

COMPENSATION AND BENEFITS
LEAVES AND ABSENCES

DEC
(LOCAL)

COMPREHENSIVE
LEAVE

The District's comprehensive leave program includes both paid leave and unpaid leave privileges. Eligibility for the various types of leave depends on the employee's position, the number of months of service per year, and the length of service. [See also DED(LOCAL) for provisions on vacation for 12-month employees]

COMPENSATED LEAVE

Paid leave includes state personal leave, local leave, state sick leave accumulated before May 1, 1995, and vacation leave.

In addition, an employee may be absent without loss of pay and without the absence being charged against the employee's accrued accumulated leave for assault leave, funeral leave as specified below, jury duty, witness subpoenas, professional business, professional consultation, dispute resolution meetings, reserve military duty, and Fulbright Teacher Exchange Programs. [See OTHER PAID LEAVES, below]

Paid leave provisions apply to all salaried and eligible hourly employees. Eligible hourly employees are those in standing, daily assignments that meet the criteria for membership in the Teacher Retirement System (TRS) of Texas. [See TRS Eligibility Requirements]

Paid leave provisions do not apply to individuals whose positions do not meet TRS eligibility criteria. Personnel on less than a 12-month duty schedule who are employed for additional periods of duty on a noncontract status during the summer months are not eligible to use or to accrue personal leave during these periods.

ADVANCED LEAVE

In no instance may state or local leave be approved for more days than have been accumulated in prior years plus that which shall be earned during the employment period of the current school year. Should a recipient of advanced paid leave resign from employment with the District prior to earning the amount of leave advanced, the recipient will have the advanced leave pay deducted from his or her final check.

RATE OF ACCRUAL

An employee shall accrue one day of paid leave per each month of service to be credited at the beginning of each school year. The first five days accrued shall be designated as state personal leave; the remainder of days accrued shall be designated as local leave.

Compensation Manual For Houstonisd

Matthew J. DeLuca

Compensation Manual For Houstonisd:

Texas Workers' Compensation Manual ,2005 The 2005 Texas Workers Compensation Manual includes The Law as written and or modified by the Legislature The rules promulgated by the Commission for enforcement of the Law Our editors notes which explain the statute and rules in everyday language and organizes the statute and rules in a more logical manner The manual is not in loose leaf form but rather a bound book so that you never need worry if updates are filed and in the correct place Court case summaries which identify and highlight significant Supreme Court decisions and Appellate Court decisions concerning workers compensation law Appeal Panel decisions which are the actual rulings on claims before the commission and which help guide your handling of similar cases Appendix many helpful tables and charts and a unique time saving subject index for cross referencing statutes and rules This Edition may well be one of our most important since the groundbreaking 1990 Edition It likely will become essential and a useful tool for years in order to access the provisions and amendments to the law as we now understand it from 1990 2004 as it will take years to work through the current law As you know any case is governed by the law in effect at the date of the accident from the Editor s Page 2005 Texas Workers Compensation Manual *West's South Western Reporter* ,1999 **The Southwestern Reporter** ,1983 [Resources in Education](#) ,1986 [The Martindale-Hubbell Law Directory](#) ,2002 *Rise of Judicial Management in the U.S. District Court, Southern District of Texas, 1955-2000* Steven Harmon Wilson,2010-07-01 This is the first book length study of a federal district court to analyze the revolutionary changes in its mission structure policies and procedures over the past four decades As Steven Harmon Wilson chronicles the court s attempts to keep pace with an expanding diversifying caseload he situates those efforts within the social cultural and political expectations that have prompted the increase in judicial seats from four in 1955 to the current nineteen Federal judges have progressed from being simply referees of legal disputes to managers of expanding courts dockets and staffs says Wilson The Southern District of Texas offers an especially instructive model by which to study this transformation Not only does it contain a varied population of Hispanics African Americans and whites but its jurisdiction includes an international border and some of the busiest seaports in the United States Wilson identifies three areas of judicial management in which the shift has most clearly manifested itself Through docket and case management judges have attempted to rationalize the flow of work through the litigation process Lastly and most controversially judges have sought to bring constitutionally flawed institutions into compliance through structural reform rulings in areas such as housing education employment and voting Wilson draws on sources ranging from judicial biography and oral history interviews to case files published opinions and administrative memoranda Blending legal history with social science this important new study ponders the changing meaning of federal judgeship as it shows how judicial management has both helped and hindered the resolution of legal conflicts and the protection of civil rights **Who's who of Emerging Leaders in America** ,1993 **Paying Teachers for What They Know and Do** Allan Odden,Carolyn Kelley,2002 Updated

Edition of Best Seller Odden and Kelley demonstrate in this edition of *Paying Teachers for What They Know and Do* why they are the primary source for reliable information dealing with teacher compensation Bob Chase President National Education Association Every community developing a strategy to improve schools will want to use this book as a guide It tells you everything you want to know about new teacher compensation strategies that affect all aspects of teaching and learning Yvonne Chan Principal Vaughn Next Century Learning Center San Fernando CA The second edition of *Paying Teachers for What They Know and Do* advances the ongoing discussion of how to create compensation systems that reward teachers for developing the skills and knowledge needed to deliver standards based instruction As Odden and Kelley write We are still at the beginning of the learning curve in understanding which systems are viable and effective and therefore should monitor the development of new teacher compensation systems carefully Sandra Feldman President American Federation of Teachers The demand for more innovative more competitive and more motivating compensation plans for teachers is growing every day and now Allan Odden and Carolyn Kelley have updated their classic book on teacher compensation to give district and site based administrators all the new information and insight they need to start moving in the right direction The second edition of *Paying Teachers for What They Know and Do* describes various pay and compensation initiatives currently in use across the country including signing bonuses upgrades in teacher pensions higher salaries to those who are willing to work in more challenging schools and other approaches It also explores the different types of compensation plans used in the private sector as well as systems based on the continued acquisition of skills knowledge and experience Then Odden and Kelley take the next step and describe exactly how these plans can be applied successfully in districts of any size Topics include The current status of teacher compensation Three approaches to compensating teachers The relationship between pay and motivation Knowledge based and skills based pay Group based performance awards Gain sharing programs Ways to design and implement alternative teacher compensation This valuable book also provides vital information on how these programs can be funded and how school districts can design effective compensation programs that answer the needs of their existing teacher base An essential tool for administrators at every level who want and need to keep the very best teachers and pay them what they re worth
