Comparative Perspectives On Gender Violence Lessons From Efforts Worldwide Interpersonal Violence:

Comparative Perspectives on Gender Violence Rashmi Goel, Leigh Goodmark, 2015 The United States has exported its law on gender violence without regard to effectiveness or cultural context and without asking about efforts to combat gender violence in the rest of the world This book answers that question by surveying the work being done around the world to eradicate gender violence The Palgrave Handbook of Criminology and the Global South Kerry Carrington, Russell

Hogg, John Scott, Máximo Sozzo, 2018-01-12 The first comprehensive collection of its kind this handbook addresses the problem of knowledge production in criminology redressing the global imbalance with an original focus on the Global South Issues of vital criminological research and policy significance abound in the Global South with important implications for South North relations as well as global security and justice In a world of high speed communication technologies and fluid national borders empire building has shifted from colonising territories to colonising knowledge The authors of this volume question whose voices experiences and theories are reflected in the discipline and argue that diversity of discourse is more important now than ever before Approaching the subject from a range of historical theoretical and social perspectives this collection promotes the Global South not only as a space for the production of knowledge but crucially as a source of innovative research and theory on crime and justice Wide ranging in scope and authoritative in theory this study will appeal to scholars activists policy makers and students from a wide range of social science disciplines from both the Global North and South including criminal justice human rights and penology **The Routledge International Handbook on**

Femicide and Feminicide Myrna Dawson, Saide Mobayed Vega, 2023-05-31 This volume explores in depth femicide and feminicide bringing together our current knowledge on this phenomenon and its prevention No country is free from femicide feminicide which represents the tip of the iceberg in male violence against women and girls Therefore it is crucial and timely to better understand how states and their citizens are experiencing and responding to femicide feminicide globally Through the work of internationally recognised feminist and grassroots activists researchers and academics from around the world this handbook offers the first in depth global examination of the growing social movement to address femicide and feminicide It includes the current state of knowledge and the prevalence of femicide feminicide and its characteristics across countries and world regions as well as the social and legal responses to these killings The contributions contained here look at the accomplishments of the past four decades ongoing challenges and current and future priorities to identify where we need to go from here to prevent femicide feminicide specifically and male violence against women and girls overall This transnational multidisciplinary cross sectoral handbook will contribute to research policy and practice globally at a time when it is needed the most It brings a visible global focus to the growing concern about femicide feminicide underscoring the importance of adopting a human rights framework in working towards its prevention in an increasingly unstable global world for women and girls **The Routledge Handbook of Gender and Violence** Nancy Lombard, 2018-01-02 The Routledge Handbook of

Gender and Violence provides both a comprehensive and authoritative state of the art overview of the latest research in the field of gender and violence Each of the 23 specially commissioned chapters develops and summarises their key issue or debate including rape stalking online harassment domestic abuse FGM trafficking and prostitution in relation to gender and violence They study violence against women but also look at male victims and perpetrators as well as gay lesbian and transgender violence The interdisciplinary nature of the subject area is highlighted with authors spanning criminology social policy sociology geography health media and law alongside activists and members of statutory and third sector organisations The diversity of perspectives all highlight that gendered violence is both an age old and continuing social problem By drawing together leading scholars this handbook provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom and will be of interest to students academics social workers and other professionals working to end gender based violence

Gender and Violence in Historical and Contemporary Perspectives Jyoti Atwal,Iris Flessenkämper,2019-08-08 This book covers a range of issues and phenomena around gender related violence in specific cultural and regional conditions Using an interdisciplinary approach it discusses historical and contemporary developments that trigger violence while highlighting the social conditions practices discourses and cultural experiences of gender related violence in India Beginning with the issues of gender based violence within the traditional context of Indian history and colonial encounters it moves on to explore the connections between gender minorities marginalisation sexuality and violence especially violence against Dalit women disabled women and transgender people It traces and interprets similarities and differences as well as identifies social causes of potential conflicts Further it investigates the forms and mechanisms of political economic and institutional violence in the legitimization or de legitimization of traditional gender roles The chapters deal with sexual violence violence within marriage and family influence of patriarchal forces within factory based gender violence and global processes such as demand driven surrogacy and the politics of literary and cinematic representations of gender based violence The book situates relevant debates about India and underlines the global context in the making of the gender bias that leads to violence both in the public and private domains An important contribution to feminist scholarship this book will be useful to scholars and researchers of gender studies women s studies history sociology and political science

Family Law and Gender in the Middle East and North Africa Adrien K. Wing, Hisham A. Kassim, 2023-06-01 The volume serves as reference point for anyone interested in the Middle East and North Africa as well as for those interested in women's rights and family law generally or in the MENA region It is the only book covering personal status codes of nearly a dozen countries It covers Muslim family law in the following Middle East north African countries Tunisia Egypt Morocco Algeria Iraq Lebanon Jordan Israel Palestine and Qatar Some of these countries were heavily affected by the Arab Spring and some were not With authors from around the world each chapter of the book provides a history of personal status law both before and after the revolutionary period Tunisia emerges as the country that made the most significant progress politically and with respect to women's rights A decade on from the Arab Spring across the region there is more evidence of stasis than change

Restorative and Responsive Human Services Gale Burford, John Braithwaite, Valerie Braithwaite, 2019-03-04 In Restorative and Responsive Human Services Gale Burford John Braithwaite and Valerie Braithwaite bring together a distinguished collection providing rich lessons on how regulation in human services can proceed in empowering ways that heal and are respectful of human relationships and legal obligations The human services are in trouble combining restorative justice with responsive regulation might redeem them renewing their well intended principles Families provide glue that connects complex systems What are the challenges in scaling up relational practices that put families and primary groups at the core of health education and other social services This collection has a distinctive focus on the relational complexity of restorative practices How do they enable more responsive ways of grappling with complexity than hierarchical and prescriptive human services Lessons from responsive business regulation inform a re imagining of the human services to advance wellbeing and reduce domination Readers are challenged to re examine the perverse incentives and contradictions buried in policies and practices How do they undermine the capacities of families and communities to solve problems on their own terms This book will interest those who harbor concerns about the creep of domination into the lives of vulnerable citizens It will help policymakers and researchers to re focus human services to fundamental outcomes at the foundation of sustainable democracies This book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Governance Feminism Janet Halley, Prabha Kotiswaran, Rachel Rebouché, Hila Shamir, 2019-03-26 An interdisciplinary multifaceted look at feminist engagements with governance across the global North and global South Governance Feminism Notes from the Field brings together nineteen chapters from leading feminist scholars and activists to critically describe and assess contemporary feminist engagements with state and

state like power Gathering examples from North America South America Europe Asia and the Middle East it complements and expands on the companion volume Governance Feminism An Introduction Its chapters argue that governance feminism GF is institutionally diverse and globally distributed emerging from traditional sites of state power as well as from various forms of governance and operating at the grassroots level in the private sector in civil society and in international relations The book begins by confronting the key role that crime and punishment play in GFeminist projects Here contributors explore the ideological and political conditions under which this branch of GF became so robust and rethink the carceral turn Other chapters speak to another face of GFeminism feminists finding in mundane and seemingly unspectacular bureaucratic tools leverage to bring about change in policy and governance practices Several contributions highlight the political strategic and ethical challenges that feminists and LGBT activists must negotiate to play on the governmental field The book concludes with a focus on feminist interventions in postcolonial legal and political orders looking at new policy spaces opened up by conflict postconflict and occupation Providing a clear cross cutting critical lens through which to map developments in feminist governance around the world Governance Feminism Notes from the Field makes sense of the costs and benefits of current feminist realities to reimagine feminist futures Contributors Libby Adler Northeastern U Aziza Ahmed Northeastern U Elizabeth Bernstein Barnard College Amy J Cohen Ohio State U Karen Engle U of Texas at Austin Jacob Gersen Harvard U Leigh Goodmark U of Maryland Aeyal Gross Tel Aviv U Aya Gruber U of Colorado Boulder Janet Halley Harvard U Rema Hammami Birzeit U Palestine Vanja Hamzi U of London Isabel Cristina Jaramillo Sierra Prabha Kotiswaran King s College London Maleiha Malik King s College London Vasuki Nesiah New York U Dianne Otto Melbourne Law School Helen Reece Darren Rosenblum Pace U Jeannie Suk Gersen Harvard U Mariana Valverde U of Toronto

Coercive Control Evan Stark,2023 Coercive Control a major update of the seminal first edition contains painful first hand accounts of psychological sexual financial and physical abuse of women Stark identifies the elements of coercive control and the harms they pose to women and their rights New laws policies and approaches are proposed for supporting perpetrators and victims The overall effect is uplifting because the numerous real life stories emphasize survival and endurance

Children of Coercive Control Evan Stark,2023 In accessible prose illustrated by dramatic cases from his forensic practice Evan Stark shows that the vast majority of children killed or seriously injured in families are victims of coercive control by their father Coercive control has been adapted by many countries and US States as the overarching definition of violence against women Children are secondary victims of this process Stark describes why he would abolish the child welfare system and replace the ameliorative approach to child abuse and child protection with criminal laws against coercive control and support independence for women and children

Religion and Intimate Partner Violence Nancy Nason-Clark,Barbara Fisher-Townsend,Catherine Holtmann,Stephen McMullin,2018 Intimate partner violence is a complex ugly fear inducing reality for large numbers of women around the world When violence exists in a relationship safety is compromised shame

abounds and peace evaporates Violence is learned behavior and it flourishes most when it is ignored minimized or misunderstood When it strikes the homes of deeply religious women they are more vulnerable more likely to believe that their abusive partners can and will change less likely to leave a violent home temporarily or forever often reluctant to seek outside sources of assistance and frequently disappointed by the response of the religious leader to their call for help These women often believe they are called by God to endure the suffering to forgive and to keep on forgiving their abuser and to fulfill their marital vows until death do us part Concurrently many batterers employ explicitly religious language to justify the violence towards their partners and sometime they manipulate spiritual leaders who try to offer them help Religion and Intimate Partner Violence seeks to navigate the relatively uncharted waters of intimate partner violence in families of deep faith The program of research on which it is based spans over twenty five years and includes a wide variety of specific studies involving religious leaders congregations battered women men in batterer intervention programs and the army of workers who assist families impacted by abuse including criminal justice workers therapeutic staff advocacy workers and religious leaders The authors provide a rich and colorful portrayal of the intersection of intimate partner violence and religious beliefs and practices that inform and interweave throughout daily life Such a focus on lived religion enables readers to isolate examine and evaluate ways in which religion both augments and thwarts the journey towards justice accountability healing and wholeness for women and men caught in the web of intimate partner violence **Hardship Duty** Stephanie

Bonnes,2024 In *Hardship Duty* Stephanie Bonnes focuses on the puzzle of how sexual abuse remains highly prevalent in an organization that has dynamic policies prevention strategies and evolving education programs designed to combat sexual violence as well as victim services and legal assistance Bonnes uncovers the processes that sustain sexual violence vulnerability and the institutional and interpersonal factors that contribute to harassment She also examines how organizational values shape harassment and broader workplace experiences of U S servicewomen *Men's Activism to End Violence Against Women* Nicole Westmarland,Anna-Lena Almqvist,Linn Egeberg Holmgren,Sandy Ruxton,Stephen Burrell,Custodio Delgado Valbuena,2021-07-20 EPUB and EPDF available Open Access under CC BY NC ND licence Some have argued that more men should play a role in ending violence against women but what do we know about those men who are already doing so Using case studies from Spain Sweden and the UK this book highlights those men who are already taking action Examining the social cultural political and economic factors that support men to take a public stance the authors explore what we can learn from their experiences in order to help build the movement to end violence against women This important study will inform scholars and students of sociology and gender studies as well as social movements and organisations working to involve and engage men and boys in achieving gender equality **The Emerald Handbook of**

Feminism, Criminology and Social Change Sandra Walklate,Kate Fitz-Gibbon,Jude McCulloch,JaneMaree Maher,2020-07-02 *Emerald Studies in Criminology Feminism and Social Change* offers a platform for innovative engaged and

forward looking feminist informed work to explore the interconnections between social change and the capacity of criminology to grapple with the implications of such change

Women, Intimate Partner Violence, and the Law

Heather Douglas, 2021-01-15 Every year millions of women across the world turn to the law to help them live free from intimate partner violence They engage with child protection services and police and apply for civil protection orders They seek family court orders to keep their children safe from violent fathers and take special visa pathways to avoid deportation following their separation from an abuser Women are often driven to interact with the law to counteract their abuser s myriad legal applications against them While separation may seem like a solution often the abuse just gets worse Countless women who have experienced intimate partner violence are enmeshed in overlapping complex and often inconsistent legal processes They have both fleeting and longer term connections with the legal system Women Intimate Partner Violence and the Law explores how women from many different backgrounds interact with the law in response to intimate partner violence over time Drawing on their experiences of seeking help from the law this book highlights the many failures of the legal system to provide safety for women and their children The women s stories show how abusers often harness aspects of the legal process to continue their abuse Heather Douglas reveals women s complex experiences of using law as a response to intimate partner violence Douglas interviewed women three times over three years to reveal their journey through the legal process On occasion the legal system allowed some women closure However circular and unexpected outcomes were a common experience The resulting book showcases the level of endurance tenacity and patience it takes women to seek help and receive protection through law This book shows how the legal system is failing too often to keep women and their children safe and how it might do better

Women's Journey to Empowerment in the 21st Century

Kristen Zaleski, Annalisa V. Enrile, Eugenia L. Weiss, 2020 Written through the lens of transnational feminism Women s Journey to Empowerment in the 21st Century offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era By examining a range of issues the book compels readers to utilize a contextual framework in taking a closer look at contemporary violence and oppression against women in our world

Coercive Control Charlotte Barlow, Sandra Walklate, 2022-01-18 This book offers a critical appreciation of the nature and impact of coercive control in interpersonal relationships It examines what this concept means who is impacted by the behaviours it captures and how academics policymakers and policy advocates have responded to the increasing recognition of the deleterious effects that coercive control has on especially women s lives The book discusses the historical emergence of this concept who its main proponents have been and how its effects have been understood It considers the role of coercive control in making sense of women s pathway into crime as well as their experiences of it as victims Coercive control has been presented predominantly as a gendered process and consideration is given in this book to the efficacy of this assumption as well as the extent to which the concept makes sense for a wide constituency of marginalized women In recent years much

energy has been given to efforts to criminalize coercive control and the concerns that these efforts generate are discussed in detail alongside what the limitations to such initiatives might be In conclusion the book situates the rising pre occupation with coercive control within the broader concerns with policy transfer ways of taking account of victim survivor voices alongside the importance of working towards more holistic policy responses to violence s against women The book will be of particular interest to academics policymakers and practitioners working in criminal justice who wish to understand both the nature and extent of coercive control and the importance of appreciating the role of nuance in translating that understanding into practice

Urban Gun Violence Melvin Delgado,2021 *Urban Gun Violence* explains the abuse of automatic weapons and identifies way to mitigate this abuse

The Emerald Handbook of Crime, Justice and Sustainable Development Jarrett Blaustein,Kate Fitz-Gibbon,Nathan W. Pino,Rob White,2020-11-18 This volume brings together a diverse collection of essays that critically examine issues relating to crime and justice in the United Nations 2030 Agenda for Sustainable Development Chapters examine the issues that practitioners face in working to advance this agenda and the possibilities that exist to advance sustainable development outcomes
