Nelson,2000-02-01 Dawn Dusk and Deer is about memories Fond memories It is my belief that one of the principal things gained from deer hunting is the host of great memories that one can visit at will year after year All one has to

do to get into a very enjoyable conversation is find another deer hunter to share memories with True deer hunters not only love to hunt deer but they also love to tell about and hear others tell about hunting deer Deer hunting is patriotic sport The Native Americans were here and hunting deer when Europeans arrived The settlers then hunted deer until they were almost extinct in many parts of America With conservation they have recovered in population And many Americans still practice the sport of their ancestors I do And I like to hear the stories of other hunters and to tell the stories that came to me on my deer hunting trail The story recorded here is not so much about harvesting of deer for food but about the many experiences that come along on the deer trail Some good and some bad      Whitetail Savvy Leonard Lee Rue, 2013-09-03 Wildlife author and photographer of more than thirty books including *The Encyclopedia of Deer* *The Deer Hunter's Illustrated Dictionary* and *Whitetails* Leonard Lee Rue III provides the most comprehensive reference on whitetail deer ever published This book will appeal to anyone remotely interested in whitetails and other deer nature buffs deer lovers deer haters gardeners farmers photographers biologists mammalogists highway troopers and not least deer hunters who will find a wealth of material that will improve their understanding and appreciation of their quarry In spite of the manuscript's astounding thoroughness Rue keeps the text short and clear to allow room for hundreds of his extraordinary photos illustrating virtually every aspect of whitetail behavior physiology and more Outdoors author Neil Soderstrom has never encountered a manuscript as interesting and comprehensive on whitetails or any other species Most information in this book is entirely new This is a very good read its factual material gracefully presented and richly enlivened by Rue's personal observations and good humor Even if your bookshelf is already full of titles about whitetails this new addition has breaking research that is necessary for anyone interested in whitetail deer
