a reinvestigation of his forebears and successors in American drama many of whom echo his deep investment in social identity crafting Wilson's dramaturgical pursuit of culturally sustainable black identity sheds light on Tennessee Williams's exploration of oppressive limits on masculine sexuality and Eugene O'Neill's treatment of psychologically corrosive whiteness Today the contemporary African American playwrights Katori Hall and Tarell Alvin McCraney repeat and revise Wilson's methods exploring the fraught and fertile terrain of racial gender and sexual identity After August makes a significant contribution to the scholarship on Wilson and his undeniable impact on American drama

**Feminist Theatres in the USA** Charlotte Canning, 2005-06-28 Feminist Theaters in the USA is a fresh informative portrait of a key era in feminist and theater history. It is vital reading for feminist students, theater historians, and theater practitioners. Canning interviews over thirty women who took part in the dynamic feminist theater of the 1970s and 1980s. They provide first-hand accounts of the excitement, struggles, and innovations which formed their experience. From this foundation, Canning constructs a compelling combination of historical survey, critique, and celebration which explores the history of the groups and their formation, the politics which shaped their work, their methods and creative processes, the productions they brought to the stage, the reception from critics and audiences. **African American Women Playwrights** Christy Gavin, 2012-10-12 This Guide includes the primary and secondary works and summaries of plays of 15 prominent African American women playwrights including Lorraine Hansberry, Ntozake Shange, Adrienne Kennedy, Alice Childress, Zora Neale Hurston, Georgia Douglas Johnson. During the last 10 to 15 years, critical consideration of contemporary as well as earlier black women playwrights has blossomed. Plays by black women are increasingly anthologized, and two recently published anthologies devote themselves solely to black women dramatists. In light of the growing interest in scholarship concerning African American women playwrights, researchers and librarians need a bibliographical source that brings together the profiles, interviews, critical material, and primary sources of black female playwrights. This guide will provide a bibliographical essay reviewing the scholarship of black women playwrights as well as, for each playwright, a biography, summaries of each play, detailed annotations of secondary material, and list of primary sources. *Text & Presentation*, 2005 Stratos E.
