 The Scramble by Kristen Proby
 There are two things you need to know about me 1 I'm never late And 2 I hate Christmas My entire family is already enjoying
 their holiday vacation in Iceland but thanks to my busy job and having to meet them there I'm late Now I'm forty thousand
 feet in the air trying to get to Iceland before Christmas morning all while also attempting to get some work done If only the
 hot guy next to me would leave me be Dylan says I should put the work away until after my holiday and relax a bit And while
 his suggestion of spending some time together on the north Atlantic island seems preposterous I can't help but feel intrigued
 when he promises to show me how to enjoy the Yuletide season properly
 A Vampire's Kiss by Rebecca Zanetti
 Unlike several of his brothers Athan Maxwell accepted the curse inherent in his DNA and solved the problem a century ago by mating his
 one true mate and saving her life at the same time Now they only meet up four times a year to exchange blood and keep
 themselves healthy because that was the deal Yet after a hundred years his mate has only become more beguiling and
 intriguing and when he discovers a new threat on her tail his promise of sitting back and leaving her alone goes right out of
 the window Every 1001 Dark Nights novella is a standalone story For new readers it's an introduction to an author's world
 And for fans it's a bonus book in the author's series We hope you'll enjoy each one as much as we do **Bond of Passion: A
 Demonica Novella** Larissa Ione, 2023-01-30 New York Times and USA Today bestselling author Larissa Ione returns with a
 new story in her Demonica series He was an assassin She was his lover And his victim Now years later she's back from the
 dead and looking for vengeance Thanks to an unexpected and fortuitous disaster Tavin's contract with the underworld's
 Assassin Guild was broken decades early But instead of freedom he's suffocated by guilt and regret In many ways he's more
 trapped than he was before In an attempt to numb his pain he works at Underworld General Hospital saving people instead
 of killing them But nothing can diminish the memory of assassinating the female he loved not even the knowledge that he'd
 done it to spare her an even worse fate Deja remembers all of her dozens of former lives and she knows that she only found
 love in one of them until her lover murdered her As a soul locked inside the nightmarish boundaries of demon hell she stewed
 in hatred until a single fateful event gave her one more shot at life And at revenge Now another specter from the past is
 threatening them both Can two damaged people overcome their history to save not only themselves but a second chance at
 love Every 1001 Dark Nights novella is a standalone story For new readers it's an introduction to an author's world And for
 fans it's a bonus book in the author's series We hope you'll enjoy each one as much as we do Ghostly Parallels Randolph
 Runyon, 2006 America's most eminent man of letters in his later years and certainly one of the greatest Southern writers
 Robert Penn Warren has increasingly come to be known for his poetry Ghostly Parallels is a close examination of the heart of
 his poetic corpus the eight collections published between 1935 and 1976 Thirty Six Poems Eleven Poems on the Same Theme
 Promises You Emperors and Others Tale of Time Incarnations Or Else and Can I See Arcturus from Where I Stand Ghostly

Parallels shows how Warren constructed collections of poems based on common subjects and contexts and also contends that while the poems are distinctive taken together they reveal intricate patterns of theme imagery and diction within explicit sequences Runyon demonstrates that Warren's collections are integrated well crafted wholes and each poem references its predecessor sometimes in intriguingly self referential ways Runyon shows that despite the many changes in diction tone and subject that Warren underwent in his long career his concern for writing his poems in such a way that they could reach out beyond themselves to other poems remained remarkably constant In the arrangement Warren gave them his poems form ghostly parallels an expression that appears in The Return An Elegy where they refer to the railroad tracks that bring the poet home to his dying mother This return to the mother is a persistent leitmotif in the poems and forms the other major theme of this study Warren's personal poetic myth in which such images as golden light and mirror images are signs of the mother's presence as both Danae mother of Perseus and Medusa whom Perseus confronted Through pursuing sequential patterns as well as echoes and myth GhostlyParallels brings a wealth of insights to the work of this prolific novelist critic and essayist An important guide for undergraduate and graduate students alike Ghostly Parallels will also appeal to anyone with an interest in Robert Penn Warren and southern literature
