**Thamyris 6.1** Nanny M. W. de Vries, Jan Best, Another India Pratinav Anil, 2023-11-27 Another India tells the story of the world's biggest religious minority through vivid biographical portraits that weave together the stories of both elite and subaltern Muslims. By challenging traditional histories and highlighting the neglect of minority rights since Independence, Pratinav Anil argues that Muslims since 1947 have had to contend with discrimination, disadvantage, deindustrialization, dispossession and disenfranchisement as well as an unresponsive leadership. He explores the rise and fall of the Indian Muslim elite and the birth of the nationalist Muslim and emphasizes the importance of class in understanding the dynamics of Indian politics. Anil also sheds light on the vested custodial interests and the depoliticization of the privileged classes all of which resulted in the elite betrayal by the landed gentry of the ordinary members of the community, a betrayal whose consequences are still felt by India's 200 million Muslims today. Another India ultimately recovers Muslim agency from the back pages of history and offers a different picture of democratic India, challenging received accounts of the world's largest democracy.

The Promise of Piety Arsalan Khan, 2024-02-15 In The Promise of Piety Arsalan Khan examines the zealous commitment to a distinct form of face-to-face preaching, dawat, among Pakistani Tablighi practitioners of the transnational Islamic piety movement, the Tablighi Jamaat. This group says that Muslims have abandoned their religious duties for worldly pursuits, creating a state of moral chaos apparent in the breakdown of relationships in the family, nation, and global Islamic community. Tablighis insist that this dire situation can only be remedied by drawing Muslims back to Islam through dawat, which they regard as the sacred means for spreading Islamic virtue. In a country founded in the name of Muslim identity and where Islam is ubiquitous in public life, the Tablighi claim that Pakistani Muslims have abandoned Islam is particularly striking. The Promise of Piety shows how Tablighis constitute a distinct form of pious relationality in the ritual processes and everyday practices of dawat and how pious relationality serves as a basis for transforming domestic and public life. Khan explores both the promise and limits of the Tablighi project of creating an Islamic moral order that can transcend the political fragmentation and violence of life in postcolonial Pakistan.
