can be no dispute or doubt From a variety of circumstances but two before all the rest the one their settlement in Iceland

which preserved their language and its literary treasures incorrupt the other their late conversion to Christianity their cosmogony and mythology stands before us in full flower and we have not as elsewhere to pick up and piece together the wretched fragments of a faith the articles of which its own priests had forgotten to commit to writing and which those of another creed had dashed to pieces and destroyed wherever their zealous hands could reach In the two Eddas therefore in the early Sagas in Saxo's stilted Latin which barely conceals the popular songs and legends from which the historian drew his materials we are enabled to form a perfect conception of the creed of the heathen Norsemen      **The Blue Dragon** Kirk Munroe, 2017-07-31 The Blue Dragon
