[EEE PROJECTS](#) [ELECTRICAL](#) [PROJECT IDEAS](#) [PROJECT](#)

We know that in our daily life electrical projects are used in many ways, and these projects have more power than the electronic projects. These projects' circuits use only passive components like resistors, capacitors and inductors, etc. As a result, many people would like to get an idea of the working of these **electrical projects** and they are often unaware of the projects that come in this category. For those people who can't make a distinction between electrical and electronic projects, we have already published a list of **electrical Projects for engineering students**, and therefore, we are providing it from different sources for the ease of **engineering projects**.
