## **Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback:**

*Contemporary Canadian Federalism* Alain-G. Gagnon, 2009-06-06 First published in French in 2006 *Le fédéralisme canadien contemporain* was immediately recognised as the most comprehensive collection of reflections on Canadian federalism by leading Quebecois scholars This remarkable translation of a range of Quebecois voices makes their insightful and underrepresented perspectives available to English language audiences Offering alternative views of the Canadian federal model's realities by covering its foundations traditions and institutions *Contemporary Canadian Federalism* considers the ways in which federalism relates to issues such as regionalism multiculturalism rights and freedoms financial distribution and public policy Filled with stimulating work that bridges the gap between distinctive traditions in English and French Canadian scholarship on federalism this important volume is required reading for understanding provincial federal relations and Canadian governance

Canadian Politics, Seventh Edition James Bickerton, Alain-G. Gagnon, 2020-08-31 For this new edition James Bickerton and Alain G Gagnon have organized the book into six parts Part I covers the origins and foundation of Canada as a political entity while Part II focuses on government parliament and the courts Part III examines matters pertaining to federalism and the Canadian Charter of Rights and Freedoms Part IV casts some new light on electoral politics and political communications and Part V examines citizenship diversity and social movements Part VI the final section of the book concentrates on a number of political issues that merit special attention on the part of political actors and decision makers namely the evolving relationship between Canada and Indigenous peoples immigration and refugees environment and climate change and relations between Canada and the United States This seventh edition of *Canadian Politics* includes 12 new chapters with ten new contributing authors and coverage of six new subjects and is essential reading for students and specialists studying Canadian politics

Federalism in Canada Thomas O. Hueglin, 2021-04-07 *Federalism in Canada* tells the turbulent story of shared sovereignty and divided governance from Confederation to the present time with three main objectives in mind The first objective is to convince readers that federalism is the primary animating force in Canadian politics and that it is therefore worth engaging with its complex nature and dynamic The second objective is to bring into closer focus the contested concepts about the meaning and operation of federalism that are at the root of the divide between English Canada and Quebec in particular The third objective is to give recognition to the trajectory of Canada's Indigenous peoples in the context of Canadian federalism from years of abusive neglect to belated efforts of inclusion The book focuses on the constitution with its ambiguous allocation of divided powers the pivotal role of the courts in balancing these powers and the political leaders whose interactions oscillate between intergovernmental conflict and cooperation This focus on executive leadership and judicial supervision is framed by considerations of Canada's regionalized political economy and cultural diversity giving students a compelling and nuanced view of federalism in Canada

The Case for Multinational Federalism Alain-G. Gagnon, 2009-09-10 Throughout the world liberal democracies are grappling with increasing claims

made in the name of minority national socio cultural and ethno cultural identities that seek greater recognition in the institutions of the nation state This work inserts itself into debates centred on diversity through a normative and empirical analytical assessment of the political sociology of multinational democracies The main thread of the arguments put forward is that federalism in both its institutional manifestations and its sociological properties constitutes a promising avenue for the management of cohabitating political communities and for the affirmation of collective identities within states that are constituted by two or more nations Author Alain G Gagnon develops his argument by contending that the federal principle allows for the exercise of advanced democratic practices within nation states permitting internal nations to openly affirm the bases of adherence to a common political project At the same time he argues that federalism nourishes the development of distinct collective traditions that serve to benefit all parties to the association It is concluded that only in such a scenario will the elusive pursuit of an authentic and shared loyalty underpin multinational states and ensure their stability in contrast to the instrumental sentiments of belonging engendered by procedural territorial federal models Focusing primarily on the Canadian case this book also draws inspiration from other federal states Belgium the United States as well as federalizing states Spain the United Kingdom It will be of keen interest to students and scholars of Politics European Studies along with Nationalism and Federalism Studies

**Taking Pluralism Seriously** Félix Mathieu, 2022-06-15 In so called post factual societies where public debates are undermined by their false or misleading premises philosophers who have reflected on diversity and pluralism can offer a critical and clarifying perspective through which to evaluate the statements of politicians and the media Félix Mathieu offers a theoretical empirical and normative analysis of the debates surrounding the accommodation of ethnocultural and societal diversity in contemporary liberal democracies With a close lens on Canada he looks at case studies in the United Kingdom and the Netherlands to test political leaders and analysts claims of successful accommodation and pluralism Taking Pluralism Seriously provides a clear fair and helpful summary of the debate so far in order to understand the promises and pitfalls associated with theories of multiculturalism interculturalism federalism and multinational democracy investigating the conditions that might make it possible for different national communities to become fully empowered politically and culturally Taking Pluralism Seriously invites readers to explore questions of pluralism and accommodation and proposes political reforms to meet the challenges arising from diversity while considering some of the most pressing concerns complex societies are facing today

**Fiscal Federalism in Multinational States** François Boucher, Alain Noël, 2021-07-21 Substate nationalism is often studied as a question of political identity and cultural recognition The same applies to the study of multinational federalism it is mainly conceived as a tool for the accommodation of minority cultures and identities Few works in political philosophy and political science pay attention to the fiscal and redistributive dimensions of substate nationalism and multinational federalism Yet nationalist movements in Western countries make crucial claims about fiscal autonomy and the fair distribution of resources between national groups within the

same state In recent years Scottish nationalists have demanded greater tax autonomy Catalan and Flemish nationalists have viewed themselves as unfairly disadvantaged by centralized fiscal arrangements and equalization payments and social transfers in Canada have exacerbated tensions within the federation In *Fiscal Federalism in Multinational States* contributors from political philosophy and political science disciplines explore the fiscal side of substate nationalism in Canada Belgium the United Kingdom Spain and Australia Chapters examine the connection between secessionist claims and interregional redistributive arrangements power relations in federations where taxing and spending responsibilities are shared between orders of government the relationship between substate nationalism and fiscal autonomy and the role of federal governments in redistributing resources among substate national groups *Fiscal Federalism in Multinational States* brings together scholars of nationalism and federalism in a groundbreaking analysis of the connections between nationalist claims and fiscal debates within plurinational states

**Intergovernmental Policy Capacity in Canada** Gregory J. Inwood, Patricia Louise O'Reilly, Carolyn M. Johns, 2011 In a highly networked world where governments must cope with increasingly complex and inter related policy problems the capacity of policy makers to work intergovernmentally is not an option but a necessity Gregory Inwood Carolyn Johns and Patricia O'Reilly offer unique insights into intergovernmental policy capacity revealing what key decision makers and policy advisors behind the scenes think the barriers are to improved intergovernmental policy capacity and what changes they recommend Senior public servants from all jurisdictions in Canada discuss the ideas institutions actors and relations that assist or impede intergovernmental policy capacity Covering good and bad economic times and comparing insiders concerns and recommendations with those of scholars of federalism public policy and public administration they provide a comparative analysis of major policy areas across fourteen governments intergovernmental policy capacity while of increasing importance is not well understood By examining how the Canadian federation copes with today's policy challenges the authors provide guideposts for federations and governments around the world working on the major policy issues of our day

**Fiscal Federalism in Canada** André Lecours, Daniel Béland, Trevor Tombe, Eric Champagne, 2023-11-30 Featuring insights from some of the top specialists in the country *Fiscal Federalism in Canada* unpacks numerous complexities of fiscal federalism in Canada The book features key regional and provincial perspectives while taking into account Indigenous realities the three territories and municipal affairs The contributing authors go beyond the major federal transfers to examine the financing of education cities infrastructure and housing This volume shows that fiscal federalism is much more than simply an aggregate of individual programs and transfers It highlights the role of actors other than the federal and provincial governments and recalls the importance of territoriality The book pays close attention to the political dimension of fiscal federalism in Canada which is at the heart of how the federation functions and is essential to its governance Fiscal federalism is central to the funding of critical programs through intergovernmental transfers but it is also the focus of political debates on territorial redistribution In tackling essential questions *Fiscal Federalism in Canada*

contributes to the so called second generation fiscal federalism literature taking stock of the critical sociological and political issues at its core *The Ties that Bind* John Erik Fossum, 2009 Modern states and novel multinational polities such as the European Union have to contend with greater degrees and more complex forms of diversity What elements keep complex post national political entities together What are the ties that bind people together in a world where they cannot rely on the safety of established national identifications if they ever could This collection of essays by leading political scientists philosophers and legal academics from Canada and Europe provides a transatlantic dialogue on the ways in which complex states such as Canada and non states the EU may broach the modes of difference and diversity that confront them Authors engage in insightful diagnoses of contemporary forms and modes of diversity as well as critical appraisals of a number of normative responses meant to answer these challenges These responses range from reasonable accommodation and multinationalism to cosmopolitanism They include the recognition of post national multinational or deterritorialised democracy and constitutional patriotism as well as plural or denationalised citizenship Multiple Barriers Alison Smith, 2022-06-29 Despite decades of efforts to combat homelessness many people continue to experience it in Canada's major cities There are a number of barriers that prevent effective responses to homelessness including a lack of agreement on the fundamental question what is homelessness In Multiple Barriers Alison Smith explores the forces that shape intergovernmental and multilevel governance dynamics to help better understand why despite the best efforts of community and advocacy groups homelessness remains as persistent as ever Drawing on nearly 100 interviews with key actors in Vancouver Calgary Toronto and Montreal as well as extensive participant observation Smith argues that institutional differences across cities interact with ideas regarding homelessness to contribute to very different models of governance Multiple Barriers shows that the genuine involvement of locally based service providers with the development of policy are necessary for an effective equitable and enduring solution to the homelessness crisis in Canada Les défis du pluralisme à l'ère des sociétés complexes Félix Mathieu, 2017-09-27T00:00:00-04:00 Le présent ouvrage propose une analyse théorique empirique et normative des débats qui portent sur l'aménagement de la diversité ethnoculturelle et sociale dans les démocraties libérales contemporaines L'auteur veut repenser les fondements du fédéralisme canadien de sorte que le Canada soit véritablement ouvert la diversité issue de l'immigration mais aussi celle de la nation minoritaire qu'aboient des nations autochtones sans oublier la minorité nationale anglophone du Québec et le groupe anglophone majoritaire au Canada

**Canadian Federalism and Its Future** Alain-G. Gagnon, Johanne Poirier, 2020-09-23 The time is ripe to revisit Canada's past and redress its historical wrongs Yet in our urgency to imagine roads to reconciliation with Indigenous peoples it is important to keep in sight the many other forms of diversity that Canadian federalism has historically been designed to accommodate or could also reflect more effectively Canadian Federalism and Its Future brings together international experts to assess four fundamental institutions bicameralism the judiciary as arbiter of the federal deal the electoral system and

party politics and intergovernmental relations The contributors use comparative and critical lenses to appraise the repercussions of these four dimensions of Canadian federalism on key actors including member states constitutive units internal nations Indigenous peoples and linguistic minorities Pursuing the work of *The Constitutions That Shaped Us* 2015 and *The Quebec Conference of 1864* 2018 this third volume is a testimony to Canada's successes and failures in constitutional design Reflecting on the cultural pluralism inherent in this country *Canadian Federalism and Its Future* offers thought provoking lessons for a world in search of concrete institutional solutions within and beyond the traditional nation state

**Federalism, Citizenship and Quebec** Alain G. Gagnon, Raffaele Iacovino, 2006-12-02 Canadians often imagine their country as a multicultural democracy while a few go further to claim that the country's diversity can be characterized as multinational in its social and institutional make up In *Federalism Citizenship and Quebec* Alain G Gagnon and Raffaele Iacovino reveal how this notion has been falsely presented to the populace Through comprehensive historical contemporary and critical accounts they argue that the country has been the object of an aggressive nationalizing project that contravenes the principles of a multinational federation Gagnon and Iacovino defend a conception of diverse citizenship for Canada that is truly suitable to a durable and just constitutional association and provide an alternative path for the country based on normative socio political and practical considerations associated with multinational democracy Including a detailed account of the main challenges associated with Quebec's place in the federation *Federalism Citizenship and Quebec* stands apart from other English language studies on multinational democracy citizenship and federalism and most notably multinational democracy in Canada Gagnon and Iacovino ground their work in both history and theory offering a truly interdisciplinary approach that will appeal to scholars from fields as diverse as Canadian and Quebec politics comparative politics and political and legal theory The book will contribute to awareness of the need for appreciating diversity in contemporary societies while being a useful addition to English Canadian students in these fields who often lack exposure to many of the rich debates proceeding in Quebec

**Understanding Federalism and Federation** Dr Sean Mueller, Dr Soeren Keil, Professor Alain-G Gagnon, 2015-08-28 Based on a variety of contemporary debates on federal theory *Understanding Federalism and Federation* honours Michael Burgess contribution to the study of these topics through a selection of approaches theories debates and interpretations Gathering contributors from diverse subfields to synthesize current debates it offers a snapshot of the immense range of current research on federalism and federation Leading authors debate key issues such as American federalism Canada and the role of Quebec the latest insights into comparative federalism and federation the European Union as a federal project and the analysis of constitutional courts in federal systems Different theoretical and empirical fields and perspectives are brought together synthesizing major findings and addressing emerging issues and these topics are analysed through multiple lenses to provide new insights original approaches and much needed theoretical and empirical data on federalism and federation

**Canadian Parties in Transition, Third Edition** Alain G.

Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book      **Le fédéralisme canadien contemporain**

Alain Gagnon, 2006 Ce livre propose une lecture plurielle et actualis e des enjeux politiques qui sous tendent les rapports entre le Qu bec et le Canada Quatre grands th mes y sont tudi s les fondements du f d ralisme et ses traditions les m tamorphoses du f d ralisme les relations f d rales provinciales et intergouvernementales et enfin les politiques propres la gestion de la diversit Chacune des tudes jette un clairage novateur sur un ensemble de questions centrales dont celles du d s quilibre fiscal des r formes d mocratiques des rapports entre minorit s et majorit s et du d ficit f d ratif au Canada

Comparative Federalism and Federation Michael Burgess, Alain Gagnon, 1993 This collection of essays addresses the meaning and relevance of the federal principle in the context of late 20th century political change The federal traditions of Christian democracy Protestantism Germany Switzerland Australia Canada and the United States are examined      *The Foundations of Canadian Federalism* , 1988

## **Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback has opened up a world of possibilities. Downloading Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-

effective nature of downloading Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Contemporary Canadian Federalism Foundations Traditions Institutions By Gagnon Alain G 2009 Paperback Books**
