Communists In Harlem During The Depression:

Communists in Harlem During the Depression Mark Naison, 2005 Winner of the Ralph Bunche Award American Political Science Association No socialist organization has ever had a more profound effect on black life than the Communist Party did in Harlem during the Depression Mark Naison describes how the party won the early endorsement of such people as Adam Clayton Powell Jr and how its support of racial equality and integration impressed black intellectuals including Richard Wright Langston Hughes and Paul Robeson This meticulously researched work largely based on primary materials and interviews with leading black Communists from the 1930s is the first to fully explore this provocative encounter between whites and blacks It provides a detailed look at an exciting period of reform as well as an intimate portrait of Harlem in the 1920s and 30s at the high point of its influence and pride

Ralph Ellison and Kenneth Burke Bryan Crable, 2012 Ralph Ellison and Kenneth Burke focuses on the little known but important friendship between two canonical American writers The story of this fifty year friendship however is more than literary biography Bryan Crable argues that the Burke Ellison relationship can be interpreted as a microcosm of the American racial divide Through examination of published writings and unpublished correspondence he reconstructs the dialogue between Burke and Ellison about race that shaped some of their most important works including Burke's *A Rhetoric of Motives* and Ellison's *Invisible Man* In addition the book connects this dialogue to changes in American discourse about race Crable shows that these two men were deeply connected intellectually and personally but the social division between white and black Americans produced hesitation embarrassment mystery and estrangement where Ellison and Burke might otherwise have found unity By using Ellison's nonfiction and Burke's rhetorical theory to articulate a new vocabulary of race the author concludes not with a simplistic healing of the divide but with a challenge to embrace the responsibility inherent to our social order American Literatures Initiative

The Communist Experience in America Harvey Klehr, 2017-07-28 Arguments about whether distinctive features of American society culture political structure economic system or population account for the relative weakness of American radicalism have engaged historians sociologists and political scientists for decades Influential concepts such as frontier theory have been linked with the absence of class conflict in America Other analysts have attributed the failure of the American Left to fierce repression giving red scares and the McCarthy era as illustrations Some have linked the American Left's failure to American immigration winner take all elections and the cultural values of individualism The Communist Party one of America's largest and longest lasting radical groups offers many lessons about how radical political groups can take advantage of or squander their opportunities Klehr focuses on the theme of American exceptionalism and problems that America's capitalist society raised for Marxism and other radical groups *The Communist Experience in America* deals with dissident communist formulations Such groups included a number of talented men who went on to a variety of political and literary careers Klehr also deals with fellow travelers some of whom wrote fascinating essays on American exceptionalism and the decline of

political extremism In part Klehr hopes to inspire the same moral outrage about Communism that fuels those dedicated to ensuring that Nazi crimes are never forgotten or obfuscated Communism in practice everywhere in the world also came at enormous human cost Regardless of their other virtues or qualities those who supported or defended Communism from the safety of the United States must be called to account This work does just that in detail and depth

The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. VII Marcus Garvey, 2023-09-01 The publication of Volume VII marks the completion of the American series of The Marcus Garvey and Universal Negro Improvement Association Papers This final book in the seven volume set charts the magnetic controversial Pan African leader s career from his deportation from the United States in November 1927 to his death in England in 1940 The volume begins with Garvey s triumphant welcome in Jamaica his tour abroad and his entry into Jamaican party politics It traces his reshaping of the organizational structure of the Universal Negro Improvement Association UNIA in the late 1920s and his management of UNIA affairs from Kingston and London in the 1930s Though typically seen as a time of decline this final period of Garvey s life appears in editorials drawn from his publications as a fruitful one in which some of his strongest political writings were produced Surveillance reports filed by Jamaican police and British colonial officials provide a rich account of Garvey s speeches and activities Although he was banned from the United States and restricted from traveling or speaking in many areas under colonial supervision Garvey nevertheless traveled widely after his deportation visiting and influencing affairs in Geneva Paris and London and making organizational tours of Canada and the Caribbean He chaired UNIA conferences in Toronto and inaugurated the School of African Philosophy a series of lectures designed to train UNIA leaders In the mid 1930s he moved the headquarters of the UNIA to London In the final months of his life correspondence between Garvey in England and his young sons in Jamaica shows the personal side of the public leader The tragedy of Garvey s personal demise is framed by the cataclysmic events of Europe entering a world war and by the decline of the movement he had worked so diligently to build The long financial hardships of the previous decade and the loss of Garvey s presence had winnowed the membership of the UNIA Garvey suffered a disabling stroke in January 1940 He died in London the following June as Italy invaded France and Germany prepared to occupy Paris Volume VII ends with the reconstitution of the UNIA in the months immediately after Garvey s death and the establishment of a new headquarters with new leadership in Cleveland The publication of Volume VII marks the completion of the American series of The Marcus Garvey and Universal Negro Improvement Association Papers This final book in the seven volume set charts the magnetic controversial Pan African leader s career

Communist Rhetoric and Feminist Voices in Cold War America Jennifer Keohane, 2018-01-05 This book tells the story of a group of women affiliated with the United States Communist Party CPUSA who used a variety of rhetorical resources to build credibility and transform the party into a vibrant dwelling place for feminist discourse and activism during a conservative period It evidences Communist women s significant and creative resistance to Cold War society and its visions of appropriate

normal womanhood alongside their pleas for class and race consciousness in a country that took for granted the white middle class aspirations of citizens Drawing on Marxist theory transnational coalitions and Cold War culture Communist women s rhetorical strategies were incredibly powerful and this book provides insight into how they catalyzed changes in a rigid political movement by establishing a platform for their radical ideals Black Internationalist Feminism Cheryl Higashida,2011-12-01 Black Internationalist Feminism examines how African American women writers affiliated themselves with the post World War II Black Communist Left and developed a distinct strand of feminism This vital yet largely overlooked feminist tradition built upon and critically retheorized the postwar Left s nationalist internationalism which connected the liberation of Blacks in the United States to the liberation of Third World nations and the worldwide proletariat Black internationalist feminism critiques racist heteronormative and masculinist articulations of nationalism while maintaining the importance of national liberation movements for achieving Black women s social political and economic rights Cheryl Higashida shows how Claudia Jones Lorraine Hansberry Alice Childress Rosa Guy Audre Lorde and Maya Angelou worked within and against established literary forms to demonstrate that nationalist internationalism was linked to struggles against heterosexism and patriarchy Exploring a diverse range of plays novels essays poetry and reportage Higashida illustrates how literature is a crucial lens for studying Black internationalist feminism because these authors were at the forefront of bringing the perspectives and problems of black women to light against their marginalization and silencing In examining writing by Black Left women from 1945 1995 Black Internationalist Feminism contributes to recent efforts to rehistoricize the Old Left Civil Rights Black Power and second wave Black women s movements **A Continuous Struggle** Garrett Felber,2025-05-06 The first biography of the revolutionary political prisoner who laid the foundation for contemporary abolitionist struggles and Black anarchism A Continuous Struggle is a political biography of one of the most important revolutionary figures of the twentieth century in the United States Martin Sostre 1923 2015 was a Black Puerto Rican from East Harlem who became a politicized prisoner and jailhouse lawyer winning cases in the early 1960s that helped secure the constitutional rights of incarcerated people He opened one of the country s first radical Black bookstores and was scapegoated and framed by police and the FBI following the Buffalo rebellion of 1967 He was sentenced by an all white jury to thirty one to forty one years Throughout his nine year imprisonment Sostre transformed himself and the revolutionary movements he was a part of eventually identifying as a revolutionary anarchist and laying the foundation for contemporary Black anarchism During that time he engaged in principled resistance to strip frisks for which he was beaten eleven times raising awareness about the routinized sexual assault of imprisoned people The decade long Free Martin Sostre movement was one of the greatest and most improbable defense campaign victories of the Black Power era alongside those to liberate Angela Davis and Huey Newton Although Sostre receded from public view after his release in 1976 he lived another four decades of committed struggle as a tenant organizer and youth mentor in New York and New Jersey Throughout his long life

Martin Sostre was a jailhouse lawyer revolutionary bookseller yogi mentor and teacher anti rape organizer housing justice activist and original political thinker The variety of strategies he used and terrains on which he struggled emphasize the necessity and possibility of multi faceted and continuous struggle against all forms of oppression in pursuit of an egalitarian society founded on the principles of maximum human freedom spirituality and love

International Communism and the Communist International, 1919-43 Tim Rees, Andrew Thorpe, 1998 The Communist International was formed in Moscow in 1919 as a factory of world revolution but was dissolved in 1943 without having led a single successful working class uprising This book offers a reappraisal of the body

The Communist Party in Maryland, 1919-57 Vernon L. Pedersen, 2001 He also tracks the public's changing perception of the Communists from amused unconcern to alarm and details how the Ober antisubversive law and the HUAC hearings of the 1950s dismantled the Party from without while planting seeds of paranoia that destroyed it from within

A History of African-American Leadership John White, Bruce J. Dierenfield, 2014-06-11 The story of black emancipation is one of the most dramatic themes of American history covering racism murder poverty and extreme heroism Figures such as Malcolm X and Martin Luther King are the demigods of the freedom movements both film and household figures This major text explores the African American experience of the twentieth century with particular reference to six outstanding race leaders Their philosophies and strategies for racial advancement are compared and set against the historical framework and constraints within which they functioned The book also examines the grass roots of black protest movements in America paying particular attention to the major civil rights organizations as well as black separatist groups such as the Nation of Islam

Scarlet and Black, Volume Two Kendra Boyd, Marisa J. Fuentes, Deborah Gray White, 2020-02-21 The 250th anniversary of the founding of Rutgers University is a perfect moment for the Rutgers community to reconcile its past and acknowledge its role in the enslavement and debasement of African Americans and the disfranchisement and elimination of Native American people and culture Scarlet and Black Volume 2 continues to document the history of Rutgers's connection to slavery which was neither casual nor accidental nor unusual Like most early American colleges Rutgers depended on slaves to build its campuses and serve its students and faculty it depended on the sale of black people to fund its very existence This second of a planned three volumes continues the work of the Committee on Enslaved and Disenfranchised Population in Rutgers History This latest volume includes an introduction to the period studied from the end of the Civil War through WWII by Deborah Gray White a study of the first black students at Rutgers and New Brunswick Theological Seminary an analysis of African American life in the City of New Brunswick during the period and profiles of the earliest black women to matriculate at Douglass College To learn more about the work of the Committee on Enslaved and Disenfranchised Population in Rutgers History visit the project's website at <http://scarletandblack.rutgers.edu>

Imagining Black America Michael Wayne, 2014-02-28 DIVScientific research has now established that race should be understood as a social construct not a true biological division of humanity In *Imagining Black America* Michael Wayne explores the

construction and reconstruction of black America from the arrival of the first Africans in Jamestown in 1619 to Barack Obama's reelection. Races have to be imagined into existence and constantly reimagined as circumstances change, Wayne argues, and as a consequence the boundaries of black America have historically been contested terrain. He discusses the emergence in the nineteenth century and the erosion during the past two decades of the notorious one drop rule. He shows how significant periods of social transformation—emancipation, the Great Migration, the rise of the urban ghetto, and the Civil Rights Movement—raised major questions for black Americans about the defining characteristics of their racial community. And he explores how factors such as class, age, and gender have influenced perceptions of what it means to be black. Wayne also considers how slavery and its legacy have defined freedom in the United States. Black Americans, he argues, because of their deep commitment to the promise of freedom and the ideals articulated by the Founding Fathers, became and remain quintessential Americans, the incarnation of America in the words of the civil rights leader A. Philip Randolph. div **The**

Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs, the first edition of *The Encyclopedia of New York City* was a success by every measure, earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published. But much has changed since the volume first appeared in 1995: the World Trade Center no longer dominates the skyline, a billionaire businessman has become an unlikely three-term mayor, and urban regeneration, Chelsea Piers, the High Line, DUMBO, Williamsburg, the South Bronx, the Lower East Side, has become commonplace. To reflect such innovation and change, this definitive one-volume resource on the city has been completely revised and expanded. The revised edition includes 800 new entries that help complete the story of New York from Air Train to E-ZPass, from September 11 to public order. The new material includes broader coverage of subject areas previously underserved, as well as new maps and illustrations. Virtually all existing entries spanning architecture, politics, business, sports, the arts, and more have been updated to reflect the impact of the past two decades. The more than 5,000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis.

Sojourning for Freedom Erik S. McDuffie, 2011-06-27 Illuminates a pathbreaking black radical feminist politics forged by black women leftists active in the U.S. Communist Party between its founding in 1919 and its demise in the 1950s. Holding aloft the Banner of Ethiopia Winston James, 2020-02-18 Marcus Garvey, Claude McKay, Claudia Jones, C. L. R. James, Stokely Carmichael, Louis Farrakhan: the roster of immigrants from the Caribbean who have made a profound impact on the development of radical politics in the United States is extensive. In this magisterial and lavishly illustrated work, Winston James focuses on the twentieth century's first waves of immigrants from the Caribbean and their contribution to political dissidence in America. This diligently researched, wide-ranging and sophisticated book will be welcomed by all those

interested in the Caribbean and its migrs the Afro American current within America s radical tradition and the history politics and culture of the African diaspora *Dissenting Traditions* Sean Carleton,Ted McCoy,Julia Smith,2021-07-12 The work of Bryan D Palmer one of North America s leading historians has influenced the fields of labour history social history discourse analysis communist history and Canadian history as well as the theoretical frameworks surrounding them Palmer s work reveals a life dedicated to dissent and the difficult task of imagining alternatives by understanding the past in all of its contradictions victories and failures *Dissenting Traditions* gathers Palmer s contemporaries students and sometimes critics to examine and expand on the topics and themes that have defined Palmer s career from labour history to Marxism and communist politics Paying attention to Palmer s participation in key debates contributors demonstrate that class analysis labour history building institutions and engaging the public are vital for social change In this moment of increasing precarity and growing class inequality Palmer s politically engaged scholarship offers a useful roadmap for scholars and activists alike and underlines the importance of working class history With contributions by Alan Campbell Alvin Finkel Sam Gindin Gregory S Kealey John McIlroy Kirk Niegarth Bryan D Palmer Leo Panitch Chad Pearson Sean Purdy and Nicholas Rogers

Towards the Abolition of Whiteness David R. Roediger,1994-03-17 Counting the costs of whiteness in the American past and present

Encyclopedia of the Harlem Renaissance: K-Y Cary D. Wintz,Paul Finkelman,2004 An interdisciplinary look at the Harlem Renaissance it includes essays on the principal participants those who defined the political intellectual and cultural milieu in which the Renaissance existed on important events and places **Laboured Protest** Oliver Ayers,2018-12-07 Historians have long realized the US civil rights movement pre dated Martin Luther King Jr but they disagree on where when and why it started *Laboured Protest* offers new answers in a study of black political protest during the New Deal and Second World War It finds a diverse movement where activists from the left operated alongside and often in competition with others who signed up to liberal or nationalist political platforms Protestors in this period often struggled to challenge the different types of discrimination facing black workers but their energetic campaigning was part of a more complex and ultimately more interesting movement than previously thought *Revolting New York* Neil Smith,Don Mitchell,Erin Siodmak,JenJoy Roybal,Marnie Brady,Brendan O'Malley,2018-04-01 A comprehensive guide to New York City s historical geography of social and political movements Occupy Wall Street did not come from nowhere It was part of a long history of uprising that has shaped New York City From the earliest European colonization to the present New Yorkers have been revolting Hard hitting revealing and insightful *Revolting New York* tells the story of New York s evolution through revolution a story of near continuous popular and sometimes not so popular uprising Richly illustrated with more than ninety historical and contemporary images historical maps and maps drawn especially for the book *Revolting New York* provides the first comprehensive account of the historical geography of revolt in New York from the earliest uprisings of the Munsee against the Dutch occupation of Manhattan in the seventeenth century to the Black Lives Matter movement and the unrest of

the Trump era Through this rich narrative editors Neil Smith and Don Mitchell reveal a continuous if varied and punctuated history of rebellion in New York that is as vital as the more standard histories of formal politics planning economic growth and restructuring that largely define our consciousness of New York's story Contributors Marnie Brady Kathleen Dunn Zolt n Gluck Rachel Goffe Harmony Goldberg Amanda Huron Malav Kanuga Esteban Kelly Manissa McCleave Maharawal Don Mitchell Justin Sean Myers Brendan P O Malley Raymond Pettit Miguelina Rodriguez Jenjoy Roybal McNair Scott Erin Siodmak Neil Smith Peter Waldman and Nicole Watson The writing is first rate with ample illustrations and many contemporary and historical images Fast paced and fascinating like the city it profiles Library Journal
