**Contemporary African American Female Playwrights** Dana A. Williams, 1998-06-30 Lorraine Hansberry's A Raisin in the Sun 1959 was a major dramatic success and brought to the world's attention the potential talent of African American women playwrights But in spite of Hansberry's landmark contribution both the theater and the literary world have often failed to include contemporary African American female playwrights within the circle of production publication and criticism In African American drama anthologies female playwrights are seldom given the degree of attention that is accorded their male counterparts And because of space constraints anthologies of works by women playwrights are forced to exclude numerous female dramatists including African Americans Meanwhile some scholars

have argued that the works of African American female playwrights are seldom produced in the mainstream theater because these plays frequently challenge the views of white America But as *A Raisin in the Sun* demonstrates plays by African American women dramatists can have a powerful message and are worthy of attention A comprehensive research tool this annotated bibliography sheds light on the often neglected works of contemporary African American female playwrights Included within its scope are those dramatists who have had at least one work published since 1959 the year of Hansberry's monumental achievement The first section provides a listing of anthologies that include one or more plays written by an African American female dramatist The second gives entries for reference works and for scholarly and critical studies of the dramatists and their plays The third presents a listing of published plays by individual dramatists along with a summary of each drama the works of each playwright that are related to drama and secondary sources that treat the dramatists and their plays Entries are accompanied by concise but informative annotations and the volume closes with a list of periodicals that frequently publish criticism of African American female playwrights a section of brief biographical sketches of the dramatists and extensive indexes American Book Publishing Record, 2005 The British National Bibliography Arthur James Wells, 2000 **Forthcoming Books** Rose Arny, 2003-04 *African American Women Playwrights* Christy Gavin, 2012-10-12 This Guide includes the primary and secondary works and summaries of plays of 15 prominent African American women playwrights including Lorraine Hansberry Ntozake Shange Adrienne Kennedy Alice Childress Zora Neale Hurston Georgia Douglas Johnson During the last 10 to 15 years critical consideration of contemporary as well as earlier black women playwrights has blossomed Plays by black women are increasingly anthologized and two recently published anthologies devote themselves solely to black women dramatists In light of the growing interest in scholarship concerning African American women playwrights researchers and librarians need a bibliographical source that brings together the profiles interviews critical material and primary sources of black female playwrights This guide will provide a bibliographical essay reviewing the scholarship of black women playwrights as well as for each playwright a biography summaries of each play detailed annotations of secondary material and list of primary sources **The Cambridge Companion to American Women Playwrights** Brenda Murphy, 1999-06-28 This volume addresses the work of women playwrights throughout the history of the American theatre from the early pioneers to contemporary feminists Each chapter introduces the reader to the work of one or more playwrights and to a way of thinking about plays Together they cover significant writers such as Rachel Crothers Susan Glaspell Lillian Hellman Sophie Treadwell Lorraine Hansberry Alice Childress Megan Terry Ntozake Shange Adrienne Kennedy Wendy Wasserstein Marsha Norman Beth Henley and Maria Irene Fornes Playwrights are discussed in the context of topics such as early comedy and melodrama feminism and realism the Harlem Renaissance the feminist resurgence of the 1970s and feminist dramatic theory A detailed chronology and illustrations enhance the volume which also includes bibliographical essays on recent criticism and on African American women playwrights before 1930 **"Strange**

**Orphans"** Beatrix Taumann,1999      **Black Women Playwrights** Carol P. Marsh-Lockett,2015-12-22 This collection of critical essays on plays by African American female playwrights from the post reconstruction period to the present provides thematic analyses of plays by major and less widely known African American women playwrights The contributors examine the plays as vehicles of public discourse and as explorations of issues of African American identity Essays explore the themes of sexuality agency anger and self concept in the plays of African American Women      African American Women Playwrights Confront Violence Patricia A. Young,2012 The pain of America s racial legacy has been richly addressed in the nation s literature often by women who have gone largely unrecognized This critical and gender focused text scrutinizes the role of lynching dramas produced by African American women dramatists Writers covered include Alice Dunbar Nelson Georgia Douglas Johnson Angelina Weld Grimke Mary Powell Burrill and Myrtle Smith Livingston The work also analyses the social protest plays of modern and contemporary dramatists Alice Childress Sandra Seaton Endesha Ida Mae Holland and Michon Boston Of particular interest are the roles of black maternity and the pervasiveness of violence against black women in both the early and the later plays      *Their Place on the Stage* Eliz Brown Guillory,1990-03-20 This is the first book length study of black American women playwrights It will be useful to scholars in the fields of black and women s literature and an excellent source of background reading in graduate and undergraduate courses on American women playwrights The author s training as both a scholar and a playwright is evident in this book Choice This important contribution to African American and women s studies analyzes the dramatic works of America s black women playwrights The plays of such writers as Alice Childress Lorraine Hansberry and Ntozake Shange are examined in light of the tradition from which they emerged Brown Guillory begins by tracing the development of African American theater with its roots in African theatrics then moves on to discuss women playwrights of the Harlem Renaissance such as Angelina Weld Grimke Alice Dunbar Nelson Georgia Douglas Johnson May Miller Mary Burrill Myrtle Smith Livingston Ruth Gaines Shelton Eulalie Spence and Marita Bonner Though rarely anthologized and infrequently made the subject of critical interpretation asserts the author the plays of these early twentieth century black women offer much to the American theater in the way of content tonal and structural form characterization as well as dialogue and were instrumental in paving a way for black playwrights from the 1950s to the present      **Their Place on the Stage** Eliz Brown Guillory,1988-11-10 This study begins with a brief discussion of the African origins of African American theater and then moves into an analysis of the many women playwrights of the Harlem Renaissance In the third chapter the focus narrows down to the three playwrights who constitute the core of the study Lorraine Hansberry Alice Childress and Ntozake Shange In addition to a discussion of each of their major plays Brown Guillory analyzes the tonal and structural forms of their plays and the image of blacks each woman creates The three playwrights are linked in this study by their portrayal of the black struggle in an inhumane society and by their common focus on the spirit of survival of African Americans ISBN 0 313 25985 2 37 95      *Performing Gender Violence* B. Ozieblo,N. Hernando-Real,2012-01-02 Violence

against women in plays by women has earned little mention. This revolutionary collection fills that gap, focusing on plays by American women dramatists written in the last thirty years that deal with different forms of gender violence. Each author discusses specific manifestations of violence in carefully selected plays: psychological, familial, war, time, and social injustice. This book encompasses the theatrical devices used to represent violence on the stage in an age of virtual immediacy, as much as the problematics of gender violence in modern society.
