

# Egon Schiele Portraits

**Tobias G. Natter**

## Egon Schiele Portraits:

*Egon Schiele: Paintings and Drawings* Jessica Findley, 2014-11-21 With his signature graphic style embrace of figural distortion and bold defiance of conventional norms of beauty Egon Schiele was one of the leading figures of Austrian Expressionism He was an Austrian painter a protégé of Gustav Klimt and important figurative painter of the early 20th century The twisted body shapes and the expressive line that characterize his paintings and drawings mark the artist as one of the earliest exponent of Expressionism In Schiele's early years he was strongly influenced by Klimt and Kokoschka but soon evolved into his own characteristic style He focused on portraits of others as well as himself In his later years while he still worked often with nudes they were done in a more realist fashion Schiele made many drawings some of which were extremely erotic During his short but highly prolific career which ended with his premature death Schiele created more than three thousand works on paper and approximately 300 paintings

Egon Schiele Egon Schiele, 2011 This work traces Schiele's development as a portraitist through four principal chronological phases from 1906 through 1918 Starting with the artist's rigorous training at the Vienna Academy it chronicles Schiele's eventual break with academia and the emergence of his Expressionistic style

Egon Schiele, 1890-1918 Reinhard Steiner, Egon Schiele, 2000 Schiele had the most long lasting influence on the Vienna art scene after the great era of Klimt came to a close After a short flirtation with the style of his mentor Klimt Schiele soon questioned the aesthetic orientation to the beautiful surface of the Viennese Art Nouveau with his rough and not easily accessible paintings

Between Ruin and Renewal Professor Kimberly A Smith, Kimberly A. Smith, Egon Schiele, 2004-01-01 Smith takes a provocative look at the fascinating and beautiful landscapes painted by Austrian artist Egon Schiele 1890-1918 renowned for his intensely confrontational portraits self portraits erotic images and allegories 90 illustrations 50 in color

Egon Schiele Drawings... Vol. 1 Egon Schiele, The Secret Libraries, 2018-02 This book provides a selected collection of 107 drawings by Egon Schiele The images within are mostly figurative which include his models and self portraits but also this book contains a few beautiful images of still life and landscapes within This is a black and white print version Most of the original sketches are also black and white only some contain a hint of color

SAFE FOR ALL AGES Maybe not This book contains images that may be disturbing to some readers Discretion is advised That Egon Schiele what's he like hey Art cannot be modern Art is primordial eternal Egon Schiele Related book subjects Expressionism Portraits Figurative Fine Art History of Art Self Portraits Sketch Books Inspiring visual artists Interesting visual artists greatest artists and painters painters and sculptors most interesting fine arts Biographical life about famous artists Interesting famous artists The Life and Works of the World's Favorite painting art book modern artists fine artist fine artists oil painting impressionism portrait painting still life paintings

Thank you for your purchase We spent a long time building this book we hope you enjoy it Drawings is a new series from The SECRET Libraries New 1st EDITION for 2018 **The Faces of Egon**

**Schiele** Elisabeth Leopold, Stefan Kutzenberger, 2023 A lavishly produced volume of Egon Schiele's self portraits Egon Schiele's contorted and eccentric figures are among the most familiar and iconic images in twentieth century art A good many of those figures are self portraits Schiele returned to himself as a subject again and again over a period of many years recording himself in various poses and styles When he used his own body as a model his interest often lay not in his actual self but more generally in the position of the individual in the changing modern world Posing in a variety of roles Schiele uses his face like a mask This beautifully produced book offers a comprehensive account of this crucial yet underappreciated aspect of Schiele's art *Egon Schiele's Portraits* Alessandra Comini, 1990 The meaning of portraiture in the egocentric and erotic culture of Vienna at the end of the Hapsburg Empire frames Alessandra Comini's definitive lavishly illustrated study of the art of Egon Schiele 1890-1918 first published in 1975 and now available in paperback with a new preface and updated bibliography Comini analyzes Schiele's work in the context of Viennese Expressionism rising existential consciousness and the unique ambiance of Vienna The human figure forms the most compelling motif in Schiele's oeuvre which is comprised of hundreds of oils and thousands of drawings Numerous self portraits record emotional states reflect major stylistic changes and provide a brilliant focus for this examination of his art and his life **Egon Schiele. the Paintings - 40th Anniversary Edition**

Tobias G. Natter, 2020-10-15 With his revolutionary and liberated view of the naked body and sexuality Egon Schiele emphatically wrote himself into the history of art at the beginning of the last century Even today the women and self portraits painted by the enfant terrible of the Viennese modern age still have an exciting and bold effect They were all created during

**The Art of Egon Schiele** Egon Schiele, Erwin Mitsch, 1975 Examines the character and developments of the art of Egon Schiele and considers a balanced selection of his paintings and drawings **Egon Schiele** Danielle Knafo, 1993 Study of the work of the Australian artist

**Egon Schiele** Jane Kallir, 2003-04-29 Austrian Expressionist Egon Schiele produced a prolific body of work before his early death at the age of twenty eight in 1918 The oeuvre is comprised of a few hundred oil paintings and thousands of drawings and watercolors Schiele's oils have often been reproduced and are well recognized However limited access to the fragile works on paper and dispersion among several collections have made for an unbalanced representation of his work as a draftsman This book assembles drawings and watercolors from public and private collections and reproduces work from every year of the artist's career beginning with the juvenilia and early academic studies The focus means that work that is rarely reproduced is represented extensively providing a unique opportunity to study the rapid artistic development of Schiele over the course of his brief twelve year career The book is organized chronologically and divided into year by year sections Each section includes a text that discusses the major events in Schiele's life and the interrelation between the artist's drawing and developments in his oil painting Features a previously unpublished Schiele watercolor and several works that have never been reproduced in color *Egon Schiele's Portraits* Alessandra

Comini, 2014-09 An introduction and compilation of the portraits by Egon Schiele with extensive illustrations *Egon*

*Schiele* Narim Bender, 2014-12-27 With his signature graphic style embrace of figural distortion and bold defiance of conventional norms of beauty Egon Schiele was one of the leading figures of Austrian Expressionism He was an Austrian painter a protégé of Gustav Klimt and important figurative painter of the early 20th century The twisted body shapes and the expressive line that characterize his paintings and drawings mark the artist as one of the earliest exponents of Expressionism In Schiele's early years he was strongly influenced by Klimt and Kokoschka but soon evolved into his own characteristic style He focused on portraits of others as well as himself In his later years while he still worked often with nudes they were done in a more realist fashion Schiele made many drawings some of which were extremely erotic During his short but highly prolific career which ended with his premature death Schiele created more than three thousand works on paper and approximately 300 paintings

**Egon Schiele** Tobias Günter Natter, 2017 A century after his death Egon Schiele continues to stun with his contorted lines distorted bodies and eroticism This XXL sized book features the complete catalogue of his paintings from 1909-1918 Nearly 600 illustrations are presented many of them newly photographed alongside expert insights and Schiele's personal writings in this *Coloring... Egon Schiele* The Secret Libraries, Egon Schiele, 2016-12-20 This book has 50 beautiful coloring pages created from the artworks of Egon Schiele The images within are mostly figurative which include his models and self-portraits but also this book contains a few beautiful landscapes within Each original artwork is displayed alongside if you wish to color the image accurately or for you to choose to ignore if you're feeling creative Two versions currently available Please choose 1 With full color original artworks alongside the coloring pages 2 With Black White original artworks This version No 1 is with full color original artworks

1916 Death and the Maiden c 1916 View of Krumau 1916 Embrace II 1917 The Family 1918 The Artworks The Complete Works Alphabetical List of Artworks *Egon Schiele and artworks* Jeanette Zwingenberger, Esther Selsdon, Ashley Bassie, 2023-11-16 Egon Schiele's work is so distinctive that it resists categorisation. Admitted to the Vienna Academy of Fine Arts at just sixteen, he was an extraordinarily precocious artist whose consummate skill in the manipulation of line above all lent a taut expressivity to all his work. Profoundly convinced of his own significance as an artist, Schiele achieved more in his abruptly curtailed youth than many other artists achieved in a full lifetime. His roots were in the Jugendstil of the Viennese Secession movement. Like a whole generation, he came under the overwhelming influence of Vienna's most charismatic and celebrated artist, Gustav Klimt. In turn, Klimt recognised Schiele's outstanding talent and supported the young artist who within just a couple of years was already breaking away from his mentor's decorative sensuality. Beginning with an intense period of creativity around 1910, Schiele embarked on an unflinching exposé of the human form, not the least his own, so penetrating that it is clear he was examining an anatomy more psychological, spiritual, and emotional than physical. He painted many townscapes, landscapes, formal portraits, and allegorical subjects, but it was his extremely candid works on paper which are sometimes overtly erotic, together with his penchant for using under-age models that made Schiele vulnerable to censorious morality. In 1912, he was imprisoned on suspicion of a series of offences including kidnapping, rape, and public immorality. The most serious charges, all but that of public immorality, were dropped, but Schiele spent around three despairing weeks in prison. Expressionist circles in Germany gave a lukewarm reception to Schiele's work. His compatriot Kokoschka fared much better there. While he admired the Munich artists of Der Blaue Reiter, for example, they rebuffed him. Later, during the First World War, his work became better known, and in 1916 he was featured in an issue of the left-wing Berlin-based Expressionist magazine *Die Aktion*. Schiele was an acquired taste. From an early stage, he was regarded as a genius. This won him the support of a small group of long-suffering collectors and admirers, but nonetheless, for several years of his life, his finances were precarious. He was often in debt, and sometimes he was forced to use cheap materials, painting on brown wrapping paper or cardboard instead of artists' paper or canvas. It was only in 1918 that he enjoyed his first substantial public success in Vienna. Tragically, a short time later, he and his wife Edith were struck down by the massive influenza epidemic of 1918 that had just killed Klimt and millions of other victims, and they died within days of one another. Schiele was just twenty-eight years old.
