Kent, 1910 **The Register of the Kentucky State Historical Society**, 1922 **The Letters of Sarah Harriet Burney** Sarah Harriet Burney, 1997 This scholarly edition presents for the first time all of the known surviving letters of British novelist Sarah Harriet Burney 1772 1884 The overwhelming majority of these letters more than ninety percent have never before been published Burney s accomplishments says Lorna J Clark have been unjustly overlooked She published five works of fiction between 1796 and 1839 all of which met with reasonable success including *Traits of Nature* 1812 which sold out within three months These letters position Burney among her fellow women writers and shed light on her relations with her publisher and her ambivalence toward her own work and her readership Her lively observation of the literary scene evinces the range and scope of her reading as well as her awareness of literary trends and developments Burney was for example remarkably prescient in recognizing and praising from the first the talent of Jane Austen and met several of the authors of her day A challenging new perspective on family matters also emerges in the letters The youngest child of the second marriage of Charles Burney and the only daughter to remain unmarried Sarah Harriet had the unenviable task of caring for her father in his later years Her letters reveal a darker side of Dr Burney and also help to round out our image of a more favored daughter Sarah Harriet s half sister and fellow novelist Frances Burney As literature Clark observes Burney s letters are arguably her best work Thoroughly versed in the epistolary arts she sought always to amuse and entertain her correspondents Burney ultimately emerges as a quiet but heroic single woman relegated to the margins of society where she struggled for independence and self respect Displaying literary qualities and a lively sense of humor the letters provide a fascinating insight into the literary political and social life of the day **Davis's Poems** Dudley Hughes Davis, 1891 **The Official Index to The Times**, 1921 **Register of Kentucky State Historical Society** Kentucky Historical Society, 1922 Official Index to the Times, 1921 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **The Papers of Jefferson Davis** Jefferson Davis, 2008-11-15 Being powerless to direct the current I can only wait to see whither it runs wrote Jefferson Davis to his wife Varina on October 11 1865 five months after the victorious United States Army took him

prisoner Indeed in the tumultuous years immediately after the Civil War Davis found himself more acted upon than active a dramatic change from his previous twenty years of public service to the United States as a major political figure and then to the Confederacy as its president and commander in chief Volume 12 of The Papers of Jefferson Davis follows the former president of the Confederacy as he and his family fight to find their place in the world after the Civil War A federal prisoner incarcerated in a living tomb at Fort Monroe while the government decided whether where and by whom he should be tried for treason Davis was initially allowed to correspond only with his wife and counsel Released from prison after two hard years he was not free from legal proceedings until 1869 Stateless homeless and without means to support himself and his young family Davis lived in Canada and then Europe searching for a new career in a congenial atmosphere Finally in November 1869 he settled in Memphis as president of a life insurance company and for the first time in four years had the means to build a new life Throughout this difficult period Varina Howell Davis demonstrated strength and courage especially when her husband was in prison She fought tirelessly for his release and to ensure their children s education and safety Their letters clearly demonstrate the Davises love and their dependence on each other They both worried over the fate of the South and of family members and friends who had suffered during the war Though disfranchised Davis remained careful but not totally silent on the subject of politics Even while in prison he wrote without regret of his decision to follow Mississippi out of the Union and of his unswerving belief in the constitutionality of state rights and secession Likewise he praised all who supported the Confederacy with their blood and who like himself had lost everything
