David J. Smith, Karl Cordell

Contemporary Ireland Contemporary States And Societies Series:

Contemporary Japan Duncan McCargo, 2012-10-19 Japan is one of the world's most important societies yet remains one of the least understood. This book is designed to fill the gap for a concise but thought-provoking introduction to all aspects of the country's political, economic and social life set in a clear historical context. The author's starting point is that the study of Japan is contested territory where even such apparently simple questions such as 'Who is in charge?' spark considerable disagreement and controversy among experts. To understand contemporary Japan, Duncan McCargo argues it is necessary to get to grips with a range of different perspectives on Japanese political and social structures. Integrating contrasting perspectives throughout the core chapters of the book, focus on the changing economy, government and politics, society and culture, and Japan's place in the wider world. The new third edition of this popular text has been fully revised and updated throughout to cover key developments such as the historic end of LDP rule in 2009. This accessible and lively book will be essential reading both for students and general readers who want to know more about this important country.

Contemporary Latin America Ronaldo Munck, 2012-07-06 Fully updated for the third edition, *Contemporary Latin America* provides an accessible, concise introduction to the region. Historical context, the countries and their peoples, provides a backdrop to broad-ranging coverage of politics, economy, society and culture, and the continent's prospects today.

Contemporary Britain John McCormick, 2023-02-09 The fallout from Brexit and Covid-19, ongoing political turmoil, economic decline and calls for a second Scottish independence referendum make for deeply uncertain times in contemporary Britain. What will the country look like in five years from now? Will it even exist in its present form? Introducing you to all aspects of British history, geography, society, politics, economy and culture, this book guides you through the country's enduring features and recent trends: Growing racial, religious, national and cultural diversity; Demographic shifts including the move from a welfare state to a stakeholder society; The altered balance of power among government institutions as the UK adapts to life outside the EU; Shifts in economic policy following the impact of Brexit, Covid-19 and the war in Ukraine; Changing voter attitudes with questions raised about the balance between the major political parties; The impact of social media and alternative communications channels on media culture and politics. With key data, further reading suggestions and case studies on topics such as attitudes towards the monarchy, regional inequalities and national cuisine, *Contemporary Britain* is the ideal introduction for students and interested general readers alike.

Contemporary India Katharine Adeney, Andrew Wyatt, 2017-08-24 A broad-ranging introduction to politics and society in India set in a historical and cultural context. Written by two expert authors, it assumes no prior knowledge but aims to provide a balanced and nuanced understanding of the key issues that have faced India since independence and the challenges it confronts in the 21st century.

Contemporary Ireland Eoin O'Malley, 2017-08-24 In the last quarter century, Ireland has experienced dramatic political and economic change. This broad-ranging text provides an accessible and up-to-date introduction to Irish society, politics and

culture as well as developments in its economy and place in Europe and the world Contemporary Ireland Sara O'Sullivan,2007 body div table thead tbody tfoot tr th td p font family Calibri font size x small a comment indicator hover comment background ffd position absolute display block border 1px solid black padding 0 5em a comment indicator background red display inline block border 1px solid black width 0 5em height 0 5em comment display none In depth description and analysis of the transformations that have taken place in Ireland over the past ten years during the heyday of the Celtic Tiger **Understanding Contemporary Ireland** Richard Breen,Damian F Hannan,2016-07-27 Thirty years ago the Irish State embarked on a programme of development which rapidly transformed the economy and with it Irish society This book is about that transformation and its effects In particular it focuses on the relationship between the policies pursued by the State and the class structure of Ireland It argues that despite promises of general prosperity the benefits of Ireland s economic development have been very unevenly distributed leading to a growing polarisation between social classes

Contemporary Asia John McKay,2024-11-14 For the first time in the modern era Asia is not dominated by an outside power Is this the Asian Century Will internal rivalries emerge between China Japan and India How will growing tensions between the United States and China shape the global economic strategic and political system Covering governance culture and society in East and South Asia this book introduces Key economic developments including the Asian economic miracle and the 1997 8 Financial Crisis The central role of education and the contentious debate about Asian values The rapid expansion of military spending in the region The demography and geography of major nations and their forms of nationalism With further reading suggestions and discussion questions for every chapter this is essential introductory reading for students of Asian Studies and interested general readers alike **The SAGE International Encyclopedia of Mass Media and Society** Debra L. Merskin,2019-11-12 The reference will discuss mass media around the world in their varied forms newspapers magazines radio television film books music websites and social media and will describe the role of each in both mirroring and shaping society **Demography, State and Society** Enda Delaney,2000-11-21 Enda Delaney argues that migration to Britain was qualitatively different from that to North America and that transience was the overriding characteristic of Irish migrant experience in the twentieth century He provides an analysis of reasons for large scale migration in the process answering the important question of why so many people left Ireland Demography State and Society focuses on a number of vital themes many rarely mentioned in previous studies state policy in Ireland official responses to migration in Britain gender dimensions individual migrant experience patterns of settlement in Britain and the crucial phenomenon of return migration It offers much that will be of interest to scholars students and general readers in Irish migration as well as those in the wider fields of modern British and Irish history and migration studies Contemporary Environmentalism in the Baltic States David Galbreath,2013-10-18 This book examines the relationship between environmentalism and political transition in Estonia Latvia and Lithuania Environmentalism was a strong force behind the

nationalist movements preceding the independence of the Baltic States and the subsequent collapse of the Soviet Union The contributors illustrate how the Baltic States face contemporary environmental challenges through transition enlargement and integration into the European Union This edited collection brings the reader through the political economic and social changes of the post Soviet Baltic States as a way of examining how transition influences environmentalism Secondly the book looks at how the enlargement of the European Union to encompass the Baltic States has influenced political and legal approaches to the environment Finally the contributors examine how regional and global environmental narratives have shaped contemporary environmentalism in the Baltic States From eco nationalism to the world s first green prime minister environmentalism continues to play an important role in Estonia Latvia and Lithuania This book was published as a special issue of the Journal of Baltic Studies

Crafting Contemporary Pagan Identities in a Catholic Society Kathryn Rountree,2016-05-13 Contemporary western Paganism is now a global religious phenomenon with Pagans in many parts of the world sharing much in common from a nature revering worldview and lifestyle to a host of chants invocations ritual tools and magical practices But there are also locally specific differences Local religious contexts landscapes histories traditions politics values and norms all impact on local Paganisms This is nowhere more evident than in a strongly Catholic society where religion and culture are deeply entwined Taking the Mediterranean society of Malta as a case study this book invites readers inside the world of a small hidden sub culture Showing what it is like being Pagan in a society where the vast majority of the population is Roman Catholic and Catholicism permeates every sphere of public and domestic social and political life Rountree reveals that Paganism here is a unique brew of indigenous and global influences Pagans employ both creativity and borrowing in constructing identities within a cultural context characterized by antagonism as well as continuity This book explores the intersections of religious and cultural identity the global and local Paganism and Christianity with insights grounded in rich ethnographic detail based on long term fieldwork Rountree makes invaluable comparisons with other studies of modern Pagans and their various worlds

Irish Business and Society John Hogan,Paul F. Donnelly,Brendan K. O'Rourke,2010-10-29 A collection of stimulating essays exploring the wide ranging debates surrounding the relationship between business and society in 21st century Ireland Wide ranging diverse and thought provoking contributions from leading business researchers economists sociologists and political scientists from Ireland and abroad probe five central themes the making and unmaking of the Celtic Tiger governance regulation and justice partnership and participation the nature of Irish borders in Ireland Europe and the wider world and interests and concerns in contemporary Ireland Irish Business and Society takes a critical look at Ireland as one of the most open and globally integrated economies in the world with the activities of Irish and Irish based foreign business impacting on both national and international societies and businesses discusses the relationships between business and society within the context of the wider Irish and European political economy presents the Irish economic decisions and conditions that precipitated the current recession in Ireland and

the resultant lessons to be learned and examines the relationship between Irish business and society today contemplating how it might develop into the future Essential reading for students of Irish Business Economics Sociology and Politics those taking Irish Studies courses and anyone interested in contemporary Ireland The contributors are Nicola Timoney Frank Barry Mary P Murphy William Kingston Niamh M Brennan Rebecca Maughan Roderick Maguire Gillian Smith Conor McGrath Connie Harris Ostwald Kevin O Leary Jesse J Norris Olice McCarthy Robert Briscoe Michael Ward Helen Chen Patrick Phillips Mary Faulkner John O Brennan Mary C Murphy Breda McCarthy Marian Crowley Henry John McHale Kate Nicholls Gary Murphy Geoff Weller Jennifer K DeWan Patrick Kenny Gerard Hastings Margaret Anner Lawlor Karlin Lillington John Cullen

Transcultural Insights into Contemporary Irish Literature and Society María Amor Barros-del Río, 2024-07-19 Transcultural Insights into Contemporary Irish Literature and Society examines the transcultural patterns that have been enriching Irish literature since the twentieth century and engages with the ongoing dialogue between contemporary Irish literature and society Driven by the growing interest in transcultural studies in the humanities this volume provides an insightful analysis of how Irish literature handles the delicate balance between authenticity and folklore and uniformisation and diversity in an increasingly globalised world Following a diachronic approach the volume includes critical readings of canonical Irish literature as an uncharted exchange of intercultural dialogues The text also explores the external and internal transcultural traits present in recent Irish literature and its engagement with social injustice and activism and discusses location and mobility as vehicles for cultural transfer and the advancement of the women's movement A final section also includes an examination of literary expressions of hybridisation diversity and assimilation to scrutinise negotiations of new transcultural identities In the light of the compiled contributions the volume ends with a revisitation of Irish studies in a world in which national identity has become increasingly problematic This volume presents new insights into the fictional engagement of contemporary Irish literature with political social and economic issues and its efforts to accommodate the local and the global resulting in a reshaping of national collective imaginaries

Belongings Mary P. Corcoran, Perry Share, 2008 The contributors to this volume deal with the notion of belonging how it evolves manifests itself is shaped and challenged across a range of contexts in contemporary Ireland In Belongings the reader is invited to contemplate recent developments in Irish society through the eyes of sociologists who scrutinise a series of events and issues relevant to the years 2005 and 2006 The book provides sociological insights into such diverse topics as the Michael Neary case the Miss China Ireland pageant Paddy Power's provocative advertisements and the Jumbo Breakfast Roll It revisits events such as the 2006 commemoration of the 1916 Rising the opening of the Dundrum Town Centre and the Irish Ferries dispute Issues such as apartment living new planned communities the busyness of everyday life the attraction of self-help books and the fervour of Munster mania are examined in a fresh and engaging way

BOOK JACKET *Cultural Autonomy in Contemporary Europe* David J. Smith, Karl Cordell, 2013-10-18 In this volume some of the world's leading scholars involved in

researching the fields of ethno-politics nationalism and ideas of nation and state have come together to produce a work that is both original and accessible The volume explores the rich but sadly neglected tradition of thought on non territorial cultural autonomy as exemplified by the work of Karl Renner and Otto Bauer and the European Nationalities Congress of the 1920s Through a combination of theoretical analysis and case study approaches the authors challenge conventional thinking on how best to reconcile competing claims over territory and cultural expression Drawing upon a range of examples from countries such as Russia Romania and Hungary and by comparing the situation of territorially based ethnic minorities with those principally the Roma who lack identification with a given state or states the authors of this volume seek to supply answers and question received truths

Weak States, Strong Societies Amin Saikal, 2015-11-27 Since the disintegration of the Soviet Union and the end of the Cold War the previously well established organisation of world politics has been thrown into disarray While during the Cold War the bipolarity of the world gave other powers a defined structure within which to vie for power influence and material wealth the current global political landscape has been transformed by a diffusion of power As a result the world has seen the rise of sub national or quasi non state actors such as Hezbollah al Qaeda and the movement that calls itself Islamic State or ISIS These dramatic geopolitical shifts have heavily impacted state society relationships power and authority in the international system *Weak States Strong Societies* analyses the effect of these developments on the new world order arguing that the framework of weak state strong society appears even more applicable to the contemporary global landscape than it did during the Cold War Focusing on a range of regional contexts the book explores what constitutes a weak or strong state It will be essential reading for specialists in politics and international relations whether students or academic researchers

Changes in Contemporary Ireland Catherine Rees, 2014-09-26 This volume explores the cultural literary theatrical and political changes in Irish society from 1980 The so called Celtic Tiger brought about cultural and economic rejuvenation in Ireland but this new found confidence and prosperity was destabilised by other events such as the scandals in the Catholic Church bringing into question the role of traditional institutions in contemporary Irish life The ending of the Troubles and signing of the Good Friday Agreement similarly heralded a new era in terms of positive political change but recent paramilitary activity threatens to undermine the progress made in the 1990s as waves of new violence hit the North Equally recent economic recession has halted the radical growth seen in the Republic over recent decades This book therefore problematises the concept of change and progress by juxtaposing these events and asking what real changes can be traced in modern Ireland The contributors frequently reflect on the changes and upheavals this period of dramatic economic political and cultural change has prompted The volume includes contributions from the fields of politics cultural studies sport history geography media and film studies and theatre and literature As such it is a decidedly interdisciplinary study exploring wide ranging topics and issues relevant to contemporary Irish Studies

Continuity, Change and Crisis in Contemporary Ireland Brian Girvin, Gary Murphy, 2013-10-18 The focus of this book is to analyse from a

number of perspectives the politics of change in Ireland north and south since 1969 The emergence of the troubles in Northern Ireland the final push to gain entry to the EEC changing social mores and severe economic difficulties all begin to appear on the horizon at this stage While considerable change and indeed moments of extreme crisis have taken place in areas such as Northern Ireland the economy moral politics and Ireland's attitude towards the European Union continuity has also been a significant hallmark of Irish politics since 1969 This volume offers important perspectives and opens up new debates in explaining the phenomena of continuity change and crisis in contemporary Ireland New evidence on the origins of the troubles in Northern Ireland the Arms Crisis Ireland's relationship with Europe the process of social partnership and the politics of morality all offer important fresh insights into how contemporary Ireland has functioned Featuring a number of high profile scholars and uniquely dealing with both Northern Ireland and the Republic of Ireland this volume argues that the intriguing feature of recent Irish history is not the absence of change but the extent to which change has been mediated by the existing political cultures national traditions and long standing institutions of both north and south This book was based on a special issue of Irish Political Studies Race in Modern Irish Literature and Culture John Brannigan, 2020-01-19 This book sets out to expose through a combination of literary cultural and historical analysis the fictive nature of Irish monoculturalism and to probe figurations of racial identity racial difference and foreignness in Irish culture

Whispering the Techniques of Language: An Emotional Journey through **Contemporary Ireland Contemporary States And Societies Series**

In a digitally-driven world where displays reign great and instant transmission drowns out the subtleties of language, the profound secrets and emotional nuances hidden within phrases frequently go unheard. Yet, situated within the pages of **Contemporary Ireland Contemporary States And Societies Series** a fascinating fictional value pulsing with raw feelings, lies an exceptional journey waiting to be undertaken. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Contemporary Ireland Contemporary States And Societies Series eBooks, including some popular titles.

FAQs About Contemporary Ireland Contemporary States And Societies Series Books

What is a Contemporary Ireland Contemporary States And Societies Series PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Contemporary Ireland Contemporary States And Societies Series PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Contemporary Ireland Contemporary States And Societies Series PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Contemporary Ireland Contemporary States And Societies Series PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Contemporary Ireland Contemporary States And Societies Series PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
