*Whiteness, Feminism and the Absurd in Contemporary British and US Poetry* Jenna Clake, 2025-02-28 In an era of political and social turmoil on both sides of the Atlantic where issues of gender race and class are linked with concerns of how to survive in a capitalist society a new aesthetic of Absurdist poetry has emerged This aesthetic has a troubled relationship to race pervaded by issues of representation in avant garde poetry and notions of who poetry writers and readers are Focusing on British and US poets including Rachael Allen Emily Berry Crispin Best Caroline Bird Franny Choi Jennifer L Knox Morgan Parker and Jane Yeh Jenna Clake investigates how poets use the Absurd to destabilise ideas about race gender and class and imagine social change Bringing together Whiteness studies socio political theory and close readings of poems Clake examines how the Absurd has developed how its poets understand privilege and offer prospects of hope and change and how the Absurd might move away from nihilism

*Nothingism* Jason Schneiderman, 2025-03-05 What is the internet doing to poetry Good question In *Nothingism* Jason Schneiderman grapples with the way that digital culture has begun to reshape America's poetry landscape examining this profound shift in the way that poetry is written read and taught He dives into the history of the poetic line and how previous media oral manuscript print have shaped our understanding of exactly what a poem is In considering the transformations of poetry in the digital age he finds that the transition from print to digital culture mirrors the earlier transition from manuscript to print culture In this collection the essays range from blistering manifesto to deep historical dives to gentle classroom guidance to considerations of the poems of James Merrill and Agha Shahid Ali moving between the theoretical and the practical *Nothingism* is both deeply personal and highly erudite providing an engaging and scholarly account of reading writing and teaching poetry as our world continues its unsupervised lurch toward digital culture

*The Poetry Reader* Mark Yakich, 2024-12-12 You have picked up this book because you are a poetry reader Or you are about to be one Because as soon as you read a poem that's what you are Filled with the profound the lyrical the consoling and the curious *The Poetry Reader* An Anthology is the book you would hope to find if you washed up alone on a deserted island this companionable collection shows how poetry itself is a discussion alive and flowing and how poems speak to with and sometimes over one another If you are a teacher this is the anthology you wish you had as a student a text that doesn't try to survey entire time periods or aesthetic areas but one that places side by side carefully selected poems that speak to each other over time as well as to today's readers Section header notes provide critical commentary framing the poems within their given topic Discussion and writing suggestions give interesting and actionable prompts Works as a standalone book or can easily be used alongside *Poetry A Survivor's Guide* 2nd ed Drawing on traditional poems and contemporary works this anthology offers globe spanning stylistically diverse poetry ranging from canonical poems by the likes of Sappho and Shakespeare to those of new voices such as Layli Long Soldier and Mukoma wa Ngugi As a compact eclectic and approachable collection based on specific aspects of poetry and poetic practices from

**You Are Here** Ada Limón,2025-04-08 Published in association with the Library of Congress and edited by the twenty fourth Poet Laureate of the United States a singular collection of poems reflecting on our relationship to the natural world by fifty of our most celebrated contemporary writers In recent years our poetic landscape has evolved in profound and exciting ways So has our planet Edited and introduced by the twenty fourth Poet Laureate of the United States Ada Limón this book challenges what we think we know about nature poetry illuminating the myriad ways our landscapes both literal and literary are changing You Are Here features fifty previously unpublished poems from some of the nation s most accomplished poets including Joy Harjo Diane Seuss Rigoberto Gonz lez Jericho Brown Aimee Nezhukumatathil Paul Tran and more Each poem engages with its author s local landscape be it the breathtaking variety of flora in a national park or a lone tree flowering persistently by a bus stop offering an intimate model of how we relate to the world around us and a beautifully diverse range of voices from across the United States Joyful and provocative wondrous and urgent this singular collection of poems offers a

lyrical reimagining of what nature and poetry are today inviting readers to experience both anew      **Crushing It** Jennifer L. Knox, 2020-10-20 The poems in Jennifer L. Knox's darkly imaginative collection *Crushing It* unearth epiphanies in an unbounded landscape of forms, voices, and subjects from history to true crime to epidemiology while exploring our tenuous connections and disconnections. From Merle Haggard lifting his head from a pile of cocaine to absurdist romps through an apocalypse where mushrooms learn to sing, this versatile collection is brimming with dark humor and bright surprise. Alongside Knox's distinctive surrealism, *Crushing It* also reveals autobiography in poems about love, family, and adult ADHD, and Knox's empathetic depictions of the ego's need to assert its precious singular I suggest that a self distinct from the hive, the herd, the flock is an illusion. With clear-eyed spirit, *Crushing It* swallows all the world and then some      **Days of Shame & Failure** Jennifer L. Knox, 2015 It's hard to resist using a game show announcer's voice when discussing Jennifer Knox's latest collection *Days of Shame Failure*. Knox knows how to draw human complexity out of absurdity and kitsch, and vice versa, without positioning herself above it. She is one of us, sharing our fear and wonder, and we feel this sense of community as if there were five million other viewers, a spin on Whitman's multitudes watching along with us to see how she makes it out of each lyrically harrowing poem. Is that camp? Is it satire? Who cares? Whatever it is, as one poem reports, it gives me a real, really felt feeling, and that's what I'm a sucker for every time. Gregory Pardlo, winner of the Pulitzer Prize for *DIGEST* Jennifer L. Knox is one of our funniest writers, but what places her work in a realm of its own is the empathy that surrounds, contradicts, and occasionally undermines the joke, sending us far beyond the punch line. Written from the far edge of vast experience, these poems lyricize the post-beatdown quality of middle age. The marvelously capacious *Days of Shame Failure* is the work of a genius at her peak, the best book yet from one of our most brilliant and sui generis American writers. Sarah Manguso, author of *ONGOINGNESS* Jennifer L. Knox is an iconic American poet whose work has been compared to Richard Pryor, Sarah Silverman, cartoonist R. Crumb, musician Randy Newman, and magician Doug Henning. None of these comparisons is quite right, however. Knox's work is unmistakably her own, surprisingly empathetic, utterly original, both funny and frightening like America itself. And like the best comedians, she is never merely funny; each of her speakers has something important to say. Knox's poems have appeared four times in the Best American Poetry series and in the anthologies *Great American Prose Poems*, *From Poe to Present*, and *Best American Erotic Poems*, as well as in such publications as the *New York Times*, the *New Yorker*, *American Poetry Review*, and *McSweeney's*. Her first three books of poems are also available from Bloof Books: *The Mystery of the Hidden Driveway*, *Drunk by Noon*, and *A Gringo Like Me*      *Please Excuse this Poem* Brett Fletcher Lauer, Lynn Melnick, 2015 Young readers find their poetic peers as poets in their 20s and 30s present a poetry anthology dedicated to what it means to be a teenager and young adult in today's world. 240pp      **The Advocate**, 2002-11-12 The *Advocate* is a lesbian, gay, bisexual, transgender, LGBT monthly newsmagazine.
