*Communion with the Triune God* Dick O Eugenio, 2014-08-28 The revival of Trinitarian studies in the twentieth century ushered in a new era of theological innovation The renewed and dedicated articulation of the Trinity as a doctrine in its own right is indeed noteworthy but more important and praiseworthy are the recent endeavours of theologians to integrate the doctrine of the Trinity with other Christian doctrines and with the many variegated aspects of the life and ministries of the church Today it is common to encounter the term Trinitarian being used as a modifier Trinitarian worship Trinitarian ecclesiology etc This book presents Thomas F Torrance as a participant theologian in this integrative paradigm Because Torrance argues that the Trinity is the ground and grammar of theology his doctrine of salvation is consistently Trinitarian But how did he formulate his unique Trinitarian soteriology Communion with the Triune God seeks to answer this question

**Communion with God** Kelly M. Kopic, 2024-09-03 The recent resurgence of interest in the Puritan John Owen has resulted in increasing requests for Kelly Kopic s Communion with God which was one of the books that helped foster renewed attention on this classic theologian This book is now back in print with a new preface by the author According to Kopic a variety of people today are rediscovering Owen including academic theologians ministers from different denominational backgrounds and laypeople interested in classic forms of spirituality With this diverse audience in mind Kopic focuses on the concept of communion with God in Owen s thought covering key areas such as anthropology Christology trinitarian studies and the Lord s supper Kopic shows that Owen remains a rich dialogue partner for those engaged both in contemporary theology and pastoral practice **The Foundation of Communion with God** Ryan M. McGraw, 2014-10-20 The Foundation of Communion with God introduces readers to the Trinitarian piety of John Owen 1616 1683 Ryan McGraw s introduction to Owen sketches the major events of this important theologian s life and shows how his circumstances shaped

God as Communion Patricia Fox,2001 God As Communion explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today

**After Our Likeness** Miroslav Volf,1998 In After Our Likeness Miroslav Volf explores the relationship between persons and community in Christian theology He seeks to counter the tendencies toward individualism in Protestant ecclesiology and give community its due

Trinitarian Soundings in Systematic Theology Paul Louis Metzger,2010-07-15 Trinitarian Soundings in Systematic Theology is a multi authored exploration of systematic theology from a Trinitarian perspective Its aim is to show how the doctrine of the Trinity sheds light on other key doctrines from prolegomena to eschatology and theological ethics To borrow a phrase from Robert Jenson the doctrine of the Trinity is not a separate puzzle to be solved but the framework within which all theology s puzzles are to be solved Given the scarcity of systematic theologies done trinitarianly this collective project suggests a path to follow in the formulation of each particular doctrine represented in the volume Trinitarian Soundings promises to become an important work given its unique presentation of major themes of systematic theology in their classical order yet from a Trinitarian point of view Its contributors include veteran theologians as well as younger scholars who are energetically employing this Trinitarian focus The contributors represent various theological traditions and geographical locations which surely bring richness to the theological inquiry Dedicated to the memory of a pioneer in the resurgence of Trinitarian theology the late Prof Colin Gunton this collection represents a distinctive treatment of systematics intent on showing the vitality of approaching all aspects of the faith from a self consciously Trinitarian perspective

**Salt, Light, and a City, Second Edition** Graham Joseph

Hill, 2017-06-13 Graham Hill's pioneering classic remains the seminal work on missional ecclesiology. The bestselling first edition redefined theology for the missional church. Hill builds biblical foundations in conversation with major theologians including Sarah Coakley, John Zizioulas, Stanley Hauerwas, Miroslav Volf, and Jürgen Moltmann. In this major update, he offers new insights and provides fresh examples of missional churches. In the first edition, Hill interacted with twelve major theologians to build a missional ecclesiology. In this thoroughly updated edition, he interacts with sixteen major theologians from the Western world. This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology. It also offers a new study guide that has been uploaded on an innovative website linked to this book. This expanded edition now becomes volume 1 in a series on missional ecclesiology. In volume 2, Hill will turn our attention to voices from the Majority World. Known for his groundbreaking approach to theology, Hill shows how God is releasing his global church to mission across all cultures and Christian traditions. This extensive update to Hill's influential work offers pioneering theology and practices that will continue to shape the global missional church for generations. *Christoph Schwöbel*, Judith Wolfe, Margaret McKerron, 2025-06-30 Christoph Schwöbel shaped a generation of theologians with his vision of the Trinity as an eternal conversation which addresses all humans and draws them into conversation with each other and God. This volume continues Schwöbel's theology through essays engaging his central topics of conversation: Trinity, tradition, the arts, religion, and society. *Pro Communion*, Benjamin

Guyer, 2012-07-01 The proposed Anglican Covenant impinges not only upon the future of the Anglican Communion but upon global Christianity as well. *Pro Communion: Theological Essays on the Anglican Covenant* is the first volume that considers the completed text of the Covenant and its congruity with the Anglican tradition. Contributors across the Anglo-American world appraise the Covenant within a holistic framework defined by liturgical, historical, and ecumenical perspectives. These essays transcend current debates by illuminating abiding theological themes within Anglicanism. Creative and edifying, rigorous and hopeful, *Pro Communion* envisions a revival of the Anglican imagination within the context of a covenanted Anglican Communion. Contributors: Jeff Boldt, Augustine Casiday, Neil Dhir, Andrew Goddard, Benjamin M. Guyer, N. J. A. Humphrey, Nathan G. Jennings, Evan Kuehn, Edmund Newey, Matthew S. C. Olver, Ephraim Radner, and Christopher Wells.

**God, Freedom, and the Body of Christ**, Alexander J. D. Irving, 2020-10-13 A contribution to the end of the Church knowing itself as the body of Christ, Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit. This is developed through a dialogical or covenantal frame that has its focal point in Christ, in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized. The Church as the body of Christ participates in the mediatorial work of Jesus Christ. Each chapter explores a different element of this participatory ecclesiology. This book offers a constructive ecclesiology built from the ground up on the foundation of a dialogical perspective which has participation in Christ as its controlling center. This foundation provides the basis upon

which an exhilarating vision of the Church can be built to encourage Christians to cherish the Church as the body of Christ which participates in the triune communion through being included into the Son by the power of the Spirit and comes to reflect the triune God in its own structures

**Of Communion with God** John Owen, 1657

**Who Is the Church? An Ecclesiology for the Twenty-First Century** Cheryl M. Peterson, 2013-05-01 Many congregations today are beset by fears whether over loss of members and money or of irrelevancy in an increasingly pluralistic society To counter this many congregations focus on strategy and purpose what churches do but Cheryl Peterson submits that mainline churches need to focus instead on what or who they are to reclaim a theological rather than sociological understanding of themselves To do this she places the questions of the church's identity and mission into a conversation with the primary ecclesiological paradigms of the past century the neo Reformation concept of the church as a word event and the ecumenical paradigms of the church as communion She argues that these two paradigms assume a context of cultural Christendom that no longer exists focused on the church that is gathered rather than the missional church that is sent out

**The Spirit-Baptized Church** Frank D. Macchia, 2020-04-16 Frank D Macchia argues that the Son of God baptized and continues to baptize humanity in the Spirit by pouring forth the Spirit on the Day of Pentecost All four Gospels and the book of Acts describe how the Son is sent of the Father and empowered by the Spirit to fulfil this mission Macchia in turn claims that Christ succeeds by incorporating others into himself and into the love of the Father The Spirit Baptized Church proposes a richly pneumatological ecclesiology that is dominated by a Pentecostal confessional concern while also open to a larger ecumenical conversation The volume focuses not only on the dogmatic Trinitarian foundations and election processes of the Spirit baptized church but also on its marks and witnessing practices As an exceptionally detailed study of the Spirit baptismal metaphor this volume is a valuable resource for scholars of ecclesiology Pentecostalism and systematic theology

*Imago Trinitatis* Mark S. Medley, 2002-03-07 *Imago Trinitatis* contributes to the contemporary task of seeking to retrieve the central Christian symbol of the triune God It interfaces the trinitarian theology of Catherine LaCugna and new anthropological models based on women's interpreted experience of relationality offered by feminist theologians especially the vision of the post patriarchal self of Catherine Keller in order to delineate a theological conception of the human person as communion By reinterpreting *imago Dei* as *imago Trinitatis* Mark Medley offers a proposal towards claiming that a trinitarian feminist theological anthropology understands human personhood as being formed and transformed in one's personal existence to God's personal existence as persons of communion

**Models of Heaven** M. Francis Mannion, 2023-08-31 Many people nowadays are confused about the topic of heaven skeptical about it or think it beyond description This book argues that without venturing into the esoteric or fanciful we can know more about heaven than we think Did you know for instance that heavenly rest will be exciting and dynamic That we will be overwhelmed and transformed by the beauty of God That we will dance with the Trinity sing with the angels and enjoy the delightful company of the saints including the saints we have known

and loved on earth The book will deal with what we will be doing in the Holy City and in the magnificence of the new creation and what it means to say that we will feast at the heavenly banquet If you want answers to these questions at once inspired by Christian tradition and modern insight and presented in a fresh and compelling manner this book is for you It is written not only for theologians and specialists but also for inquiring Catholics and other Christians seeking to deepen their understanding of life after death It will serve theology students seminarians clergy religious educators and parish study groups Readers willing to invest time and energy in the book will find their view of heaven deepened and expanded A *Heavenly Directory* Ryan M. McGraw, 2014-06-18 There is a growing body of historical literature on the importance of John Owen Ryan M McGraw seeks to reassess Owen s theology in light of the way in which he connected his trinitarian piety to his views of public worship McGraw argues that Owen s teaching on communion with God as triune was the foundation of his views of public worship and that he regarded public worship as the highest expression of communion with the triune God These themes not only highlight Owen s context as a Reformed orthodox theologian but the distinctive influence of English Puritanism on his theological emphases The connection between his practical trinitarianism and public worship runs through the course of his writings and every major area of his theology These include the nature of theology the knowledge of God the doctrine of the Trinity public worship spiritual affections apostasy covenant theology ecclesiology and Christology This work treats these themes in Owen s thought and shows how they intersect and are intertwined with the Trinity and public worship In addition this book provides a detailed exposition of the parts of Reformed worship While other works have treated the centrality of his trinitarianism in his theology few have acknowledged the importance of public worship in his thinking This research concludes that communion with God in public worship was integral to Owen s practical trinitarian theology

God's Life in Trinity Miroslav Volf, Michael Welker, Jürgen Moltmann s distinctive insights in trinitarian theology especially about the relations within God and God s presence in creation are revolutionary for theology and set the stage for these further explorations The esteemed group of contributors in this volume probes new ways of understanding the triune character of God Among the contributors are Nicholas Conzas Sarah A Coakley Harvey G Cox Jr Lyle Dabney David Fergusson David H Kelsey Daniel Migliore Gerald O Collins John Polkinghorne William Schweiker Dirk Smit Bryan D Spinks Kathryn Tanner Ronald F Thiemann Miroslav Volf John Webster Nicholas Wolterstorff
