Contemporary Gay Romances:

Contemporary Gay Romances Felice Picano, 2011-10-01 Contemporary Gay Romances is the third collection of short fiction by legendary novelist and memoirist Felice Picano. The Lure, Like People in History, Ambidextrous. It is also his most diverse in terms of the times, places, themes, characters, and situations he writes about. Filled with the unexpected, the true, and the amazing, Contemporary Gay Romances moves with ease from gaslit upper class London to a future climate-altered Bay Area, from semi-rural Florida to Southern California beaches to an extrasolar planet where people have surprising existences. His characters range from ordinary American suburban housewives to extraordinary children, from grieving young geologists and memory-haunted middle-aged men to British Midlands soccer stars and 22nd Century war heroes. Picano subtitled this collection of stylish, unique, and moving works "Tragic, Comic, Mystic, Horrific," and they are all that and more. The ten tales include prize winners as well as stories published here for the first time and are as different from any standard romances as you can get, but they will linger in the mind and memory.
