Khâwand Shâh Mîr Khwând, Muḥammad ibn Khâvandshâh Mîr Khvând, 1891 Sahih al-Bukhari Imam al-Bukhari, 2013-11-11 This work comprises the historical chapters of the most important compilations of Traditions Kit b al J mi a a by Im m Mu ammad ibn Ism l al Bukh r and depicts the beginning of the Prophet s revelation the merits of the Prophet s Companions and the early years of Islam up to and including the decisive turning point of Islamic history the Battle of Badr Although the author set out to translate the whole of the a al Bukh r he could not accomplish the task for much of his manuscripts were destroyed in the chaos and the inter religious holocaust that followed upon the outbreak of the Second World War and the partition of the Indian subcontinent However this led to his realisation in his own words ten years spent on analysing translating and clarifying the a were a God willed preparation for a work which for a very long time had represented an enticing dream to me a new rendering into English of the Message of the Qur n and Commentary based on the principle that the doors of ijti h d have never been and never could be closed to man s searching intellect The result was the author s Qur nic commentary under the title The Message of the Qur n published in 1980 Any scholarly reader of that work will easily recognise how much of the spirit of ad th and hence of the immortal labour of Im m Bukh r has gone into his interpretation of the word of God

The Concept of Coexistence in Islamic Primary Sources Ali Shehata Abdou Selim, 2015-02-27 The terms coexistence partnership citizenship and globalization all have a profound impact on today s decision makers and their policy formation as well as on individuals While these terms have been widely used all over the world particularly in the West in the construction of identity they have been considered unworthy of a detailed analysis in the context of Muslim identity Some scholars argue that Muslim Christian relations are caught between advocates of homogenization on the one hand and supporters of self affirmation on the other While the former concept favours relativism the latter is seen to encourage fanaticism In addition such scholars claim that the tension between Muslims and Christians is due to a complex history of rivalry and war which has led to the issue of Muslims positive coexistence being elucidated from historical and sociological points of view Given the paucity of literature regarding a faith based study of Muslim coexistence this book elaborates on the theological aspect of Muslims coexistence in non Muslim lands and raises a number of theological questions arguments and counter arguments pertinent to this issue Is it permissible for Muslims to live in a non Muslim country Is it permissible for Muslims to acquire non Muslim citizenship What are the obstacles How do Muslims perceive civic duties in non Muslim countries Are Muslims obliged to fulfil them The book presents a number of scholarly discussions from past and contemporary sources as well as international human rights treaties which stress the significance of the much overlooked factor of context **The Moslem World** ,1923 The Rauzat-us-safa, Or, Garden of Purity: v. 1-2.
