Effective Prayers For Various Situations:

Effective Prayers for Various Situations Mary Ogenaarekhua,2007-01-01 The prayers outlined in this book will help you to petition God so that He can change your undesired circumstances They will also help you to rebuke and dislodge the wicked spirits that the devil has sent to hinder you in life As you walk in righteousness and in obedience to the Word of God God in turn releases his power through your words prayers and declarations He will watch to see that none of your words fall to the ground All the prayers in this book address real life situations or problem areas in which people need healing deliverance and comfort As I stated in Volume One of this book the Lord instructed us through the Gospel of St Luke that we ought to pray always and not to faint Luke 18 1 I believe that prayer changes things We release the hand of God to move on our behalf when we pray Again I affirm my sincere belief that a non praying Christian is an ineffective Christian because it is when we pray that God intervenes in our situations or in our circumstances We therefore ought to pray in order to change the situations and circumstances that the devil sends against us [The 21 Most Effective Prayers Collection](#) Dave Earley,2014-05-01 Find out why so many people enjoy Dave Earley s writing with The 21 Most Effective Prayers Collection Dave wrote The 21 Most Effective Prayers of the Bible in 2005 and produced four follow up books in a series that has sold more than a quarter million copies Now all five books are available in an omnibus edition The 21 Most Effective Prayers of the Bible The 21 Most Encouraging Promises of the Bible The 21 Most Dangerous Questions of the Bible 21 Reasons Bad Things Happen to Good People and The 21 Most Amazing Truths about Heaven Always personable and readable Dave Earley s books provide encouragement and hope for Christians of all ages and backgrounds *Powerful Prayers That Open Heaven* Jamie T. Tools for Effective Prayer Clarence Washington Sr.,2016-02-12 Just like your lifestyle your current prayer life is also perfectly designed to produce the result you are getting If you want a prayer life that will enable you to experience God s presence like you never have before and move Him to bless you like He has never blessed you before then you must start praying like you have never prayed before Tools for Effective Prayer will teach you how to do that There are some mechanics of prayers such as persistency and fervency that are essential for effective prayer However without the proper dynamics of prayer working to produce spiritual power in a person s life the positive effects of the discipline of proper mechanics are nullified Such is also the case with the contents of prayer If one s prayers don t include the essential contents effectiveness or power will be greatly diluted

Effective Prayers Rev. Robert Antwi,2012-09 Many prayers go without answered so I decided to seek the face of God to know how Christians will be able to get their prayers answered Since I became a Christian in August 1984 I have seen most of my prayers answered in a very special way so I would like to share with you some of the secrets I learned in getting my prayers answered Our God is a prayer answering God First we must have faith in God and trust that He is prepared to answer when we call on Him But without faith it is impossible to please him for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek him Heb 11 6 Prayer is diligently seeking the face of God so if we are going to pray then we should believe that God is going to listen and answer our prayer

Prayerfully Yours Benjamin Vima,2012-01-09 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As Gods Word will not return to Him void but shall

achieve the end for which He sent it Is 55 11 so the prayer of the lowly does not rest till it reaches its goal Sir 35 17 18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a quality life as the disciples of Jesus Through this book he shares with readers some of his findings of the method of quality prayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares quality prayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of quality prayer and make us perceive clearly our actions and Gods own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as Quality Prayer

BEAUTIFUL FOR SITUATION Bode Babatunde, 2011-08-08 The book is about the goodness of God in all situations It examines how we expect great things from God without wanting to give Him the praise that He deserves It postulates that the law of reciprocity demands that as God is dutifully faithful to us so must we also be dutifully faithful to God It explains that in as much as our great expectations are in order we should however not withdraw our worship of God when the anticipated blessings and miracles are not forthcoming Our hope the book argues must be firmly cemented in this God no matter what we are passing through This is so because our God is the Hope of the hopeless and the Help of the helpless The book also enjoins us to worship God without any strings attached in poverty as in prosperity in lack as in plenty in sickness as in good health in shame as in fame in failures as in successes for better or worse and that under no circumstance should God be relegated This is against the backdrop that He forever remains unchanging unchangeable and unchallengeable The seven chapter book gives 35 tips on praising God It endeavours to disseminate the message that God is beautiful for all situations The book postulates that when you put absolute trust and hope in God He will among other things make you to live to your potential release unto you extraordinary good success give you ultimate breakthrough endue you
