Exploring the Affective Dimensions of Educational Leadership Alysha J. Farrell, 2019-08-22

Bridging the gap between academic parlance and arts based inquiry this unique text presents a socio affective exploration of educational leadership The text challenges inherited ideological and normative assumptions and invites its reader to reimagine leadership as a dynamic emotional and relational process Exploring the Affective Dimensions of Educational Leadership combines the ambiguity of arts based work with the interpretative power of psychoanalysis to illustrate the role of mutuality personal interpretations and formative relations on leadership practices By emphasizing leadership as the constant striving for recognition the chapters expose the affective dimensions that infuse educational leadership practice and in doing so propose a new way for educational leaders to respond to complex and emotionally charged incidents in school contexts thereby promoting democratic practice and positive collegial relations An engaging and insightful text this book will be of great interest to graduate and postgraduate students researchers academics and professionals in the fields of educational leadership educational research and psychoanalysis

The Palgrave Handbook of Educational Leadership and

Management Discourse Fenwick W. English, 2022-10-13 This Handbook explores the discourse within the field of educational leadership and management It provides a clear analysis of the current field as well as older foundational ideas and newer concepts which are beginning to permeate the discussion The field of educational leadership and management has long acknowledged that educational contexts include a variety of leaders beyond school principals and other school officials such as informal and middle level leaders By looking at the knowledge dynamic rather than a static knowledge base this Handbook allows research to be presented in its multidimensional evolving reality *The SAGE Guide to Educational Leadership and Management* Fenwick W. English, 2015-01-29 The SAGE Guide to Educational Leadership and Management allows readers to gain knowledge of educational management in practice while providing insights into challenges facing educational leaders and the strategies skills and techniques needed to enhance administrative performance This guide emphasizes the important skills that effective leaders must develop and refine including communication developing teams coaching and motivating and managing time and priorities While being brief simply written and a highly practical overview for individuals who are new to this field this reference guide will combine practice and research indicate current issues and directions and choices that need to be made Features Benefits 30 brief signed chapters are organized in 10 thematic parts in one volume available in a choice of electronic or print formats designed to enable quick access to basic information Selective boxes enrich and support the narrative chapters with case examples of effective leadership in action Chapters conclude with bibliographic endnotes and references to further readings to guide students to more in depth presentations in other published sources Back matter includes an annotated listing of organizations associations and journals focused on educational leadership and administration and a detailed index This reference guide will serve as a vital source of knowledge to any students pursuing an education degree as well as for individuals interested in the subject matter that do not have a strong foundation of the topic [The Leadership Identity Journey](#) Carol A. Mullen, Fenwick W. English, William A. Kealy, 2014-06-05 The Leadership Identity Journey takes readers on a breathtaking all consuming transformative journey The invitation is to think of your life as a journey that follows a mythic path By doing so new possibilities emerge for thinking about leadership identity and preparation as well as artistic research and the education field The perspectives described in this book are supported by school leaders insights into powerful iconic photographs relative to the five mythic life phases the human condition trials in life human triumph human transformation and human crossing with the addition of leadership as a dimension of the life journey model The authors conducted their study using selected photographs framed by the universal mythic framework inspired by mythologist Joseph Campbell *Contours of Great Leadership* Rosemary Papa, Fenwick W. English, Mary Culver, Ric Brown, Frank Davidson, 2012-12-27 A contour is usually defined as an outline or the structure or characteristic of something A contour line which is shown on a contour map indicates points of elevation We think that all of these definitions fit *Contours of Great Leadership* This book brings together many aspects of concepts and theories of

leadership It is an amalgam of ideas from the social sciences and the humanities woven together in the idea of leadership as an accoutrement that is a deliberate woven garment comprising science art experience and craft knowledge Thus we see leadership not as either or an art or a science or craft knowledge vs scientific or research based knowledge but rather as all of them combined and which occurs between followers and leaders within distinctive cultures and modes of communication The importance of context and culture as the milieu in which leadership is acquired and learned is critical In the end leadership is a performing art form which while it can be studied scientifically cannot be understood solely as a science without connecting it to the arts and ultimately to practice

Education Policy Perils Christopher H. Tienken, Carol A. Mullen, 2015-11-06 Education Policy Perils provides educators and those interested in the future of public education with research based and practical analyses of some of the foremost issues facing public schools today The collection written by experienced scholar practitioners offers insights that include nuanced descriptions of various challenges facing educators and recommendations for overcoming them with an eye toward more successful policy and better implementation The authors apply their expertise to a range of issues from international testing to policy challenges related to curriculum on the state and national levels This volume positions ongoing debates within the wider context of an education landscape struggling to displace junk science ideology with empirical research The scope and sequence combined with the expertise of the contributors make this volume a vital resource for educators at all levels during a pivotal time of major changes in education policy

Shifting to Fit Carol A. Mullen, Kim Robertson, 2014-03-01 While social identity challenges probably confront all school administrators the authors focus on a doubly marginalized leadership population Black female principals whose experiences are rarely tapped Based on lessons from this study and the literature reviewed the authors think that leadership preparation programs should give prospective administrators opportunities to gain knowledge and develop skills relevant to navigating their leadership identities In the age of accountability and with the pressures placed on the education system to ensure the success of all students school leaders are under constant scrutiny The appearance speech body language and interactions of principals with students parents teachers and community members are dissected Stretching to satisfy expectations many principals find themselves trying to conform to a predefined image Work pressures like these prove immeasurably intense for many Black women Society has subscribed to certain beliefs about different groups and these beliefs affect the roles responsibilities and identities of the individuals They can have a positive or negative influence Many principals have created professional identities that they have fine tuned and learned to steer Trial and error has helped them learn identity fitting techniques while other principals may still be learning how to effectively manage people address supporters and nonsupporters and be politically savvy Regardless of how they develop their identity principals work toward inventing and branding themselves fulfilling public identities e g caregiver and trying out new identities such as commander and chief Black female principals must navigate their identities as bicultural beings with different stakeholder groups and

within work spaces that are traditionally geared to monocultural White males **From Student to Professor** Carol A.
