The spirit within me Helle Mirsbach, 2021-09-16 Helle Mirsbach grew up in an ordinary family without any daily practice of belief or religion Even though she has always felt drawn to the forces of the universe without quite knowing why or how to find her way There are many people who like her need to find the spiritual path and Helle s story shows how the Universe shows the path if you are open and receptive to the messages they send In a relaxed and unpretentious way Helle writes about the experiences that have brought her together with mediums both well known and lesser known and through her experiences has found her own path It is precisely finding one s own path one s own truth that drives Helle to tell the stories so that you hopefully also find your own path
