American Examples Michael J. Altman, 2021-11-16 American Examples New Conversations about Religion Volume One is the first in a series of annual anthologies published in partnership with the Department of Religious Studies at The University of Alabama The American Examples initiative gathers scholars from around the world for a series of workshops designed to generate big questions about the study of religion in America Bypassing traditional white Protestant narratives in favor of new perspectives on belief social formation and identity American Examples fellows offer dynamic perspectives on American faith that challenge our understandings of both America and religion as categories In the first volume of this exciting academic project five topically and methodologically diverse scholars vividly reimagine the potential applications of religious history The five chapters of this inaugural volume use case studies from America broadly conceived to ask larger theoretical questions that are of interest to scholars beyond the subfield of American religious history Prea Persaud's chapter explores the place of Hinduism among the creole religions of the Caribbean while Hannah Scheidt captures what atheist parents say to each other about value systems Travis Warren Cooper explains how the modernist church architecture of Columbus Indiana became central to that city's identity Samah Choudhury dissects how Muslim American comedians navigate Western ideas of knowledge and self to make their jokes and their own selves legible and Emily D Crews uses ethnographic fieldwork to read the female reproductive body among Nigerian Pentecostal congregations Editor Michael J Altman also provides a brief rich introduction assessing the state of the discipline of religious history and how the American Examples project can lead the field forward *A Sense of the Sacred* R. Kevin Seasoltz, 2005-04-13 There have been many histories of Christian art and architecture but none written by a theologian such as Kevin Seasoltz Following a chapter on culture as the context for theology liturgy and art Seasoltz surveys developments from the early church up through the conventional artistic styles and periods Comprehensive illuminating ecumenical *Nexus Network Journal* 12,2 Kim Williams, 2013-07-30 *Nexus Network Journal* 12 2 Architecture and Mathematics Volume 12 **Ideas + Buildings** Carl Knutson, Ron Stelmarkski, 2008 Perkins Will a global architecture and design practice releases the first volume in a series of publications showcasing the talent of its teams and scope of their projects Ideas Buildings defines the essential characteristics of innovation and excellence that make Perkins Will unique among architecture firms worldwide The Ideas Buildings series will include essays on design theory white papers on programmatic and technological innovation client business issues and the environment and ideas that relate directly to the practice and its work as well as broader social and cultural issues Ideas Buildings Collective Process Global Social and Sustainable Design includes 12 unique projects along with anecdotal information about the firm and its history providing insight into the firm who they are and what they do The book demonstrates the progress and energy of Perkins Will as the firm advances towards its 75th anniversary Gardner's Art Through the Ages Helen Gardner, Horst De la Croix, Richard G. Tansey, 1986 Covers the ancient world the middle ages the

world beyond Europe the renaissance and the baroque and rococo the modern and postmodern world Encyclopædia Britannica ,1963 Architecture Michael Foster,1982 Analyzes architecture by examining the uses of different materials along with the style and designs of the great craftsmen *Contemporary Architecture* Marta Tobolczyk,2021-07-05 This book offers an exciting journey into the most recent architectural achievements seen in their complexity and plurality and described in the most objective and truthful way The development of contemporary architecture is presented as it commenced more than a century ago as it tried to reconcile democratic ideals with the forces of the Industrial Era In contrast to many books on the modern day art of building the development of architecture is not described chronologically here but rather independently for each selective architectural trend This allows a better explanation of some evolutionary processes and the continuity of each trend Thanks to such an approach this book will serve as a convenient tutorial for courses on history of contemporary architecture in all art and architectural schools The United States ,1968 Nine essays illustrated with photographs on various aspects of American civilization and culture including political history and thought education economy religion and the Nation s role and influence in the modern world **Terminal 5** Rachel K.
