

Derrida And Religion Derrida And Religion

Jacques Derrida, Gianni Vattimo

Derrida And Religion Derrida And Religion:

Acts of Religion Jacques Derrida, 2013-02-01 Acts of Religion compiled in close association with Jacques Derrida brings together for the first time a number of Derrida's writings on religion and questions of faith and their relation to philosophy and political culture. The essays discuss religious texts from Jewish, Christian, and Muslim traditions as well as religious thinkers such as Kant, Levinas, and Gershom Scholem, and comprise pieces spanning Derrida's career. The collection includes two new essays by Derrida that appear here for the first time in any language as well as a substantial introduction by Gil Anidjar that explores Derrida's return to his own religious origins and his attempts to bring to light hidden religious dimensions of the social, cultural, historical, and political.

Derrida and Religion Yvonne Sherwood, Kevin Hart, 2004-09-30 Derrida and Religion: Other Testaments represents the most comprehensive attempt to date to explore, adapt, and test Derrida's contributions and influence on the study of theology, biblical studies, and the philosophy of religion. With over twenty original essays from highly respected scholars such as John Caputo, Daniel Boyarin, Edith Wyschogrod, Tim Beal, and Gil Anidjar, Derrida and Religion will quickly become the locus classicus for those interested in the increasingly vibrant work on religion and deconstruction and postmodernism.

The Prayers and Tears of Jacques Derrida John D. Caputo, 1997-09-22 Caputo's book is riveting. A singular achievement of stylistic brio and impeccable scholarship, it breaks new ground in making a powerful case for treating Derrida as homo religiosus. There can be no mistaking the importance of Caputo's work. Edith Wyschogrod: No one interested in Derrida, in Caputo, or in the larger question of postmodernism and religion can afford to ignore this pathbreaking study. Taking full advantage of the most recent and least discussed writings of Derrida, it offers a careful and comprehensive account of the religious dimension of Derrida's thought.

Merold Westphal The Trace of God Edward Baring, Peter E. Gordon, 2014-11-05 Derrida's writings on the question of religion have played a crucial role in the transformation of scholarly debate across the globe. The Trace of God provides a compact introduction to this debate. It considers Derrida's fraught relationship to Judaism and his Jewish identity, broaches the question of Derrida's relation to the Western Christian tradition, and examines both the points of contact and the silences in Derrida's treatment of Islam.

Derrida on Religion Dawne McCance, 2014-12-05 Jacques Derrida is widely regarded as one of the most influential thinkers of the twentieth century. His thinking has radically transformed scholarship and critical practice across the Humanities and Social Sciences. Derrida on Religion offers students an overview of Derrida's many influential writings on religion and also explores the potential of Derrida's methodologies for the study of religion. This is an essential textbook for any student who wants to explore the impact of Derrida's critical theory and practice on the study of religion.

The Trace of God Edward Baring, Peter Eli Gordon, 2015 The question of religion was a major preoccupation for Jacques Derrida, especially in later life. The Trace of God provides a compact introduction to this debate, bringing together contributions by some of the best-known voices in the field as well as work by younger scholars. It considers Derrida's fraught relationship to

Judaism and his Jewish identity it broaches the question of Derrida's relation to the Western Christian tradition and it examines both the points of contact and the silences in Derrida's treatment of Islam *Derrida's Bible* Y. Sherwood, E. Castelli, 2016-09-27 In the last few years Derrida has gained a great deal of attention from scholars of biblical studies and theology The contributors to *Derrida's Bible* explore the relationships between Derrida's theory and religious studies Unlike other books on Derrida this collection is primarily focused on biblical studies where others are concerned with Derrida and religion in general

Miracle and Machine Michael Naas, 2012 *Miracle and Machine* is a sort of reader's guide to Jacques Derrida's 1994-95 essay *Faith and Knowledge* his most important work on the nature of religion in general and on the unprecedented forms it is taking today through science and the media It provides essential background for understanding Derrida's essay commentary on its unique style and its central figures e.g. Kant Hegel Bergson and Heidegger and assessment of its principal philosophical claims about the fundamental duplicity of religion and the ineluctably autoimmune relationship among religion science and the media Along the way it offers in depth analysis of Derrida's treatment of everything from the nature of religious revelation faith prayer sacrifice testimony messianicity fundamentalism and secularism to the way religion is today being transformed by globalization technoscience and worldwide telecommunications networks But *Miracle and Machine* is much more than a commentary on a single Derrida text Through references to scores of other works by Derrida both early and late it also provides a unique introduction to Derrida's work in general It demonstrates that one of the very best ways to understand the terms themes claims strategies and motivations of Derridean deconstruction from the early 1960s through 2004 is to read critically and patiently in its spirit and in its letter an exemplary text such as *Faith and Knowledge* Finally *Miracle and Machine* attempts to put Derrida's ideas about religion to the test by reading alongside *Faith and Knowledge* an already classic work of American fiction that is more or less contemporaneous with it Don DeLillo's 1997 *Underworld* a novel that explores the same relationship between faith and knowledge religion and science religious revelation and the World Wide Web messianicity and weapons of mass destruction in a word in two words miracles and machines

Margins of Religion John Llewelyn, 2008-12-17 Pursuing Jacques Derrida's reflections on the possibility of religion without religion John Llewelyn makes room for a sense of the religious that does not depend on the religions or traditional notions of God or gods Beginning with Derrida's statement that it was Kierkegaard to whom he remained most faithful Llewelyn reads Kant Hegel Nietzsche Feuerbach Heidegger Sartre Levinas Deleuze Marion as well as Kierkegaard and Derrida in original and compelling ways Llewelyn puts religiousness in vital touch with the struggles of the human condition finding religious space in the margins between the secular and the religions transcendence and immanence faith and knowledge affirmation and despair lucidity and madness This provocative and philosophically rich account shows why and where the religious matters

The Gift of Death, Second Edition & Literature in Secret Jacques Derrida, 2017-08-25 An important contribution to the critical study of ethics for those made curious by the controversy that

attends Derrida Booklist on the first edition *The Gift of Death* Jacques Derrida's most sustained consideration of religion explores questions first introduced in his book *Given Time* about the limits of the rational and responsible that one reaches in granting or accepting death whether by sacrifice murder execution or suicide Derrida analyzes Czech philosopher Jan Patočka's *Heretical Essays in the Philosophy of History* and develops and compares his ideas to the works of Heidegger Levinas and Kierkegaard One of Derrida's major works *The Gift of Death* resonates with much of his earlier writing and this highly anticipated second edition is greatly enhanced by David Wills's updated translation This new edition also features the first ever English translation of Derrida's *Literature in Secret* In it Derrida continues his discussion of the sacrifice of Isaac which leads to bracing meditations on secrecy forgiveness literature and democracy He also offers a reading of Kafka's *Letter to His Father* and uses the story of the flood in Genesis as an embarkation point for a consideration of divine sovereignty

Kantian Transpositions Eddis N. Miller, 2014-08-31 *Kantian Transpositions* presents an important new reading of Jacques Derrida's writings on religion and ethics Eddis Miller argues that Derrida's late texts on religion constitute an interrogation of the meaning and possibility of a philosophy of religion It is the first book to fully engage Derrida's claim in *Faith and Knowledge: The Two Sources of Religion at the Limits of Reason Alone* to be transposing the Kantian gesture of thinking religion within the limits of reason alone Miller outlines the terms of this transposition and reads Derrida's work as an attempt to enact such a transposition Along the way he stakes out new ground in the debate over deconstruction and ethics showing against recent interpretations of Derrida's work that there is an ethical moment in Derrida's writings that cannot be understood properly without accounting for the decisive role played by Kant's ethics The result is the most sustained demonstration yet offered of Kant's indispensable contribution to Derrida's thought

Religion Jacques Derrida, Gianni Vattimo, 1998 In this remarkable volume Jacques Derrida and Gianni Vattimo bring together some of the most significant philosophers of our time to address the nature of religion More than a century has passed since Nietzsche provocatively proclaimed God is dead does this phrase adequately capture the sentiment of our time What sense should we make of the religious revival and the return to the sacred which seems evident in the new vitality of churches sects and religious beliefs in many parts of the world today The contributors to this volume which appears in English for the first time address a wide range of questions about the meaning status and prospects of religion What is the significance of religion and how does it touch upon our lives and our thinking Where do the boundaries lie between the essential traits of religion and those of ethics and justice Is there a truth to religion and what part has religion played in the historical development of our sense of truth The contributors to this volume are Jacques Derrida Maurizio Ferraris Hans Georg Gadamer Aldo Gargani Eugenio Trias Gianni Vattimo and Vincenzo Vitiello This volume is a valuable contribution to contemporary thought on religion and will be essential reading for students and scholars of philosophy theology and the sociology of religion

Deconstruction in a Nutshell Jacques Derrida, 2020-11-03 This volume now with a substantial new

Introduction represents one of the most lucid compact and reliable introductions to Derrida and deconstruction available in any language Responding to questions put to him at a roundtable held at Villanova University in 1994 Jacques Derrida leads the reader through an illuminating discussion of the central themes of deconstruction Speaking in English and extemporaneously Derrida takes up with unusual clarity and great eloquence such topics as the task of philosophy the Greeks justice responsibility the gift community and the messianic Derrida refutes the charges of relativism that are often leveled at deconstruction by its critics and sets forth the profoundly affirmative and ethico political thrust of his work The roundtable is marked by an unusual clarity that continues into the second part of the book in which one of Derrida s most influential readers John D Caputo elaborates upon Derrida s comments and supplies material for further discussion This edition also includes a substantial new Introduction by Caputo that discusses the original context of the book and traces the development of deconstruction since Derrida s death in 2004 from the rise of new materialisms to return to religion Long one of the most lucid and reliable introductions to Derrida and deconstruction available in any language and an ideal volume for students *Deconstruction in a Nutshell* will also prove illuminating for those already familiar with Derrida s work *Derrida and Theology* Steven Shakespeare, 2009-08-25 *Derrida and Theology* is an invaluable guide for those ready to ride the leading wave of contemporary theology It gives theologians the confidence to explore the major elements of Derrida s work and its influence on theology without dumbing it down or ignoring its controversial aspects *Derrida and Negative Theology* Jacques Derrida, 1992-08-25 This book explores the thought of Jacques Derrida as it relates to the tradition of apophatic thought negative theology and philosophy in both Western and Eastern traditions Following the Introduction by Toby Foshay two of Derrida s essays on negative theology *Of an Apocalyptic Tone Newly Adopted in Philosophy* and *How to Avoid Speaking Denials* are reprinted here These are followed by essays from a Western perspective by Mark C Taylor and Michel Despland and essays from an Eastern perspective by David Loy a Buddhist and Harold Coward a Hindu In the Conclusion Jacques Derrida responds to these discussions **Questioning God** John D. Caputo, Mark Dooley, Michael J. Scanlon, 2001 In 15 insightful essays Jacques Derrida and an international group of scholars of religion explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift Among the themes addressed by contributors are the possibilities of imagining God as unthinkable imagining God as non patriarchal imagining a return to Augustine and imagining an age in which praise is far more important than narrative *Questioning God* moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context Contributors include John D Caputo Jacques Derrida Mark Dooley Francis Sch ssler Fiorenza Robert Gibbs Jean Greisch Kevin Hart Richard Kearney Cleo McNelly Kearns John Milbank Regina M Schwartz Michael J Scanlon and Graham Ward Indiana Series in the Philosophy of Religion Merold Westphal general editor **Islam and the West** Mustapha Chérif, 2009-05-15 In the spring of 2003 Jacques Derrida sat down for a public debate in Paris with Algerian

intellectual Mustapha Chérif The eminent philosopher arrived at the event directly from the hospital where he had just been diagnosed with pancreatic cancer the illness that would take his life just over a year later That he still participated in the exchange testifies to the magnitude of the subject at hand the increasingly distressed relationship between Islam and the West and the questions of freedom justice and democracy that surround it As Chérif relates in this account of their dialogue the topic of Islam held special resonance for Derrida perhaps it is to be expected that near the end of his life his thoughts would return to Algeria the country where he was born in 1930 Indeed these roots served as the impetus for their conversation which first centers on the ways in which Derrida's Algerian Jewish identity has shaped his thinking From there the two men move to broader questions of secularism and democracy to politics and religion and how the former manipulates the latter and to the parallels between xenophobia in the West and fanaticism among Islamists Ultimately the discussion is an attempt to tear down the notion that Islam and the West are two civilizations locked in a bitter struggle for supremacy and to reconsider them as the two shores of the Mediterranean two halves of the same geographical religious and cultural sphere Islam and the West is a crucial opportunity to further our understanding of Derrida's views on the key political and religious divisions of our time and an often moving testament to the power of friendship and solidarity to surmount them

Radical Atheism Martin Hägglund, 2008 Radical Atheism challenges the religious appropriation of Derrida's work and offers a compelling new account of his thinking on time and space life and death good and evil self and other

Religion and Violence Hent de Vries, 2003-05-01 Chosen as an Outstanding Academic Title for 2003 by Choice Magazine Originally published in 2002 Does violence inevitably shadow our ethico political engagements and decisions including our understandings of identity whether collective or individual Questions that touch upon ethics and politics can greatly benefit from being rephrased in terms borrowed from the arsenal of religious and theological figures because the association of such figures with a certain violence keeps moralism whether in the form of fideism or humanism at bay Religion and Violence Philosophical Perspectives from Kant to Derrida's careful posing of such questions and rearticulations pioneers new modalities for systematic engagement with religion and philosophy alike

The Gift of Death Jacques Derrida, 1996-06 In The Gift of Death Jacques Derrida's most sustained consideration of religion to date he continues to explore questions introduced in *Given Time* about the limits of the rational and responsible that one reaches in granting or accepting death whether by sacrifice murder execution or suicide Derrida analyzes Patocka's Heretical Essays on the History of Philosophy and develops and compares his ideas to the works of Heidegger Levinas and Kierkegaard A major work The Gift of Death resonates with much of Derrida's earlier writing and will be of interest to scholars in anthropology philosophy and literary criticism along with scholars of ethics and religion The Gift of Death is Derrida's long awaited deconstruction of the foundations of the project of a philosophical ethics and it will long be regarded as one of the most significant of his many writings Choice An important contribution to the critical study of ethics that commends itself to philosophers social scientists

scholars of religion and those made curious by the controversy that so often attends Derrida Booklist Derrida stares death in the face in this dense but rewarding inquiry Provocative Publishers Weekly

Derrida And Religion Derrida And Religion Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Derrida And Religion Derrida And Religion free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Derrida And Religion Derrida And Religion free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Derrida And Religion Derrida And Religion free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Derrida And Religion Derrida And Religion. In conclusion, the internet offers numerous platforms and websites that allow users to download free

PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Derrida And Religion Derrida And Religion any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Derrida And Religion Derrida And Religion Books

1. Where can I buy Derrida And Religion Derrida And Religion books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
