General Safety Information

Air compressors are utilized in a variety of air system applications. Because the air compressor and other components (material pump, spray gun, filters, lubricators, hoses, etc.) used make up a high pressure pumping system, the following safety precautions should be observed at all times:

1. Read the instruction manual carefully before attempting to assemble.

wiring with a grounded, metal-clad raceway system, by using a separate ground wire connected to the bare metal of the motor frame, or other suitable means.

10. Always disconnect power source before working on or near a motor or its connected load. If the power disconnect point is out-of-sight, lock, tag and disconnect power and tag to prevent unexpected application of power.
