Parker, 2014-08-01 *Contemporary Monologues for Young Actors* features 54 original monologues created specifically for actors and acting students ages 7 14 and for the teachers directors and acting coaches who work with them Written by award winning New York City playwright Douglas M Parker these refreshing monologues encompass a broad range of circumstances and emotions perfect for young actors seeking new material to explore some of which will appeal to slightly younger actors and others of which will excite slightly older actors Here are some of the features of this book A broad range of circumstances and emotions from comedic to heartfelt to quirky Emotional arcs and strong endings to challenge actors and keep audiences engaged Modern day topics with contemporary language Convenient organization from younger to older as the book progresses Ideal for auditions as short performance pieces or for use in the classroom Below are sample monologues from the book SHARING Some people think I don't like sharing but that isn't true at all I love sharing I mean what's not to love about being able to go up to someone and say Hey can I have some of that candy And then they give you some Or Can I ride your bike for a while And then you get to ride their bike Sharing is awesome Sometimes you have to be careful though Like if someone comes up to me and says Can I have one of your cookies Well if I gave them a cookie then I might not have any cookies left to share with other people and that would be like the opposite of sharing So I have to say no Because sharing is really important SCOUT Before we moved here we had this big dog named Scout Mom always said he was a total mutt but I think he was also part collie And maybe part golden retriever But he was definitely at least half mutt Scout was supposed to be the whole family's dog but he was really mine I mean after school it was me he would be waiting for And when anyone threw his ball I'm the one he always brought it back to And at night it was always my bed he slept in But before we moved here my Mom found out we weren't allowed to have any pets so we had to give him away to my cousins I don't

really talk about it but sometimes I dream about Scout He's got his ball in his mouth and he's looking for me And I'm saying Here Scout I'm right here But he doesn't hear me and he can't see me and I'm saying I'm right here Scout I'm right here And then I don't know I guess I wake up I don't know if Scout dreams about me UNIVERSE I saw on the Discovery Channel where a long time ago before the beginning of time the entire universe was as small as the head of a pin And everything was inside it Stars planets houses people cars other pins Everything in the universe And then one day this head of a pin just exploded and everything came out at like a million degrees hot and a million miles an hour And all the stars and planets and people and cars just kept getting bigger and bigger until they filled up all of space and all of time just burning and melting and spinning And as soon as I heard that I knew that I was just like that pin and that one day I'm gonna explode too And when I do fire and stars and whole worlds will come out of me and they'll be a million degrees hot and they'll travel so far and so fast that I'll never have to come back here again Not ever Not ever

character is either Jack or Jill from the well known nursery rhyme You make one mistake and people never forget it Seriously I mean yeah Jack or Jill and me went up the hill to fetch a pail of water And yes one of us fell down and broke his crown and yeah yeah the other one came tumbling after And no we did not bring back any water We did not succeed in our mission And if I was to be totally honest we also lost the bucket But come on It wasn't like we went up the hill to save the planet from an alien invasion There wasn't a baby up there about to be eaten by a bear It was water We fell down We didn't come back with a pail of water Someone else got up out of their chair got a bucket climbed up the hill and fetched a pail of water Big deal Life will go on And just to set the record straight I am perfectly capable of fetching water I personally have fetched hundreds of pails of water both before that incident and after So has Jack or Jill It was one time Sheesh Maybe it's time we all moved on ONE DAY The less there is of something the more precious it is Olive trees can live for two thousand years Giant tortoises for a hundred and fifty And us mayflies Twenty four hours How amazing is that A whole life in a single day You're born at five in the morning just as the sun starts to color the sky You get one sunrise but it's a moment that lasts almost forever casting a golden light across your entire childhood You leave home at six a.m. then spend hours just exploring the world And you can fly Think of it unlimited freedom in a world where every moment is a day and every perfect minute lasts a month Years of morning light and summer breezes in a single hour By eight or nine you've made friendships that will last a lifetime A passing cloud changes the face of the world And always there's more to see more to do more to live as you fly high above the water By three you've fallen in love and by four you have a family Soon the sun which has been with you always begins to set That soft half forgotten golden light of your childhood returns Your own children fly away and newer smaller suns appear as the night surrounds you And always so much left to see So much left to do For the first time in your life the air goes still The moon rises and explodes with a cool white light And still so many hours so much life is left Who knows what strange new things could happen next With so much time So much life So many possibilities All in a single day
