Efficient And Flexible Reading 10th Edition:

Efficient and Flexible Reading Kathleen T. McWhorter, 1983 Encouraging students to read actively and critically to approach reading as a thinking process and to analyze their own reading and learning strategies *Efficient and Flexible Reading* teaches students how to vary their approach to written texts based on the material and their purpose for reading *Efficient and Flexible Reading* teaches students how to identify text structures and thought patterns for more efficient learning Emphasizing reading as an active thinking process the author presents systems for monitoring concentration comprehension and recall encouraging students to assess the reading assignment and to select the appropriate strategy to suit the situation

Efficient and Flexible Reading, Books a la Carte Edition Kathleen T. McWhorter, 2013-01-04 *Efficient and Flexible Reading* teaches students how to be self aware active readers and adapt key reading skills and strategies to whatever college text they encounter

Efficient and Flexible Reading Kathleen T. McWhorter, 2004

Critical Reading in Higher Education Karen Manarin, Miriam Carey, Melanie Rathburn, Glen Ryland, 2015-12-15 Faculty often worry that students can't or won't read critically a foundational skill for success in academic and professional endeavors Critical reading refers both to reading for academic purposes and reading for social engagement This volume is based on collaborative multidisciplinary research into how students read in first year courses in subjects ranging from scientific literacy through composition The authors discovered the good students can read the bad students are not reading for social engagement and the ugly class assignments may be setting students up for failure and they offer strategies that can better engage students and provide more meaningful reading experiences

Worldviews and Christian Education W. Shipton, 2013-08-14 Christ's instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In *Worldviews and Christian Education* editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here *Worldviews and Christian Education* challenges all readers to be faithful to the biblical worldview and to approach everyone

with sensitivity so that like the apostle Paul they may reach some
