Compare Isaiah Understanding Biblical Scriptures In The Of Mormon:

Compare Isaiah Mark Swint,2009 A study of the verses from the Book of Isaiah and other biblical writings found in the Book of Mormon A Word in Season Joseph M. Spencer,2023-11-21 A groundbreaking look at the relationship between two sacred texts The Book of Mormon s narrative privileges Isaiah over other sources provocatively interpreting and at times inventively reworking the biblical text Joseph M Spencer sees within the Book of Mormon a programmatic investigation regarding the meaning and relevance of the Book of Isaiah in a world increasingly removed from the context of the times that produced it Working from the crossroads of reception studies and Mormon studies Spencer investigates and clarifies the Book of Mormon s questions about the vitality of Isaiah s prophetic project Spencer s analysis focuses on the Book of Mormon s three interactions with the prophet the character of Abinadi the resurrected Jesus Christ and the nation founding figure of Nephi Working from the Book of Mormon as it was dictated Spencer details its vital and overlooked place in Isaiah s reception while recognizing the interpretation of Isaiah as an organizing force behind the Book of Mormon

Understanding the Book of Mormon Grant Hardy,2010-04-07 Mark Twain once derided the Book of Mormon as chloroform in print Long and complicated written in the language of the King James version of the Bible it boggles the minds of many Yet it is unquestionably one of the most influential books ever written With over 140 million copies in print it is a central text of one of the largest and fastest growing faiths in the world And Grant Hardy shows it s far from the coma inducing doorstep caricatured by Twain In Understanding the Book of Mormon Hardy offers the first comprehensive analysis of the work s narrative structure in its 180 year history Unlike virtually all other recent world scriptures the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions moral injunctions or devotional hymns Hardy takes readers through its characters events and ideas as he explores the story and its messages He identifies the book s literary techniques such as characterization embedded documents allusions and parallel narratives Whether Joseph Smith is regarded as author or translator it s noteworthy that he never speaks in his own voice rather he mediates nearly everything through the narrators Nephi Mormon and Moroni Hardy shows how each has a distinctive voice and all are woven into an integral whole As with any scripture the contending views of the Book of Mormon can seem irreconcilable For believers it is an actual historical document transmitted from ancient America For nonbelievers it is the work of a nineteenth century farmer from upstate New York Hardy transcends this intractable conflict by offering a literary approach one appropriate to both history and fiction Regardless of whether readers are interested in American history literature comparative religion or even salvation he writes the book can best be read if we examine the text on its own terms

Mormon Hermeneutics Jeffrey S. Krohn, 2022-05-13

Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics
