## **Compass A Handbook On Parent Leadership:**

**Compass** James B. Stenson, 2003 *Compass* summarizes the lessons and experiences of parents to help them succeed as leaders for their children. Author and Educator James Stenson relates thirty years experience with parents who have lived as great leaders in family life and have succeeded with their sacred mission to raise their children right. How they did it and why they did it are the focus of this book, forming character, countering the consumer culture, understanding discipline and dealing with the influence of mass media. In *Compass* he shares his insights about leadership in family life and how this parental guidance is vitally important. Listen to author James Stenson speak about *Successful Fathers*. **Character Matters** Thomas Lickona, 2004-02-10 In *Why Character Matters* a leader in the character education movement and author of the landmark book *Educating for Character* Lickona now lays out 100 specific strategies that will help parents as well as teachers instill children with the values that will help them lead good and successful lives. *Parenting Your Child Leader* Darryl Bodkin, 2013-05 p Darryl Bodkin has written a wonderful treatise on child development and leadership. He writes from a child's perspective on parenting and provides invaluable insight on the subject of leadership growth and development. When I was 11 years of age my life was torn apart by the loss of my father in a tragic construction accident. It was a defining moment for me. Fortunately my godly grandmother sat down with me and told me that I had to be the leader in our home since I was the oldest child. From that moment leadership was thrust upon me. Reading this book has caused me to reflect on that landmark day in my own childhood when I started on a leadership journey. I commend Darryl Bodkin's book to you for your enjoyment and personal growth. I believe every parent who reads it will benefit from the lessons taught on parenting and will gain an understanding of how to encourage the development of leadership qualities in children. Proverbs 3:5-6 is a sterling reminder of the potential for vital Christian leadership within every child that is born into God's big world. Dr. Stan A. Toler, Bestselling Author, Oklahoma City, Oklahoma. *Evangelizing Our Children with Joy* Mary Cooney, 2017-01-01 Our children are destined for greatness, each and every one of them. But let us not confuse fame with greatness. All of our children, whether they lead ordinary or extraordinary lives, are called to exemplary virtue, generous sacrifice, courageous heroism, and above all, deep enduring love. They are called to be saints. These words of Mary Cooney are the driving force behind her book *Evangelizing Our Children with Joy*. With an energizing zeal and drive, Mary shares with us the wisdom that has come from the highs and lows of parenthood, intermingled with the inspiration she has received through prayer and the Bible. From the virtues of mercy, kindness, and patience, virtues abundantly needed in the family setting, to the riches of the sacramental life, Mary shows us how to teach our children that the path to living an extraordinary life leads through the ordinary actions and habits of everyday living. Mary Cooney, wife and mother, was born and raised in Toronto, Canada. With a degree in Music Education and a master's degree in Piano Pedagogy, she has been teaching children for over twenty years. Her most delightful students are her own five lively homeschooled children. She currently lives in Maryland. **Father, The Family Protector** James B.
