Consumer Culture And Postmodernism Published In Association With Theory Culture Society:

Consumer Culture and Postmodernism Mike Featherstone, 1991-02 Analyzing the theories of consumption and post modernism amongst social theorists such as Bourdieu and Jameson this study relates their thought to the actual nature of contemporary consumer culture The author suggests that material goods reveal taste and lifestyle in post modernist society

Postmodernism: Disciplinary texts : humanities and social sciences Victor E. Taylor, Charles E. Winquist, 1998 V 1 Foundational essays V 2 Critical Texts V 3 Disciplinary texts Humanities and social sciences V 4 Legal studies psychoanalytic studies visual arts and architecture *Economics and Ageing* José Luis Iparraguirre, 2020-01-29 This upper level textbook provides a coherent introduction to the economic implications of individual and population ageing Placing economic considerations into a wider social sciences context this is ideal reading not only for advanced undergraduate and masters students in health economics and economics of ageing but policy makers professionals and practitioners in gerontology sociology health related sciences and social care This volume introduces topics in the economics of happiness quality of life and well being in later life It also covers questions of inequality and poverty intergenerational economics and housing Other areas described in this book include behavioural economics political economy and consumption in ageing societies Work, Postmodernism and Organization Philip Hancock, Melissa Tyler, 2001-05-02 Work Postmodernism and Organization provides a wide ranging and very accessible introduction to postmodern theory and its relevance for the cultural world of the work organization The book provides a critical review of the debates that have shaped organization theory over the past decade making clear the meaning and significance of postmodern ideas for contemporary organization theory and practice Work Postmodernism and Organization will provide valuable material to advanced undergraduate and postgraduate students of organization theory organizational behaviour industrial sociology and more general business management and sociology courses *Approaching Consumer Culture* Evgenia Krasteva-Blagoeva, 2018-10-25 This fascinating collection analyzes the impact of Western consumer culture on local cultures and consumption in Southeast Europe and East Asia Cultural historical economic and sociopolitical contexts are examined regarding buying behaviors usage and customization practices and consumer activism specifically in Bulgaria Serbia and Romania as cultures continue to evolve in the post socialist era and in China and Japan as a continuation of movements toward modernity and progress Surprising and thought provoking contrasts stand out as consumers balance the global with the local in terms of clothing technology luxury items and food All chapters feature a wealth of empirical and cross cultural data and the presentation is framed by Professor Mike Featherstone s theoretical essay on the origins of consumer culture and the consequences of two hundred years of increasing consumption for the human condition and the future of the planet Included in the coverage You are a socialist child like me Goods and Identity in Bulgaria Consumer Culture from Socialist Yugoslavia to Post Socialist Serbia Movements and Moments Preserves Exiting Socialism Authenticity Anti Standardization and Middle Class Consumption in Post Socialist Romania Modernization

and the Department Store in Early 20th Century Japan Modern Girl and New Consumer Culture Lifestyles A Cultural Reading of Conspicuous Consumption in China Approaching Consumer Culture broadens the cultural anthropology literature and will be welcomed by Western and Eastern scholars and researchers alike Its depth and accessibility make it useful to university courses in cultural anthropology cultural studies and sociology *Data-Driven Smart Community Design* Keng Hua Chong,2024-11-29 This book couples data analytics with social behavioural studies and participatory design to derive deeper insights on city dwellers present needs and future aspirations thereby enabling the development of targeted spatial and programmatic interventions for diverse communities Public housing in Singapore has been regarded internationally as a success story This book outlines the latest strategies and concepts for addressing the emerging social challenges of the ageing population shrinking household size increasingly diverse demographics and widening inequality and fostering inclusive and resilient neighbourhoods Adopting an interdisciplinary approach this book Outlines an innovative data driven planning process for housing neighbourhood and community design Provides a framework for planners and designers to synthesise qualitative and quantitative data analyses Presents a comprehensive set of tested urban analytics tools digital platforms and participatory toolkits used to design and develop community initiatives A recommended text for students undertaking urban planning urban design housing design architecture real estate urban sociology and community design the book s strategies for evidence based neighbourhood designs will also appeal to practitioners and policymakers The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *Touring Cultures* Chris Rojek,John Urry,2002-09-11 It is becoming ever clearer that while people tour cultures cultures and objects themselves are in a constant state of migration This collection brings together some of the most influential writers in the field to examine the complex connections between tourism and cultural change and the relevance of tourist experience to current theoretical debates on space time and identity **Cities of Difference** Ruth Fincher,Jane Margaret Jacobs,1998-03-20 By adopting an approach that is sensitive to issues of difference as well as to the role of the state *Cities of Difference* considers the fragmentation of city life and the complex relationship between identity power and place **Key Concepts in Sports Studies** Stephen Wagg,Belinda Wheaton,Carlton Brick,Jayne Caudwell,2009-09-14 Written by experienced academics used to teaching the subject this book will help students and researchers find their way within the diverse field of sport studies Clear well researched entries explain the key concepts in the debates surrounding the social significance and social dynamics of sport Each entry provides Clear Definitions Relevant Examples Up to date Suggestions for Further Reading Informative Cross Referencing Valuable in its parts and indispensable as a whole this book will provide a stimulating practical guide to the relationship between sport and society Stephen Wagg is Professor of Sport and Society at Leeds Metropolitan University Carlton Brick lectures in the School of Sciences at the University of the West of Scotland in Paisley Belinda Wheaton is a

Senior Research Fellow in the Chelsea School University of Brighton Jayne Caudwell is a Senior Lecturer in the Chelsea School University of Brighton **Routledge Handbook of Leisure Studies** Tony Blackshaw, 2020-07-26 This landmark publication brings together some of the most perceptive commentators of the present moment to explore core ideas and cutting edge developments in the field of Leisure Studies It offers important new insights into the dynamics of the transformation of leisure in contemporary societies tracing the emergent issues at stake in the discipline and examining Leisure Studies fundamental connections with cognate disciplines such as Sociology Cultural Studies History Sport Studies and Tourism This book contains original work from key scholars across the globe including those working outside the Leisure Studies mainstream It showcases the state of the art of contemporary Leisure Studies covering key topics and key thinkers from the psychology of leisure to leisure policy from Bourdieu to Baudrillard and suggests that leisure in the 21st century should be understood as centring on a new Big Seven holidays drink drugs sex gambling TV and shopping No other book has gone as far in redefining the identity of the discipline of Leisure Studies or in suggesting how the substantive ideas of Leisure Studies need to be rethought The Routledge Handbook of Leisure Studies should therefore be the intellectual guide of first choice for all scholars academics researchers and students working in this subject area **Global/Local** Rob Wilson, Wimal Dissanayake, 1996-05-27 This groundbreaking collection focuses on what may be for cultural studies the most intriguing aspect of contemporary globalization the ways in which the postnational restructuring of the world in an era of transnational capitalism has altered how we must think about cultural production Mapping a new world space that is simultaneously more globalized and localized than before these essays examine the dynamic between the movement of capital images and technologies without regard to national borders and the tendency toward fragmentation of the world into increasingly contentious enclaves of difference ethnicity and resistance Ranging across issues involving film literature and theory as well as history politics economics sociology and anthropology these deeply interdisciplinary essays explore the interwoven forces of globalism and localism in a variety of cultural settings with a particular emphasis on the Asia Pacific region Powerful readings of the new image culture transnational film genre and the politics of spectacle are offered as is a critique of globalization as the latest guise of colonization Articles that unravel the complex links between the global and local in terms of the unfolding narrative of capital are joined by work that illuminates phenomena as diverse as yellow cab interracial sex in Japan machinic desire in Robocop movies and the Pacific Rim city An interview with Fredric Jameson by Paik Nak Chung on globalization and Pacific Rim responses is also featured as is a critical afterword by Paul Bov Positioned at the crossroads of an altered global terrain this volume the first of its kind analyzes the evolving transnational imaginary the full scope of contemporary cultural production by which national identities of political allegiance and economic regulation are being undone and in which imagined communities are being reshaped at both the global and local levels of everyday existence

The Search for Fundamentals Lieteke van Vucht Tijssen, Jan Berting, Frank Lechner, 1995-07-31 Modernity dissolves

absolute certainties late modernity dissolves them absolutely In the modern world system there appears to be no firm unchallenged ground on which to construct a meaningful canopy But around the world many individuals and groups long for a kind of cultural coherence that they believe once existed They search for fundamentals While these may be sought in religious traditions many also aspire to new secular certainties In their various new forms and contexts the contemporary quests for meaning in turn transform the societies in which they occur The rich comparative examples in *The Search for Fundamentals* are used to analyze the sources and consequences of several cultural movements The book also offers theoretical reflections on the difficulties they experience and on the message they carry for students of modernity Audience A broad readership of scholars and advanced students in the social sciences and humanities [Encyclopedia of Consumer Culture](#) Dale Southerton,2011-09-15 The *Encyclopedia of Consumer Culture* is the first reference work to outline the parameters of consumer culture and provide a critical scholarly resource on consumption and consumerism [Handbook of Research on the Impact of Culture and Society on the Entertainment Industry](#) Ozturk, R. Gulay,2014-06-30 This reference provides a review of the academic and popular literature on the relationship between communications and media studies cinema advertising public relations religion food tourism art sports technology culture marketing and entertainment practices Provided by publisher *Elite Mobilities* Thomas Birtchnell,Javier Caletrío,2013-08-22 Small in number but great in influence mobile elites have shaped the contours of global capitalism Today these elites continue to flourish globally but in a changing landscape The current economic crisis and rising concerns about the moral legitimacy of extreme wealth coincides with stern warnings over the risks posed by climate change and the unsustainable use of resources Often an out of bounds topic in critical social science elites are thought of as too inaccessible a group to interview and too variable a minority to measure This groundbreaking collection sets out to challenge this perception Through the careful examination of the movements of the one per cent through the everyday spaces of the ninety nine per cent *Elite Mobilities* investigates the shared zones elites inhabit alongside the commons the executive lounge in the airport the penthouse in the hotel or the gated community next to the slum Bringing together the pioneer scholars in critical sociology today this collection explores how social scientists can research map and track the flows and residues of objects wealth and power surrounding the hypermobile *Elite Mobilities* sets a new benchmark in social science efforts to research the powerful and the privileged It will appeal to students and scholars interested in mobilities transport tourism social stratification class inequality consumption and global environmental change **Thinking Art** Antoon van den Braembussche,2009-09-29 In the twentieth century avant garde movements have pushed the concept of art far beyond its traditional boundaries In this dynamical process of constant renewal the prestige of thinking about art as a legitimizing practice has come to the fore So it is hardly surprising that the past decades have been characterized by a revival or even breakthrough of philosophy of art as a discipline However the majority of books on aesthetics fail to combine a systematical philosophical discourse with a real exploration of art practice

Thinking Art attempts to deal with this traditional shortcoming. It is indeed not only an easily accessible and systematic account of the classical modern and postmodern theories of art but also concludes each chapter with an artist's studio in which the practical relevance of the discussed theory is amply demonstrated by concrete examples. Moreover, each chapter ends with a section on further reading in which all relevant literature is discussed in detail. Thinking Art provides its readers with a theoretical framework that can be used to think about art from a variety of perspectives. More particularly, it shows how a fruitful cross fertilization between theory and practice can be created. This book can be used as a handbook within departments of philosophy, history of art, media and cultural studies, cultural history and of course within art academies. Though the book explores theories of art from Plato to Derrida, it does not presuppose any acquaintance with philosophy from its readers. It can thus be read also by artists, art critics, museum directors and anyone interested in the meaning of art.

The Routledge Companion to Digital Consumption Rosa Llamas, Russell Belk, 2013-05-07 The first generation that has grown up in a digital world is now in our university classrooms. They, their teachers and their parents have been fundamentally affected by the digitization of text, images, sound, objects and signals. They interact socially, play games, shop, read, write, work, listen to music, collaborate, produce and co-produce, search and browse very differently than in the pre-digital age. Adopting emerging technologies easily, spending a large proportion of time online and multitasking are signs of the increasingly digital nature of our everyday lives. Yet consumer research is just beginning to emerge on how this affects basic human and consumer behaviours such as attention, learning, communications, relationships, entertainment and knowledge. The Routledge Companion to Digital Consumption offers an introduction to the perspectives needed to rethink consumer behaviour in a digital age that we are coming to take for granted and which therefore often escapes careful research and reflective critical appraisal.

The Commercialization of Intimate Life Arlie Russell Hochschild, 2003-04-24 Looking at a series of intimate moments that affect people, the author of three New York Times Notable Books offers fresh essays on how everyday lives are shaped by modern capitalism. 2 charts.

Modernity, Medicine and Health Paul Higgs, Graham Scambler, 2005-08-19 This book establishes the voice of medical sociology in key debates in the social sciences. Concerning modernity, postmodernity, structuralism and poststructuralism, issues covered include disease and medicine in postmodern times, gender, health and the feminist debate on the postmodern ageing, the lifecourse and the sociology of health and ageing, medicine and complementary medicine, death in postmodernity.

An Introduction to Leisure Studies Peter Bramham, Stephen Wagg, 2014-10-27 There are textbooks galore but there aren't many crafted as intelligently as this one. This book will change the way that students understand leisure. It will give them an easier entry to that place where difficult ideas fuse into something intelligible where real understanding sits and the educated imagination is stirred. Tony Blackshaw, Sheffield Hallam University. Peter Bramham and Stephen Wagg provide a foundation for those studying within the broad field of leisure studies. The book gives students an accessible and engaging introduction to leisure studies and leisure research.

encouraging students to engage in reflexive analysis of their common sense understandings of everyday life and enabling them to develop an understanding of contemporary leisure studies and changing leisure practices
