Kent Julian, 2008-11-04 As youth workers we all have our vision the plan we hope to make real in our ministries to change the lives of teenagers as we introduce them to Jesus But how often have you found yourself wondering if your picture is just wrong or thinking you just don t know how to make your ministry match what you envision In 101 Ideas

for Making Disciples in Your Youth Group you'll explore the idea of ACTS to create a disciple making ministry with the elements needed to create an environment necessary to cultivate this mission. ACTS represents everything a missional youth ministry needs to be about: Adoration. More than an act, this is a lifestyle that is fleshed out in expressions of prayerful dependence, deep gratitude and expectancy in what God can do. Community. This is an atmosphere of genuine caring, authentic relationships and unity based on Christ's love for his Church and the Church's love for one another. Truth and Grace. The basis of everything that is taught and valued; this is a setting where God's Word is the standard and central to belief and behavior. Serving and Sharing. As a way of life, serving involves helping the whole person by ministering to both believers and the lost by meeting their needs as well as verbally sharing God's message of grace. As you dig into each aspect of ACTS you'll discover Jesus' style and see how he cultivated each element in his own ministry. Then you'll explore the youth ministry style of each aspect where you'll find 25 hands-on, easy-to-implement ideas on how to cultivate the same element in your context in order to create an environment of disciple making that finally fits your ministry.

**Ministry by Teenagers** Jonathan McKee, David R. Smith, 2011-01-04. What would happen if we gave teenagers opportunities to serve and use their gifts in ministry prior to high school graduation? What if we poured into these young leaders, discipling them and doing ministry alongside of them, helping them grow spiritually, seeing and experiencing God working through them? What if we eased back on our ministry to students, supplementing it with ministry by students? These compelling questions are at the heart of *Ministry by Teenagers*, and once authors McKee and Smith lay out the what-ifs, they combine their collective experience in youth ministry to provide a practical and detailed guide for how to. The book is jam-packed with ideas, advice and resources for: Fostering discipleship, Building student leadership teams, Identifying student talent, Helping students discover and use their spiritual gifts, Creating service teams, Equipping students to reach their friends. It's a must-have tool for youth workers who want to tap the gold mine of talent, passion and leadership potential they see every day in young Christians.
