background of the entire cover is a blue-tinted photograph of a church. The church has a prominent pediment and a central entrance with a small set of steps. A person is sitting on these steps, their head resting on their hands in a gesture of despair or exhaustion. The overall mood is somber and contemplative.

Doug Murren, 2010-06-15 Why should churches heal Does your church touch the lives of broken people and bring healing to their hearts How does a church become that healing force that glorifies God and impacts whole communities In a desperately hurting world full of toxic relationships crippled values and mutilated morality lives are crying out for real healing not drug induced solutions not psychobabble Band Aids but authentic answers that heal the heart soul mind and strength Doug Murren in this insightful inspiring and instructive book reveals why and how you can become a healing force in your neighborhood community and the world [The Nation's Vice. Barnes Grindrod, 1884 **Is Faith Delusion?** Andrew Sims, 2009-05-09 How in a scientifically and technologically advanced age can people still believe in God Andrew Sims examines both the connection and the division between Christian faith and psychiatry [Religious and Spiritual Issues in Psychiatric Diagnosis](#) John R. Anthony Kelley, 2017-09-25 *What the Spirit is Saying to the Church* is an apocalyptic view from the letters to the seven churches in the book of Revelation that begins its message to the church admonishing her to return to her first love which she has abandoned. The author contends that this first love requirement demands a redirection of priorities for the Twenty First Century Church in the Black Experience. It demonstrates how for the love of Christ she must move beyond a limited vision of just a good looking church and satisfaction with old definitions. Christ gives a rebuke to the church and a direct warning that if she does not repent and return to her first love he will then remove her lampstand. Reverend Kelley's preaching is spiritually sound and intellectually stimulating and challenging and also socially relevant. He deeply believes in what I would call a well rounded ministry. That is to say that ministry for him involves not only mastering the preached Word but also taking seriously and fulfilling the roles of pastor, priest and prophet. REV DR LEWIS V BALDWIN PHD RETIRED PROFESSOR OF RELIGIOUS STUDIES VANDERBILT UNIVERSITY. Reverend Kelley is a preacher of the Word. His ability to prepare and deliver biblically sound, inspirational and spirit filled sermons is a gift that allows those who hear him to participate in the story of salvation at personal and social levels. He is not a closed lip babbler who preaches to itching ears; rather he speaks with power and authority under the watchcare of an humble spirit and a disciplined mind. REV DR WALTER EARL FLUKER PHD MARTIN LUTHER KING JR PROFESSOR OF ETHICAL LEADERSHIP AND DIRECTOR OF THE HOWARD THURMAN INSTITUTE BOSTON UNIVERSITY SCHOOL OF THEOLOGY

The Sermon on the Mount, the Twelve Steps, and the Royal Road Daniel Hazelwood, 2018-04-13 In *The Sermon on the Mount, the Twelve Steps, and the Royal Road* Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate. In preparation for this journey into studying the sermon, he takes the reader on a historical church odyssey and highlights significant philosophical, church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ. He also demonstrates why early Christians viewed Christ differently. By providing this background, he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience. Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor. This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seeker's walk.
