Compendium of English Church History: from 1688 to 1830, with a Preface Joseph Rawson Lumby, 2024-01-09
Reprint of the original first published in 1883 *Compendium of English Church History: From 1688 to 1830, with a Preface*
(Classic Reprint) J. Rawson Lumby, 2015-07-08 Excerpt from Compendium of English Church History From 1688 to 1830 With
a Preface Several years ago I promised the publishers of this Volume to prepare for them a Manual of the History of the
English Church between 1688 and 1830 Other duties arose and claimed all my time and I found myself unable to perform my
promise But for two or three years I was in great hope that the work would be done in my stead by a member of the
University who would I am sure have provided an excellent handbook on this subject He however was called away to other
labours and finding himself unable to make such progress with the volume as he desired at last withdrew from the work Soon
after this disappointment both to the publishers and myself the following pages were offered me and on perusing them I
thought them not unsuitable to the purpose for which they were prepared I therefore undertook to look them over as they
passed through the press and to introduce them by a short preface when they were in print About the Publisher Forgotten
Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a
reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of
time The many thousands of books in our collection have been sourced from libraries and private collections around the
world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our
readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that
period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text
photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control
ensures that the readers of Trieste Publishing's books will be delighted with their purchase Our staff has thoroughly
reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest

quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Enjoying the Song of Appearance: An Psychological Symphony within **Compendium English Church History Preface**
