Speaking of Language and Law Lawrence Solan, Janet Ainsworth, Roger W. Shuy, 2015-07-28 Among the most prominent scholars of language and law is Peter Tiersma a law professor at Loyola Law School with a doctorate in linguistics co editor of *The Oxford Handbook of Language and Law* Tiersma's significant body of work traverses a variety of legal and linguistic fields This book offers a selection of twelve of Tiersma's most influential publications divided into five thematic areas that are critical to both law and linguistics Language and Law as a Field of Inquiry Legal Language and its History Language and Civil Liability Language and Criminal Justice and Jury Instructions Each paper is accompanied by a brief commentary from a leading scholar in the field offering a substantive conversation about the ramifications of Tiersma's work and the disagreements that have often surrounded it *Shallow Equality and Symbolic Jurisprudence in Multilingual Legal Orders* Janny H.C. Leung, 2019-01-28 What challenges face jurisdictions that attempt to conduct law in two or more languages How does choosing a legal language affect the way in which justice is delivered Answers to these questions are vital for the 75 officially bilingual and multilingual states of the world as well as for other states contemplating a move towards multilingualism Arguably such questions have implications for all countries in a world characterized by the pressures of globalization economic integration population mobility decolonization and linguistic re colonization For lawyers addressing such challenges is made essential by the increased frequency and scale of transnational legal dealings and proceedings as well as by the lengthening reach of international law But it is not only policy makers legislators and other legal practitioners who must think about such questions The relationship between societal multilingualism and law also raises questions for the burgeoning field of language and law which posits among other tenets the centrality of language in legal processes In this book Janny H C Leung examines key aspects of legal multilingualism Drawing extensively on case studies she describes the implications of the legal practical and ideological dilemmas encountered in a given country when it becomes bilingual or multilingual discussing such issues as how legal certainty and the linguistic ideology of authenticity may be challenged in a multilingual jurisdiction how courts balance the language preferences of different courtroom participants and what historical socio political and economic factors may influence the decision to cement a given language as a jurisdiction's official language Throughout Leung elaborates a theory of symbolic jurisprudence to explore common dilemmas found across countries despite their varied political and cultural settings and argues that linguistic equality as proclaimed and practiced today is a shallow kind of equality Although officially multilingual jurisdictions appear to be more inclusive than their monolingual counterparts they run the risk of disguising substantive inequalities and displacing real efforts for more progressive social change This is the first book to offer overarching discussion of how such issues relate to each other and the first systematic study of legal multilingualism as a global phenomenon **Languages for Special Purposes** John Humbley, Gerhard Budin, Christer Laurén, 2018-10-22 This handbook gives an overview of language for special purposes LSP in scientific professional and other contexts with particular focus on teaching and training It provides insights into research

paradigms theories and methods while also highlighting the practical use of LSPs in concrete discourse situations The volume is transdisciplinary oriented with a firm basis in the language sciences including terminology knowledge transfer multilingual and cross cultural exchange

Between Text, Meaning and Legal Languages Jan Engberg, 2023-12-04 This collection on legal interpretation in a broad sense presents state of the art linguistic approaches that are applied for studying interpretation and meaning generation in various legal settings It covers different aspects of the concepts like judicial dissent court argumentation investigating sociological meaning or comparing legal meaning in comparative law Scholars can turn to the volume for methods and findings to ground their own inquiries and students will find guides to topics and methods in the field of law meaning generation and language

The Principle of Solidarity Eva Kassoti, Narin Idriz, 2023-02-13 This edited volume explores the principle of solidarity in international and EU law Although the concept is regularly invoked in international and EU legal and policy debates alike its meaning nature and functions as well as normative contours still remain nebulous The contributions in this volume reflect on the legal trajectory of solidarity in international and EU law and offer unique insights into the evolution and status of the principle in different fields of international and EU law By doing so the book also serves as a springboard for answering broader questions pertaining to what the stage of development of this principle may imply for the two legal orders and their interaction As the chapters of this book show the debate on solidarity is premised on conflicting visions regarding the values underpinning the international legal order as well as the self interest or community oriented driving forces behind States action at the international level The regional EU law perspective offers a new lens through which to revisit classic questions pertaining to the nature of modern international law and to assess its continuing relevance in a world of regional organizations presenting different visions and levels of co operation This book the second volume to appear in the Global Europe Series will appeal to international and EU law researchers and policy makers alike with an interest in the nature and function of the principle of solidarity in international and EU law Eva Kassoti is Senior researcher in EU and International Law at the T M C Asser Institute in The Hague The Netherlands and the Academic Co ordinator of CLEER Narin Idriz is Researcher in EU Law at the T M C Asser Institute in The Hague The Netherlands
