The History of the United Arab Emirates John A. Shoup, 2021-11-05 This volume explores the political cultural and economic history of the United Arab Emirates from early antiquity through the 2010s The United Arab Emirates is a relatively young country in the Middle East made up of seven emirates Abu Dhabi Ajman Dubai Fujairah Ras Al Khaimah Sharjah and Umm Al Quwain How did these seven separate emirates come together to form the United Arab Emirates This volume explores the long rich history of these seven emirates focusing on political history but also highlighting culture society economy and religion Chronologically arranged chapters examine major eras and turning points in history such as antiquity the rise of Islam British trade and the discovery of black gold oil Readers will learn how today most of the UAE's citizens are foreigners from other countries as well as how much of the country's economy and livelihood depends on oil An appendix of Notable People in the History of the United Arab Emirates serves to identify key players in the region's history and an annotated bibliographic essay provides readers with sources for further research

Middle Eastern Cities, 1900-1950 Hans Chr. Korsholm Nielsen, Jakob Skovgaard-Petersen, 2001 This volume elucidates the dramatic changes taking place in Middle Eastern cities during the first half of the 20th century During this period radical changes took place with the introduction of new public spheres and places and with these a new society emerged The focus of the contributions is on the development of these changes and how they were experienced and interpreted by the inhabitants of the cities and towns
