Effective Parenting In A Defective World Focus On The Family:

Effective Parenting in a Defective World Chip Ingram, 2014-10-17 A parent's greatest desire is to raise a child who can face anything with wisdom and confidence. But in a world of over extended schedules, amoral messages and incessant peer pressure, how can you raise a confident child that follows God's will, not the world's? Chip Ingram's practical tips for modeling right living, building strong bonds and disciplining effectively will help parents bring up Christ-centered kids who feel secure and significant no matter what comes their way. The book features practical, age appropriate parenting tips, charts, diagrams and action steps.

Effective Parenting in a Defective World Chip Ingram, 2007-09-13 Without shying away from tough topics like discipline and teen rebellion, Chip offers thought provoking principles and specific exercises to help you understand how to develop your child's full potential. This hands-on approach to parenting gives special hope to blended families and those in crisis. You'll learn how you can draw closer to your kids even as the world tries to pull you apart. You'll also learn proven methods to teach your kids critical values like responsibility and perseverance that will help them rise above the norm. Along the way, you'll discover biblical principles and practical advice that can help you raise kids who stand out from the crowd. Back cover

Plugged-In Parenting Bob Waliszewski, 2011-10-14 Plugged In Parenting comes at a time when parents find themselves between a rock and a hard place. They want to protect their children from the increasingly violent and sexualized content of movies, TV, the Internet and music, as well as cyberbullying and obsessive cell phone texting. But they fear that simply laying down the law will alienate their kids. Can parents stay connected to the media while staying connected to God and to each other? This book makes a powerful case for teaching kids media discernment but doesn't stop there. It shows how to use teachable moments, evidence from research and pop culture, Scripture questions, parental example and a written family entertainment constitution to uphold biblical standards without damaging the parent-child relationship.

Dedicated Jason Houser, Bobby Harrington, Chad Harrington, 2015-03-10 In the Great Commission, Jesus commanded his followers to go into the world and make disciples, teaching them to obey all that Jesus had said. But the very first great commission was really given much earlier to parents. In Deuteronomy 6, God calls parents to the task of discipleship in raising their children. Discipleship is the greatest test for the Christian family today. In today's busy world, many parents feel overwhelmed and aren't sure what to do or even where to begin. In *Dedicated*, Jason Houser is joined by Bobby Harrington and his son Chad as they unpack the simple, practical and essential practices of spiritually parenting and disciplining children in the home. An inspirational training manual to equip parents, *Dedicated* will empower parents to pass along their faith to the next generation.

Raising a Modern-Day Knight Robert Lewis, 2011-09-06 What does it mean to be a man? Moreover, how do you as a father instill that reality in your son? By *Raising a Modern Day Knight*, the medieval custom of knighthood offers a unique approach to shaping a boy into a strong, godly man. Centuries ago, select boys went through a rigorous, years-long process of clearly defined objectives, goals and ceremonies with the hope of achieving

knighthood Along the way they acquired a boldly masculine vision an uncompromising code of conduct and a noble cause in which to invest their lives They were the heroes of their age In much the same way Raising a Modern Day Knight will show how you too can confidently guide your son to the kind of authentic biblical manhood that can change our world Complete with ceremony ideas to celebrate accomplishments and ingrain them in the mind of a knight in training this resource is as insightful as it is practical in raising a boy to be a chivalrous godly man **Building Family Ties with Faith, Love, and Laughter** Dave Stone,2012-05-07 Creative ideas real life stories and Scriptural guidance for being the family that loves being together Building Family Ties with Faith Love and Laughter is the second of three books in the Faithful Families series where Dave applies his practical conversational and humorous approach to the challenge of building strong spiritual ties to each other as a family Topics include Contentment Security Loyalty Gratitude Spontaneity Communication and more Preaching is his gift but Pastor Dave Stone s family is his life s blessing While raising three kids with his wife Beth as well as shepherding the diverse families of his congregation his heart and passion for building strong families rings louder than ever He knows that raising faithful families is a key to the future of the church Dave s book is full of no nonsense common sense suggestions and biblically inspired truth As a parent of two under construction children still finding their way in a fallen world I am keenly aware of the importance of living a life of faithful integrity in order to actually teach it to our kids I of course have failed miserably on occasion But then I didn t have Dave s book like you do Kathie Lee Gifford *Parent to Parent* M. a.
